Music Appreciation I

07766

Department: Electives

Grade Level: 07-08

Credits: 5.0

Max Credits: 10.0

This course is designed to provide familiarity with musical concepts, history, and performance. Each unit will target a specific area of musical knowledge with a combination of study, collaborative activities, and hands-on exercises. Units of study include: the families of instruments (including the countries of origin and the traditional uses of the instruments), styles of music from different time periods and cultures, such as: Renaissance, Baroque, Classical, Romantic, 20th Century Jazz and Rock and contemporary forms. Students will learn to read music by playing percussion instruments and singing in two and three part arrangements.

Pre-Engineering

07724

Department: Electives

Grade Level: 07-08

Credits: 5.0

Max Credits: 10.0

This course provides students with the opportunity to recognize the value of an engineering notebook to document and capture their ideas. Students are introduced to and use the design process to solve problems and understand the influence that creative and innovative design has on everyday life. Students use 3D modeling software to create a virtual image of their designs and produce a portfolio to showcase their creative solutions.

Student Assistant

07711

Department: Electives

Grade Level: 07-08

Credits: 5.0

Max Credits: 10.0

This course introduces students to the various tasks associated with assisting a teacher with various tasks or school office personnel with the day-to-day operations of the school office. Under the supervision of school personnel, students will learn a wide range of practices to support classroom teachers or general office practices and functions to assist the school that may include answering phones, operating equipment, assisting with new student orientation, and giving campus tours. Student Assistants may be assigned to teachers, counselors, librarians, or office staff with providing vital service to the school campus. An application process may be required for enrollment in this course. Check with your school counselor to inquire about requirements.

Student Leadership I

07722

Department: Electives

Grade Level: 07-08

Credits: 5.0

Max Credits: 10.0

This course is for students who are selected (through an application process) to lead the Associated Student Body. Students will plan and lead activities that include field trips, assemblies, lunchtime activities, and student recognition programs. Students will develop and implement a budget that meets their goals and carry out school-wide fundraisers to support the many programs for students at the school. Students will also promote school spirit and develop leadership skills. Students must maintain a 2.0 GPA with no "F's" or "U's" in citizenship in order to remain enrolled in Leadership. This course is Pass/No Pass.

Study Skills

07710

Department: Electives

Grade Level: 07-08

Credits: 5.0

Max Credits: 10.0

This course is designed for students to learn how to effectively work with small groups of students in a variety of content areas. An emphasis will be placed on employing inquiry strategies in peer tutoring groups.

Adopted curricular materials: No textbook assigned.

Woodshop I

07769

Department: Electives

Grade Level: 07-08

Credits: 5.0

Max Credits: 10.0

This course provides students an opportunity to experience working with wood. Students will master the safe use of both hand and power tools and complete a number of construction projects throughout the course.

Adopted curricular materials: No textbook assigned

World Language Studies

07783

Department: Electives

Grade Level: 07-08

Credits: 10.0

Max Credits: 10.0

This is an introductory course to the language and the culture of its speakers. The purpose of this course is to facilitate the practical application of the language in everyday oral and written communication. The focus of this course will be on basic communication skills in Spanish, French and/or German.

Yearbook

02636

Department: Electives

Grade Level: 07-08

Credits: 10.0

Max Credits: 20.0

Yearbook is an elective course designed to teach students the fundamental principles used to prepare, create, proof, and distribute a middle school yearbook while participating in leadership roles and activities. Key skills for creating the yearbook include layout and design, photography, interviewing, and writing with clear purpose and audience in mind. Yearbook can be both a fun and exciting experience in which students realize their creative potential.

ELA Literacy 7-8

02451

Department: English

Grade Level: 07-08

Credits: 10.0

Max Credits: 20.0

This course is an intensive intervention class designed for students who have a multi-year trend of being more than two years below grade level in reading and writing and who have demonstrated eligibility for the course based on targeted assessments. The goal of ELA Literacy is to accelerate student learning for the purpose of being able to exit the course and to be successful with grade-level ELA and literacy standards in all content areas. This class provides students with opportunities to remediate foundational literacy skills via an engaging technology component that addresses a student's individual needs and learning pace. Additionally, whole class and small group instruction are provided in a scaffolded manner anchored in the ELA Common Core State Standards. This course earns English credit.

Pre-requisite(s): Placement by site's intervention team based on identified district data points and assessments
Adopted Curricular Material: Language! Live (California edition), Voyager Sopris Learning, Inc.

English 7

02400

Department: English

Grade Level: 07

Credits: 10.0

Max Credits: 10.0

This course is designed to address California's 7th grade Common Core State Standards for English Language Arts. The individual performance standards at these grade levels define competencies for 7th grade and will gauge the degree to which a student has met the overall content standards. Instruction will attend to the skills and concepts necessary for mastery of reading informational and literary text, writing, speaking and listening; and language.

Adopted curricular materials: CA StudySync 7, McGraw-Hill Education

English 7 Honors

02430

Department: English

Grade Level: 07

Credits: 10.0

Max Credits: 10.0

This course will provide students with a rigorous curriculum that teaches to the same standards as the English 7 course. At the honors level, however, extended learning activities move at an accelerated pace with a more concentrated focus on complex texts.

Adopted curricular materials: CA StudySync 7, McGraw-Hill Education

English 8

02500

Department: English

Grade Level: 08

Credits: 10.0

Max Credits: 10.0

This course is designed to address California's 8th grade Common Core State Standards for English Language Arts. The individual performance standards at these grade levels define competencies for 8th grade and will gauge the degree to which a student has met the overall content standards. Instruction will attend to the skills and concepts necessary for mastery of reading informational and literary text, writing, speaking and listening; and language.

Adopted curricular materials: CA StudySync 8, McGraw-Hill Education and Refugee, Scholastic Inc.

English 8 Honors

02530

Department: English

Grade Level: 08

Credits: 10.0

Max Credits: 10.0

This course provides students with a challenging curriculum that teaches to the same standards as the English 8 course. At the honors level the curriculum moves at an accelerated pace with a more concentrated focus on complex texts.

Adopted curricular materials: CA StudySync 8, McGraw-Hill Education

History/Social Science

Social Science 7 01510

Department: History/Social Science **Grade Level:** 07 **Credits:** 10.0 **Max Credits:** 10.0

This course will introduce students to world cultures and geography. All units will be taught within a structured format to present the essential elements of government, religion, economics, achievements, and geography. Students will examine the social, cultural and technological changes during the period of 500 - 1789 A.D. Thematic units will drive the curriculum and will guide students through the acquisition of the lifelong skills of reading, writing, technology, research, and oral communication. Adopted curricular materials: World History & Geography: Medieval to Early Modern Times, McGraw Hill

Social Science 7 Honors 01520

Department: History/Social Science **Grade Level:** 07 **Credits:** 10.0 **Max Credits:** 10.0

In this course, students will study the same standards as in the Social Science 7 course. At the honors level, the increased academic rigor of the course is based on additional reading and writing assignments. These extended learning activities will require students to utilize skills in critical analysis, synthesis, evaluation, and problem solving. Honors students must have the motivation to accelerate through standards and handle a more rigorous pace when learning. Adopted curricular materials: World History & Geography: Medieval to Early Modern Times, McGraw Hill

Social Science 8 01550

Department: History/Social Science **Grade Level:** 08 **Credits:** 10.0 **Max Credits:** 10.0

In this course students will study United States history from 1600 to 1920, concentrating on the critical events from the framing of the Constitution to World War I. Students will examine the social, cultural, political, and technological changes during this time in American history. The in-depth investigation of historical events and periods, the fostering of multicultural awareness, and the recognition of ethical, civic, and democratic values present in American history represent the major aspects of this course. Adopted curricular materials: United States History & Geography: Growth & Conflict, McGraw Hill

Social Science 8 Honors 01560

Department: History/Social Science **Grade Level:** 08 **Credits:** 10.0 **Max Credits:** 10.0

In this course students will study the same standards as in the Social Science 8 course; however, at the honors level, the increased academic rigor of the course is based on additional enrichment activities, reading, and writing assignments. The extended learning activities require students to increase their use of critical thinking styles to include analysis, synthesis, evaluation, and problem solving. Honors students must have the motivation to accelerate through standards and handle a more rigorous pace when learning. Adopted curricular materials: United States History & Geography: Growth & Conflict, McGraw Hill

Mathematics

Math Mindset 7 **03517**

Department: Mathematics **Grade Level:** 07 **Credits:** 10.0 **Max Credits:** 10.0

This course is designed for students who would benefit from exploring their own capacity to strengthen both their math content skills and their Standards of Mathematical Practice (SMP) skills. Both grade-level content and SMP skills, such as perseverance, using mathematic tools strategically, and constructing viable arguments, will support shifting a student's attitude about their own ability to being successful at math in middle school and beyond. This course will provide additional skills and strategies as well as concurrent math support to increase student math success.

Co-requisite: Concurrent enrollment in Mathematics 7

Adopted curricular materials: ST Math

Mathematics 7 **03511**

Department: Mathematics **Grade Level:** 07 **Credits:** 10.0 **Max Credits:** 10.0

This course focuses on four critical areas: (1) developing understanding of and applying proportional relationships, including percentages; (2) developing understanding of operations with rational numbers and working with expressions and linear equations; (3) solving problems involving scale drawings and informal geometric constructions and working with two- and three-dimensional shapes to solve problems involving area, surface area, and volume; and (4) drawing inferences about populations based on samples.

Adopted curricular materials: Go Math 7, Houghton-Mifflin/Harcourt

Mathematics 7 Accelerated **03513**

Department: Mathematics **Grade Level:** 07 **Credits:** 10.0 **Max Credits:** 10.0

This course is an accelerated math course for the student who not only is advanced in the math skills and understanding, but who can move through the math standards at a faster pace. The CA framework suggests this "compacted" pathway in which the standards from grade seven, grade eight, and the Mathematics I course be compressed into an accelerated pathway. Students will complete all 7th grade standards and the first half of the 8th grade standards. This course leads to the completion of high school Mathematics I by the end of 8th grade, but does not skip any grade-level standards along the way.

Adopted curricular materials: Go Math 7 Accelerated, Houghton-Mifflin/Harcourt

Mathematics 8 **03514**

Department: Mathematics **Grade Level:** 08 **Credits:** 10.0 **Max Credits:** 10.0

This course focuses on three critical areas: (1) formulating and reasoning about expressions and equations, including modeling an association in bivariate data with a linear equation, and solving linear equations and systems of linear equations; (2) grasping the concept of a function and using functions to describe quantitative relationships; (3) analyzing two- and three-dimensional space and figures using distance, angle, similarity, and congruence and understanding and applying the Pythagorean Theorem.

Adopted curricular materials: Go Math 8, Houghton-Mifflin/Harcourt

Mathematics I **03015**

Department: Mathematics **Grade Level:** 08-12 **Credits:** 10.0 **Max Credits:** 10.0
Graduation Requirement: Mathematics I **UC/CSU:** Mathematics I (c) **NCAA:** Yes

This course is the first course in a series of three that uses an integrated approach to cover the following domains: Number and Quantity, Algebra, Functions, Geometry, and Statistics and Probability. The problem situations, models, and technology used will foster connections to the eight standards of mathematical practice, which develop concepts from multiple perspectives.

Mathematics I topics focus on the interconnectedness of function elements, tables, graphs, and equations; comparison and contrast and decision-making using Algebraic models; proving Geometric theorems about two-dimensional figures; and modeling using mathematical probability. Technology will be used to introduce and expand upon all areas of focus.

Adopted curricular materials: Integrated Mathematics 1, Houghton-Mifflin/Harcourt

Physical Education

Physical Education 7

08000

Department: Physical Education

Grade Level: 07

Credits: 10.0

Max Credits: 10.0

This course is the study and practice of the science and art of human movement. Through physical education, individuals learn to perform the motor skills necessary in everyday living, as well as the skills needed for a lifetime of physical activity. Within the physical education program, students will be introduced to a variety of these lifetime activities. They will develop and maintain sound physiological functions through vigorous muscular activity and will increase their appreciation of movement while developing greater physical self-awareness. The 7th grade activities and sports may include: Weight Training, Frisbee, Pickle Ball, Bowling, Basketball, Track and Field, and Dance.

Adopted curricular materials: No textbook assigned

Physical Education 8

Visual/Performing Arts

Art I **06516**

Department: Visual/Performing Arts **Grade Level:** 07-08 **Credits:** 5.0 **Max Credits:** 10.0

This course introduces students to the basic elements and principles of art. The students will experience many of the following two-dimensional media and techniques: paint (watercolor, tempera, and acrylic), oil and chalk pastels, pen and ink, linoleum printing, silk screening, cartooning, and calligraphy. Students will create three-dimensional projects using some of the following materials: clay, paper, wood, leather, glass, enamel, plastic, and metal.

Adopted curricular materials: Exploring Visual Design, Davis Publishing

Art II **06517**

Department: Visual/Performing Arts **Grade Level:** 08 **Credits:** 10.0 **Max Credits:** 10.0

This course exposes students to art through hands-on creation using a variety of media and artistic techniques. Graphite pencil, charcoal pencil, watercolors and tempera paint are just a few of the art media that will be explored. The Elements of Art and Principles of Design will be examined through discussion, activities, and the exploration of historical works. The class will consist of projects, warm-ups, technical exercises, critiques and final exams.

Adopted curricular material: No textbook assigned

Band I **06531**

Department: Visual/Performing Arts **Grade Level:** 07-08 **Credits:** 10.0 **Max Credits:** 10.0

In this course, students will learn to play a musical instrument. The student is able to choose which instrument he or she will play. Students also learn necessary musical concepts in order to graduate to Band II and/or Jazz Band I. Some school instruments are available for check out to students free of charge.

Adopted curricular materials: Tradition of Excellence: Comprehensive Band Method, Book 1, Kjos Music Press for Band

Band II **06532**

Department: Visual/Performing Arts **Grade Level:** 07-08 **Credits:** 10.0 **Max Credits:** 10.0

This course is designed for seventh and eighth grade students with at least one full year of band experience. This class is designed for the serious music student who wants to learn the fundamentals of playing an instrument and interested in developing good musicianship skills. Practice at home and attendance at concerts are required. Note: Parent participation to provide transportation for field trips and to competitions is highly encouraged. Enrollment by teacher request.

Adopted curricular materials: No textbook assigned.

Jazz Band I **06581**

Department: Visual/Performing Arts **Grade Level:** 07-08 **Credits:** 10.0 **Max Credits:** 10.0

This course is designed for music students that have demonstrated good musicianship and attitude in a beginning instrument class. It is for students who want to play electric guitar or bass. Practice at home and attendance at concerts are required. Enrollment by teacher request.

World Language

Spanish I

05010

Department: World Language

Grade Level: 07-12

Credits: 10.0

Max Credits: 10.0

Graduation Requirement: World Language I

UC/CSU: World Language I (e)

NCAA: Yes

This high school level college preparatory course focuses on communication in Spanish by speaking, reading, writing, and understanding written and spoken Spanish. Students will study the countries and cultures where Spanish is spoken and will make comparisons and connections with their own language and culture. This class will be conducted mostly in Spanish. This course is for students who can devote the time necessary to learn a world language. Students who take this course will be encouraged to take Spanish for at least four years.

Adopted curricular materials: EntreCulturas 1 Español; Copyright 2017, Wayside Publishing
