Ladies and Gentlemen:

We are providing this letter in connection with your audit of the financial statements of Elk Grove Unified School District as of June 30, 2022 and for the year then ended for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Elk Grove Unified School District, and the respective changes in financial position, in conformity with accounting principles generally accepted in the United States of America.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$4,958,800 for the government activities, \$2,341,200 for the General Fund, \$377,600 for the Building Fund, and \$836,000 for the aggregate remaining fund information collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit:
