Ladies and Gentlemen:

We are providing this letter in connection with your audit of the financial statements of Elk Grove Unified School District Obligation Bonds Activity included in the Measure M General Obligation Bond Fund of the Elk Grove Unified School District (the "Bond Fund") as of June 30, 2022 and for the year then ended for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the respective financial position of the Bond Fund information of Elk Grove Unified School District and the respective changes in financial position in conformity with accounting principles generally accepted in the United States of America.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$375,100 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit:

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated March 2, 2022 for the preparation and fair presentation of the previously mentioned financial statements in conformity with accounting principles generally accepted in the United States, and we believe the financial statements are fairly presented and include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity.
2. We are responsible for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements that are free from material

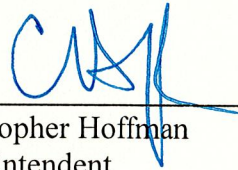

misstatement, whether due to error or fraud. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

3. We are responsible for compliance with the laws, regulations, and provisions of contracts and agreements applicable to us, including tax or debt limits and debt contracts, and we have identified and disclosed to you all laws, regulations and provisions of contracts and agreements that we believe have a direct and material effect on the determination of financial statement amounts, including legal and contractual provisions for reporting specific activities in separate funds.
4. We have provided you:
  - a. Access to all financial records, documentation and other information that is relevant to the preparation and fair presentation of the financial statements;
  - b. Additional information that you have requested from us for the purpose of the audit;

6. There are no transactions that have not been properly recorded in the accounting records underlying the financial statements.
7. We have no plans or intentions that might materially affect the carrying value or classification of assets, deferred outflows, liabilities, and deferred inflows.
8. Except as disclosed in the financial statements, or directly to you, there are or have been no material:

These matters have been accounted for and disclosed in conformity with accounting principles generally accepted in the United States and GASB 62. We have not consulted with or been represented by legal counsel during the period audited to the date of this letter regarding any litigation, claims, or assessments, asserted or unasserted.
