Agenda Item No. 17A

Board Agenda Item

Supplement No.

Meeting Date: October 1, 2013

**Subject:**

Health Benefits Consultant Contract

**Department:** Finance & School Support

**Action Requested:**

The Board is requested to discuss and approve the contract with Mr. William Barnes beginning on October 2, 2013 and ending June 30, 2014.

**Discussion:**

Prior to bringing this contract forward for Board consideration, the Districts Joint Health Care Coalition (JHCC) met three times to develop the JHCC decision making structure and make a decision regarding hiring of a health care consultant. Through these discussions it was agreed that the JHCC design would be modified to have a District and a bargaining group Co-Chair. Mr. Fagan will be the District's Co-Chair and an interim Co-Chair, Jennifer Ballerini, was selected to represent the bargaining groups. After lengthy discussion, the JHCC has recommended that the District should hire Mr. Barnes for the remainder of the 2013-14 fiscal year. This decision was based on the JHCC's need to have expert services such as those provided by Mr. Barnes for the 2013-14 health care renewal process.

Mr. Barnes provides valuable guidance, leadership and support navigating the best possible health care benefits for all employees at the lowest cost. His many years of experience in providing this service to public entity clients is an asset to the Elk Grove Unified School District. A very important characteristic of Mr. Barnes' relations with his clients is that he provides his services singularly in as much as he is not a broker and does not sell insurance or insurance related products. In this way, Elk Grove Unified School District and their employees are his priority, not a product.

In support of the JHCC, Mr. Barnes will continue to analyze and provide data, coordinate visitations with health care providers, brokers, etc. as appropriate, support the JHCC Co-Chairs in building the agendas, help navigate the changing health care landscape, as well as facilitate renewal agreements and provide services outlined in the attached contract. Mr. Barnes will be paid according to the hours worked.

Since the health care consultant/broker RFP is scheduled to be completed in mid-October the JHCC requests that the Board approve this contract so we may execute the contract and facilitate his work as soon as possible.

**Financial Summary:**

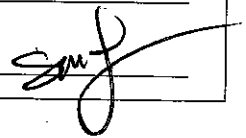

The cost for Mr. Barnes' services in this agreement is \$250.00 per hour, which reflects no change in the 2012-13 school year per hour rate and will not exceed \$83,000. The contract will become effective after this agreement is approved by the Board of Education. Additionally, the JHCC plans to use the 2013-14 fiscal year to explore other options, to the services provided by Mr. Barnes, as they plan for these types of services for the 2014-15 fiscal year.

## **Agreement for Benefits Consultant Services**

The Elk Grove Unified School District ("District") requests William Barnes Consulting (WBC) to advise it in connection with the District's Joint Health Care Coalition (JHCC) employee benefits programs. This agreement sets forth the basic terms between the District and William Barnes Consulting concerning the work that will be done for the District's JHCC.

### **1. Term of the Agreement**

This agreement shall be effective October 2, 2013 and end June 30, 2014 and shall not exceed \$83,000.

### **2. Parties to the Agreement**

Client: Elk Grove Unified School District, 9510 Elk Grove-Florin Road,  
Elk Grove, California, 95624.

Contact: Rich Fagan, Associate Superintendent of Finance and School Support

Firm: William Barnes Consulting

Contact: William Barnes, owner

### **3. Scope of Agreement**

The Elk Grove Unified School District wishes to hire WBC to advise and represent the District in relations with insurance providers and other vendors that involve the District's employee benefits programs. The District also wants WBC to meet, provide and analyze data to support efforts of the District's JHCC that provide the best benefits at the lowest possible cost. WBC will do research and provide advice on alternatives to existing programs and innovations. This agreement is the only agreement between the District and WBC and must be signed by both parties to be effective.

### **4. Client's Duties**

The District's JHCC agrees to cooperate, be accurate, to keep WBC informed of developments, to disclose all information needed to provide advice on employee compensation and benefits in a timely manner. The District agrees to pay invoices for fees and costs upon receipt.

### **5. Billing Statements**

WBC will provide an itemized invoice of monthly fees for services rendered and any travel or other related costs we have incurred on the District's behalf. WBC's invoices are due and payable upon receipt.

## **6. Consultant Fees and Billing Practices**

The District agrees to continue to pay WBC the ongoing client hourly rate of \$250 in effect during the previous contract. WBC offers existing clients a lower hourly rate than new clients pay for consultant services with similar experience and professional credentials. The hourly rate for other professional services such as actuaries are charged at their billed hourly rate.

WBC does not charge the cost of domestic phone calls (other than conference calls), but we will charge for the time spent on telephone calls relating to the District's matters, including calls with vendors or the District counsel or administrative personnel.

## **7. Costs and Other Charges**

(a) **In General.** WBC incurs various costs and expenses in performing consultant services under this agreement. WBC does not charge for certain costs, such as postage, faxes, electronic data transfers, or routine long distance calls within the continental United States. However, WBC does not charge for other costs, including word processing secretarial services, document photocopying, and conference call fees. The District agrees to pay those expenses in addition to our hourly fees. WBC will bill for the actual cost for those services summarized on the monthly invoice.

(b) **Travel.** The District agrees to pay transportation, meals, lodging and all other necessary travel expenses by WBC.

(c) **Experts.** Experts are not anticipated on any of the matters set forth in this Agreement. In the unlikely event it becomes necessary to hire outside experts, other consultants or actuaries to assist in the preparation or presentation of the District's matters, we will not hire such persons unless the District's JHCC authorizes their engagement and agrees to pay their fees and charges. We will select, with the District's JHCC approval and consent, health care experts, consultants or other professionals as required. The District will pay the hired experts, consultants or other professionals directly.

## **8. Disclaimer of Guarantee**

Nothing in this agreement and nothing in statements by WBC to the District is or should be construed as a promise or guarantee about the outcome of this agreement. WBC cannot make such promises or guarantees. The District's JHCC acknowledges that any opinion about the outcome offered by WBC will not constitute a guarantee. The District's JHCC may from time to time ask WBC for estimates of future benefit costs or WBC fees and costs. WBC will provide good faith projections of such amounts but cannot guarantee that benefit costs nor actual fees and travel costs will not be higher.

## **9. Termination of Representation**

Either the District or WBC may terminate this agreement in writing at any time. After that point, WBC will not provide any further services or advance any costs unless separately agreed to in writing. The District will be responsible for payment of fees and costs that have been incurred up to the date of receipt of a notice of termination.

Likewise, WBC reserves the right to terminate this agreement for any reason at any time by written notice to the District. If WBC withdraws, we will give you advance notice and time to obtain a replacement consultant. If the District's JHCC chooses to hire a replacement consultant or broker, WBC agrees to work through the transition. Whenever our services conclude, unpaid fees and costs become due and payable.

#### **10. File Retention**

WBC maintains District specific files for three years. If the District does not request delivery of the District's files before the end of the three-year period, the District now agrees that WBC has no further obligation to retain files and may destroy them.

#### **11. Agreement for Mandatory Mediation/Binding Arbitration**

We do not anticipate any disagreements with the District about problems with the quality or appropriateness of WBC services or its fees and billings. However, if problems arise, please notify WBC immediately. It is our desire to resolve any such disagreements or concerns in a fair and amicable manner through discussion.

IF ANY DISPUTE BETWEEN US CANNOT BE RESOLVED THROUGH OUR DISCUSSIONS WITH EACH OTHER, THEN THE DISTRICT AND WBC AGREE THAT ALL SUCH DISPUTES SHALL BE RESOLVED FIRST THROUGH MEDIATION AND IF NOT SUCCESSFUL, THEN THROUGH BINDING ARBITRATION.

The District and WBC agree that any dispute about the terms of this Agreement, or for breach of this Agreement, or about our fees or the quality or appropriateness of our services shall be referred to mediation first. The District and WBC agree that any and all such disputes shall be presented to a mediator mutually agreed upon in an attempt to negotiate a resolution. The cost of the mediator's fees shall be borne by the District and WBC equally and each of us will be responsible for its own attorneys' fees and cost associated there within.

This Agreement is intended to address all disputes between us, whether over our fees and costs or concerning any other matter relating to our services or conduct, including any claim that our services were not necessary, were inappropriate, or were negligently rendered. This mediation/arbitration provision will survive termination of relationship and this mediation/arbitration provision will apply to all conduct by us occurring before, during and after our consultant-client relationship. By signing this Agreement, the District and WBC agree that neither can file lawsuit or resort to court process regarding our disputes with each other, except to the extent that California law provides for judicial review of arbitration proceedings.

By signing this Agreement, the District represents that it has read this mediation/arbitration provision and fully understands the consequences of agreeing to mediation/arbitration.

**12. Legal, Tax and Investment Advice Excluded**

WBC has not been retained to provide legal, tax or investment advice concerning ERISA, pension, profit-sharing, insurance or investments relating to this matter. The District should consult with tax or other appropriate counsel or advisors regarding such issues.

**13. Severability**

If any provision of this agreement is held in whole or in part to be unenforceable, the remainder of that provision and the remainder of the agreement will be severable and will remain in effect.

**14. Effective Date**

This agreement will take effect upon the District's signature below. The date at the beginning of this agreement is for reference only. Even if this agreement does not take effect, the District will be obligated to pay WBC the reasonable value of any services performed for the District.

**15. California Law**

California law governs the performance of this agreement and our engagement.

We appreciate the opportunity to continue to consult with the District's JHCC and look forward to working with the District's JHCC and its associations. Please return a signed copy of this letter to WBC.

**16. Signatures**

I have read and understood the foregoing terms and procedures, including the provision for binding arbitration, and agree to them on behalf of the District as of the date WBC first provided services.

## SECTION 125 FLEXIBLE BENEFIT PLAN

### SECTION I

#### PURPOSE

The Employer is establishing this Flexible Benefit Plan in order to make a broader range of benefits available to its Employees and their Beneficiaries. This Plan allows Employees to choose among different types of benefits and select the combination best suited to their individual goals, desires, and needs. These choices include an option to receive certain benefits in lieu of taxable compensation.

In establishing this Plan, the Employer desires to attract, reward, and retain highly qualified, competent Employees, and believes this Plan will help achieve that goal.

It is the intent of the Employer to establish this Plan in conformity with Section 125 of the Internal Revenue Code of 1986, as amended, and in compliance with applicable rules and regulations issued by the Internal Revenue Service. This Plan will grant to eligible Employees an opportunity to purchase qualified benefits which, when purchased alone by the Employer, would not be taxable.

### SECTION II

#### DEFINITIONS

The following words and phrases appear in this Plan and will have the meaning indicated below unless a different meaning is plainly required by the context:

- 2.01 **Administrator** The Employer unless another has been designated in writing by the Employer as Administrator within the meaning of Section 3(16) of ERISA (if applicable).
- 2.02 **Beneficiary** Any person or persons designated by a participating Employee to receive any benefit payable under the Plan on account of the Employee's death.
- 2.03 **Code** Internal Revenue Code of 1986, as amended.
- 2.04 **Dependent** Any of the following:
- (a) **Tax Dependent:** A Dependent includes a Participant's spouse and any other person who is a Participant's dependent within the meaning of Code Section 152, provided that, with respect to any plan that provides benefits that are excluded from an Employee's income under Code Section 105, a Participant's dependent (i) is any person within the meaning of Code Section 152, determined without regard to Subsections (b)(1), (b)(2), and (d)(1)(B) thereof, and (ii) includes any child of the Participant to whom Code Section 152(e) applies (such child will be treated as a dependent of both divorced parents).

(b) Student on a Medically Necessary Leave of Absence: With respect to any plan that is considered a group health plan under Michelle's Law (and not a HIPAA excepted benefit under Code Sections 9831(b), (c) and 9832(c)) and to the extent the Employer is required by Michelle's Law to provide continuation coverage, a Dependent includes a child who qualifies as a Tax Dependent (defined in Section 2.04(a)) because of his or her full-time student status, is enrolled in a group health plan, and is on a medically necessary leave of absence from school. The child will continue to be a Dependent if the medically necessary leave of absence commences while the child is suffering from a serious illness or injury, is medically necessary, and causes the child to lose student status for purposes of the group health plan's benefits coverage. Written physician certification that the child is suffering from a serious illness or injury and that the leave of absence is medically necessary is required at the Administrator's request. The child will no longer be considered a Dependent as of the earliest date that the child is no longer on a medically necessary leave of absence, the date that is one year after the first day of the medically necessary leave of absence, or the date benefits would otherwise terminate under either the group health plan or this Plan. Terms related to Michelle's Law, and not otherwise defined, will have the meaning provided under the Michelle's Law provisions of Code Section 9813.

(c) Adult Children: With respect to any plan that provides benefits that are excluded from an Employee's income under Code Section 105, a Dependent includes a child of a Participant who as of the end of the calendar year has not attained age 27. A 'child' for purpose of this Section 2.04(c) means an individual who is a son, daughter, stepson, or stepdaughter of the Participant, a legally adopted individual of the Participant, an individual who is lawfully placed with the Participant for legal adoption by the Participant, or an eligible foster child who is placed with the Participant by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction. An adult child described in this Section 2.04(c) is only a Dependent with respect to benefits provided after March 30, 2010 (subject to any other limitations of the Plan).

Dependent for purposes of the Dependent Care Reimbursement Plan is defined in Section 9.04(a).

### SECTION III

#### ELIGIBILITY, ENROLLMENT, AND PARTICIPATION

- 3.01 **ELIGIBILITY:** Each Employee of the Employer who has met the eligibility requirements of Item C of the Adoption Agreement will be eligible to participate in the Plan on the Entry Date specified or the Effective Date of the Plan, whichever is later. Dependent eligibility to receive benefits under any of the plans listed in Item F of the Adoption Agreement will be described in the documents governing those benefit plans. To the extent a Dependent is eligible to receive benefits under a plan listed in Item F, an Eligible Employee may elect coverage under this Plan with respect to such Dependent. Notwithstanding the foregoing, life insurance coverage on the life of a Dependent may not be elected under this Plan.
- 3.02 **ENROLLMENT:** An eligible Employee may enroll (or re-enroll) in the Plan by submitting to the Employer, during an enrollment period, an Election Form which specifies his or her benefit elections for the Plan Year and which meets such standards for completeness and accuracy as the Employer may establish. A Participant's Election Form shall be completed prior to the beginning of the Plan Year, and shall not be effective prior to the date such form is submitted to the Employer. Any Election Form submitted by a Participant in accordance with this Section shall remain in effect until the earlier of the following dates: the date the Participant terminates participation in the Plan; or, the effective date of a subsequently filed Election Form.

A Participant's right to elect certain benefit coverage shall be limited hereunder to the extent such rights are limited in the Policy. Furthermore, a Participant will not be entitled to revoke an election after a period of coverage has commenced and to make a new election with respect to the remainder of the period of coverage unless both the revocation and the new election are on account of and consistent with a change in status, or other allowable events, as determined by Section 125 of the Internal Revenue Code and the regulations thereunder.

3.03 TERMINATION OF PARTICIPATION: A Participant shall continue to participate in the Plan until the earlier of the following dates:

- a. End of the month in which the date the Participant terminates employment by death, disability, retirement or other separation from service; or
- b. The date the Participant ceases to work for the Employer as an eligible Employee; or
- c. The date of termination of the Plan; or
- d. The first date a Participant fails to pay required contributions while on a leave of absence.

3.04 SEPARATION FROM SERVICE: The existing elections of an Employee who separates from the employment service of the Employer shall be deemed to be automatically terminated and the Employee will not receive benefits for the remaining portion of the Plan Year.

3.05 QUALIFYING LEAVE UNDER FAMILY LEAVE ACT: Notwithstanding any provision to the contrary in this Plan, if a Participant goes on a qualifying unpaid leave under the Family and Medical Leave Act of 1993 (FMLA), to the extent required by the FMLA, the Employer will continue to maintain the Participant's existing coverage under the Plan with respect to benefits under Section V and Section VIII of the Plan on the same terms and conditions as though he were still an active Employee. If the Employee opts to continue his coverage, the Employee may pay his Elective Contribution with after-tax dollars while on leave (or pre-tax dollars to the extent he receives compensation during the leave), or the Employee may be given the option to pre-pay all or a portion of his Elective Contribution for the expected duration of the leave on a pre-tax salary reduction basis out of his pre-leave compensation (including unused sick days or vacation) by making a special election to that effect prior to the date such compensation would normally be made available to him (provided, however, that pre-tax dollars may not be utilized to fund coverage during the next plan year), or via other arrangements agreed upon between the Employee and the Administrator (e.g., the Administrator may fund coverage during the leave and withhold amounts upon the Employee's return). Upon return from such leave, the Employee will be permitted to reenter the Plan on the same basis the Employee was participating in the Plan prior to his leave, or as otherwise required by the FMLA.

## SECTION IV

### CONTRIBUTIONS

4.01 EMPLOYER CONTRIBUTIONS: The Employer may pay the costs of the benefits elected under the Plan with funds from the sources indicated in Item E of the Adoption Agreement. The Employer Contribution may be made up of Non-Elective Contributions and/or Elective Contributions authorized by each Participant on a salary reduction basis.

4.02 IRREVOCABILITY OF ELECTIONS: A Participant may file a written election form with the Administrator before the end of the current Plan Year revising the rate of his contributions or discontinuing such contributions effective as of the first day of the next following Plan Year. The

Participant's Elective Contributions will automatically terminate as of the date his employment terminates. Except as provided in this Section 4.02 and Section 4.03, a Participant's election under the Plan is irrevocable for the duration of the plan year to which it relates. The exceptions to the irrevocability requirement which would permit a mid-year election change in benefits and the salary reduction amount elected are set out in the Treasury regulations promulgated under Code Section 125, which include the following:

(a) Change in Status ("Qualifying Event"). A Participant may change or revoke his election under the Plan upon the occurrence of a valid change in status, but only if such change or termination is made on account of, and is consistent with, the change in status in accordance with the Treasury regulations promulgated under Section 125. The Employer, in its sole discretion as Administrator, shall determine whether a requested change is on account of and consistent with a change in status, as follows:

- (1) Change in Employee's legal marital status, including marriage, divorce, death of spouse, legal separation, and annulment;
- (2) Change in number of Dependents, including birth, adoption, placement for adoption, and death;
- (3) Change in employment status, including any employment status change affecting benefit eligibility of the Employee, spouse or Dependent, such as termination or commencement of employment, change in hours, strike or lockout, a commencement or return from an unpaid leave of absence, and a change in work site. If the eligibility for either the cafeteria Plan or any underlying benefit plans of the Employer of the Employee, spouse or Dependent relies on the employment status of that individual, and there is a change in that individual's employment status resulting in gaining or losing eligibility under the Plan, this constitutes a valid change in status. This category only applies if benefit eligibility is lost or gained as a result of the event. If an Employee terminates and is rehired within 30 days, the Employee is required to step back into his previous election. If the Employee terminates and is rehired after 30 days, the Employee may either step back into the previous election or make a new election;
- (4) Dependent satisfies, or ceases to satisfy, Dependent eligibility requirements due to attainment of age, gain or loss of student status, marriage or any similar circumstances; and
- (5) Residence change of Employee, spouse or Dependent, affecting the Employee's eligibility for coverage.

(b) Special Enrollment Rights ("Qualifying Event"). If a Participant or his or her spouse or Dependent is entitled to special enrollment rights under a group health plan (other than an excepted benefit), as required by HIPAA under Code Section 9801(f), then a Participant may revoke a prior election for group health plan coverage and make a new election, provided that the election change corresponds with such HIPAA special enrollment right. As required by HIPAA, a special enrollment right will arise in the following circumstances: (i) a Participant or his or her spouse or Dependent declined to enroll in group health plan coverage because he or she had coverage, and eligibility for such coverage is subsequently lost because the coverage was provided under COBRA and the COBRA coverage was exhausted, or the coverage was non-COBRA coverage and the coverage terminated due to loss of eligibility for coverage or the employer contributions for the coverage were terminated; (ii) a new Dependent is acquired as a result of marriage, birth, adoption, or placement for adoption; (iii) the Participant's or his or her spouse's or Dependent's coverage under a Medicaid plan or under a children's health insurance program (CHIP) is terminated as a result of loss of eligibility for such coverage and the Participant requests coverage under the group health plan not later than 60 days after the date of termination of such coverage; or (iv) the Participant, his or her spouse or Dependent becomes eligible for a state premium assistance subsidy from a Medicaid plan or through a state children's insurance program with respect to coverage under the group health plan and the Participant requests coverage under the group health plan not later than 60 days after the date

the Participant, his or her spouse or Dependent is determined to be eligible for such assistance. An election change under (iii) or (iv) of this provision must be requested within 60 days after the termination of Medicaid or state health plan coverage or the determination of eligibility for a state premium assistance subsidy, as applicable. Special enrollment rights under the health insurance plan will be determined by the terms of the health insurance plan.

- (c) Certain Judgments, Decrees or Orders. If a judgment, decree or order resulting from a divorce, legal separation, annulment or change in legal custody (including a qualified medical child support order [QMCSO]) requires accident or health coverage for a Participant's child or for a foster child who is a dependent of the Participant, the Participant may have a mid-year election change to add or drop coverage consistent with the Order.
- (d) Entitlement to Medicare or Medicaid. If a Participant, Participant's spouse or Participant's Dependent who is enrolled in an accident or health plan of the Employer becomes entitled to Medicare or Medicaid (other than coverage consisting solely of benefits under Section 1928 of the Social Security Act providing for pediatric vaccines), the Participant may cancel or reduce health coverage under the Employer's Plan. Loss of Medicare or Medicaid entitlement would allow the Participant to add health coverage under the Employer's Plan.
- (e) Family Medical Leave Act. If an Employee is taking leave under the rules of the Family Medical Leave Act, the Employee may revoke previous elections and re-elect benefits upon return to work.
- (f) COBRA Qualifying Event. If an Employee has a COBRA qualifying event (a reduction in hours of the Employee, or a Dependent ceases eligibility), the Employee may increase his pre-tax contributions for coverage under the Employer's Plan if a COBRA event occurs with respect to the Employee, the Employee's spouse or Dependent. The COBRA rule does not apply to COBRA coverage under another Employer's Plan.
- (g) Changes in Eligibility for Adult Children. To the extent the Employer amends a plan listed in Item F of the Adoption Agreement that provides benefits that are excluded from an Employee's income under Code Section 105 to provide that Adult Children (as defined in Section 2.04(c)) are eligible to receive benefits under the plan, an Eligible Employee may make or change an election under this Plan to add coverage for the Adult Child and to make any corresponding change to the Eligible Employee's coverage that is consistent with adding coverage for the Adult Child.

Notwithstanding anything to the contrary in this Section 4.02, the change in election rules in this Section 4.02 do not apply to the Medical Expense Reimbursement Plan, or may not be modified with respect to the Medical Expense Reimbursement Plan if the Plan is being administered by a Recordkeeper other than the Employer, unless the Employer and the Recordkeeper otherwise agree in writing.

4.03 OTHER EXCEPTIONS TO IRREVOCABILITY OF ELECTIONS. Other exceptions to the irrevocability of election requirement permit mid-year election changes and apply to all qualified benefits except for Medical Expense Reimbursement Plans, as follows:

- (a) Change in Cost. If the cost of a benefit package option under the Plan significantly increases during the plan year, Participants may (i) make a corresponding increase in their salary reduction amount, (ii) revoke their elections and make a prospective election under another benefit option offering similar coverage, or (iii) revoke election completely if no similar coverage is available, including in spouse or dependent's plan. If the cost significantly decreases, employees may elect coverage even if they had not previously participated and may drop their previous election for a similar coverage

option in order to elect the benefit package option that has decreased in cost during the year. If the increased or decreased cost of a benefit package option under the Plan is insignificant, the participant's salary reduction amount shall be automatically adjusted.

(b) Significant curtailment of coverage.

(i) With no loss of coverage. If the coverage under a benefit package option is significantly curtailed or ceases during the Plan Year, affected Participants may revoke their elections for the curtailed coverage and make a new prospective election for coverage under another benefit package option providing similar coverage.

(ii) With loss of coverage. If there is a significant curtailment of coverage with loss of coverage, affected Participants may revoke election for curtailed coverage and make a new prospective election for coverage under another benefit package option providing similar coverage, or drop coverage if no similar benefit package option is available.

(c) Addition or Significant Improvement of Benefit Package Option. If during the Plan Year a new benefit package option is added or significantly improved, eligible employees, whether currently participating or not, may revoke their existing election and elect the newly added or newly improved option.

(d) Change in Coverage of a Spouse or Dependent Under Another Employer's Plan. If there is a change in coverage of a spouse, former spouse, or Dependent under another employer's plan, a Participant may make a prospective election change that is on account of and corresponds with a change made under the plan of the spouse or Dependent. This rule applies if (1) mandatory changes in coverage are initiated by either the insurer of spouse's plan or by the spouse's employer, or (2) optional changes are initiated by the spouse's employer or by the spouse through open enrollment.

(e) Loss of coverage under other group health coverage. If during the Plan Year coverage is lost under any group health coverage sponsored by a governmental or educational institution, a Participant may prospectively change his or her election to add group health coverage for the affected Participant or his or her spouse or dependent.

4.04 CASH BENEFIT: Available amounts not used for the purchase of benefits under this Plan may be considered a cash benefit under the Plan payable to the Participant as taxable income to the extent indicated in Item E of the Adoption Agreement.

4.05 PAYMENT FROM EMPLOYER'S GENERAL ASSETS: Payment of benefits under this Plan shall be made by the Employer from Elective Contributions which shall be held as a part of its general assets.

4.06 EMPLOYER MAY HOLD ELECTIVE CONTRIBUTIONS: Pending payment of benefits in accordance with the terms of this Plan, Elective Contributions may be retained by the Employer in a separate account or, if elected by the Employer and as permitted or required by regulations of the Internal Revenue Service, Department of Labor or other governmental agency, such amounts of Elective Contributions may be held in a trust pending payment.

4.07 MAXIMUM EMPLOYER CONTRIBUTIONS: With respect to each Participant, the maximum amount made available to pay benefits for any Plan Year shall not exceed the Employer's Contribution specified in the Adoption Agreement and as provided in this Plan.

## SECTION VIII

### MEDICAL EXPENSE REIMBURSEMENT PLAN

- 8.01 PURPOSE: The Medical Expense Reimbursement Plan is designed to provide for reimbursement of Eligible Medical Expenses (as defined in Section 8.04) that are not reimbursed under an insurance plan, through damages, or from any other source. It is the intention of the Employer that amounts allocated for this benefit shall be eligible for exclusion from gross income, as provided in Code Sections 105 and 106, for Participants who elect this benefit and all provisions of this Section VIII shall be construed in a manner consistent with that intention.
- 8.02 ELIGIBILITY: The eligibility provisions are set forth in Item F(7) of the Adoption Agreement.

8.03 TERMS, CONDITIONS, AND LIMITATIONS:

- a. Accounts. The Reimbursement Recordkeeper shall establish a recordkeeping account for each Participant. The Reimbursement Recordkeeper shall maintain a record of each account on an on-going basis, increasing the balances as contributions are credited during the year and decreasing the balances as Eligible Medical Expenses are reimbursed. No interest shall be payable on amounts recorded in any Participant's account.
- b. Maximum benefit. The maximum amount of reimbursement for each Participant shall be limited to the amount of the Participant's Elective Contribution allocated to the program during the Plan Year, not to exceed the maximum amount set forth in Item F(7) of the Adoption Agreement.
- c. Claim Procedure. In order to be reimbursed for any medical expenses incurred during the Plan Year, the Participant shall complete the form(s) provided for such purpose by the Reimbursement Recordkeeper. The Participant shall submit the completed form to the Reimbursement Recordkeeper with an original bill or other proof of the expense acceptable to the Reimbursement Recordkeeper. No reimbursement shall be made on the basis of an incomplete form or inadequate evidence of expense as determined by the Reimbursement Recordkeeper. Forms for reimbursement of Eligible Medical Expenses must be submitted no later than the ninetieth (90th) day following the last day of the Plan Year during which the Eligible Medical Expenses were incurred. Reimbursement payments shall only be made to the Participant, or the Participant's legal representative in the event of incapacity or death of the Participant. Forms for reimbursement shall be reviewed in accordance with the claims procedure set forth in Section XII.
- d. Funding. The funding of the Medical Reimbursement Plan shall be through contributions by the Employer from its general assets to the extent of Elective Contributions directed by Participants. Such contributions shall be made by the Employer when benefit payments and account administrative expenses become due and payable under this Medical Expense Reimbursement Plan.
- e. Forfeiture. Any amounts remaining to the credit of the Participant at the end of the Plan Year and not used for Eligible Medical Expenses incurred during the Participant's participation during the Plan Year shall be forfeited and shall remain assets of the Plan. With respect to a Participant who terminates employment with the Employer and who has not elected to continue coverage under this Plan pursuant to COBRA rights referenced under Section 8.03(f) herein, such Participant shall not be entitled to reimbursement for Eligible Medical Expenses incurred after his termination date regardless if such Participant has any amounts of Employer Contributions remaining to his credit. Upon the death of any Participant who has any amounts of Employer Contributions remaining to his credit, a dependent of the Participant may elect to continue to claim reimbursement for Eligible Medical Expenses in the same manner as the Participant could have for the balance of the Plan Year.
- f. COBRA. To the extent required by Section 4980B of the Code and Sections 601 through 607 of ERISA ("COBRA"), a Participant and a Participant's Dependents shall be entitled to elect continued participation in this Medical Expense Reimbursement Plan only through the end of the plan year in which the qualifying event occurs, by contributing monthly (from their personal assets previously subject to taxation) to the Employer/Administrator, 102% of the amount of

desired reimbursement through the end of the Plan Year in which the qualifying event occurs. Specifically, such individuals will be eligible for COBRA continuation coverage only if they have a positive Medical Expense Reimbursement Account balance on the date of the qualifying event. Participants who have a deficit balance in their Medical Expense Reimbursement Account on the date of their qualifying event shall not be entitled to elect COBRA coverage. In lieu of COBRA, Participants may continue their coverage through the end of the current Plan Year by paying those premiums out of their last paycheck on a pre-tax basis.

- g. Nondiscrimination. Benefits provided under this Medical Expense Reimbursement Plan shall not be provided in a manner that discriminates in favor of Employees or Dependents who are highly compensated individuals, as provided under Section 105(h) of the Code and regulations promulgated thereunder.
- h. Uniform Coverage Rule. Notwithstanding that a Participant has not had withheld and credited to his account all of his contributions elected with respect to a particular Plan Year, the entire aggregate annual amount elected with respect to this Medical Expense Reimbursement Plan, shall be available at all times during such Plan Year to reimburse the participant for Eligible Medical Expenses with respect to this Medical Expense Reimbursement Plan. To the extent contributions with respect to this Medical Expense Reimbursement Plan are insufficient to pay such Eligible Medical Expenses, it shall be the Employer's obligation to provide adequate funds to cover any short fall for such Eligible Medical Expenses for a Participant; provided subsequent contributions with respect to this Medical Expense Reimbursement Plan by the Participant shall be available to reimburse the Employer for funds advanced to cover a previous short fall.
- i. Uniformed Services Employment and Reemployment Rights Act. Notwithstanding anything to the contrary herein, this Medical Expense Reimbursement Plan shall comply with the applicable provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 (Public Law 103-353).
- j. Proration of Limit. In the event that the Employer has purchased a uniform coverage risk policy from the Recordkeeper, then the Maximum Coverage amount specified in Section F.7 of the Adoption Agreement shall be pro rated with respect to (i) an Employee who becomes a Participant and enters the Plan during the Plan Year, and (ii) short plan years initiated by the Employer. Such Maximum Coverage amount will be pro rated by dividing the annual Maximum Coverage amount by 12, and multiplying the quotient by the number of remaining months in the Plan Year for the new Participant or the number of months in the short Plan Year, as applicable.
- k. Continuation Coverage for Certain Dependent Children. In the event that benefits under the Medical Expense Reimbursement Plan does not qualify for the exception from the portability rules of HIPAA, then, effective for Plan Years beginning on or after October 9, 2009, notwithstanding the foregoing provisions, coverage for a Dependent child who is enrolled in the Medical Expense Reimbursement Plan as a student at a post-secondary educational institution will not terminate due to a medically necessary leave of absence before a date that is the earlier of:
  - the date that is one year after the first day of the medically necessary leave of absence; or
  - the date on which such coverage would otherwise terminate under the terms of the Plan.

For purposes of this paragraph, "medically necessary leave of absence" means a leave of absence of the child from a post-secondary educational institution, or any other change in enrollment of

the child at the institution, that: (i) commences while the child is suffering from a serious illness or injury; (ii) is medically necessary; and (iii) causes the child to lose student status for purposes of coverage under the terms of the Plan. A written certification must be provided by a treating physician of the dependent child to the Plan in order for the continuation coverage requirement to apply. The physician's certification must state that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

#### 8.04 ELIGIBLE MEDICAL EXPENSES:

- (a) Eligible Medical Expense in General. The phrase 'Eligible Medical Expense' means any expense incurred by a Participant or any of his Dependents (subject to the restrictions in Sections 8.04(b) and (c)) during a Plan Year that (i) qualifies as an expense incurred by the Participant or Dependents for medical care as defined in Code Section 213(d) and meets the requirements outlined in Code Section 125, (ii) is excluded from gross income of the Participant under Code Section 105(b), and (iii) has not been and will not be paid or reimbursed by any other insurance plan, through damages, or from any other source. Notwithstanding the above, capital expenditures are not Eligible Medical Expenses under this Plan. Further, notwithstanding the above, effective January 1, 2011, only the following drugs or medicines will constitute Eligible Medical Expenses:
- (i.) Drugs or medicines that require a prescription;
  - (ii.) Drugs or medicines that are available without a prescription ("over-the-counter drugs or medicines") and the Participant or Dependent obtains a prescription; and
  - (iii.) Insulin.
- (b) Expenses Incurred After Commencement of Participation. Only medical care expenses incurred by a Participant or the Participant's Dependent(s) on or after the date such Participant commenced participation in the Medical Expense Reimbursement Plan shall constitute an Eligible Medical Expense.
- (c) Eligible Expenses Incurred by Dependents. For purposes of this Section, Eligible Medical Expenses incurred by Dependents defined in Section 2.04(c) are eligible for reimbursement if incurred after March 30, 2010; Eligible Medical Expenses incurred by Dependents defined in Sections 2.04(a) and (b) are eligible for reimbursement if incurred either before or after March 30, 2010 (subject to the restrictions of Section 8.04(b)).
- (d) Health Savings Accounts. If the Employer has elected in Item F.8 of the Adoption Agreement to allow Eligible Employees to contribute to Health Savings Accounts under the Plan, then for a Participant who is eligible for and elects to contribute to a Health Savings Accounts, Eligible Medical Expenses shall be limited as set forth in Item F.8 of the Adoption Agreement.

8.05 USE OF DEBIT CARD: In the event that the Employer elects to allow the use of debit cards ("Debit Cards") for reimbursement of Eligible Medical Expenses (other than over-the-counter drugs or medicines) under the Medical Expense Reimbursement Plan, the provisions described in this Section shall apply. However, beginning January 1, 2011, a Debit Card may not be used to purchase drugs or medicines over-the-counter.

- a. Substantiation. The following procedures shall be applied for purposes of substantiating claimed Eligible Medical Expenses after the use of a Debit Card to pay the claimed Eligible Medical Expense:
- (i) If the dollar amount of the transaction at a health care provider equals the dollar amount of the co-payment for that service under the Employer's major medical plan of the specific employee-cardholder, the charge is fully substantiated without the need for submission of a receipt or further review.
  - (ii) If the merchant, service provider, or other independent third-party (e.g., pharmacy benefit manager), at the time and point of sale, provides information to verify to the Recordkeeper (including electronically by e-mail, the internet, intranet, or telephone) that the charge is for a medical expense, the charge is fully substantiated without the need for submission of a receipt or further review.
- b. Status of Charges. All charges to a Debit Card, other than co-payments and real-time substantiation as described in Subsection (a) above, are treated as conditional pending confirmation of the charge, and additional third-party information, such as merchant or service provider receipts, describing the service or product, the date of the service or sale, and the amount, must be submitted for review and substantiation.
- c. Correction Procedures for Improper Payments. In the event that a claim has been reimbursed and is subsequently identified as not qualifying for reimbursement, one or all of the following procedures shall apply:
- (i) First, upon the Recordkeeper's identification of the improper payment, the Eligible Employee will be required to pay back to the Plan an amount equal to the improper payment.
  - (ii) Second, where the Eligible Employee does not pay back to the Plan the amount of the improper payment, the Employer will have the amount of the improper payment withheld from the Eligible Employee's wages or other compensation to the extent consistent with applicable law.
  - (iii) Third, if the improper payment still remains outstanding, the Plan may utilize a claim substitution or offset approach to resolve improper claims payments.
  - (iv) If the above correction efforts prove unsuccessful, or are otherwise unavailable, the Eligible Employee will remain indebted to the Employer for the amount of the improper payment. In that event and consistent with its business practices, the Employer may treat the payment as it would any other business indebtedness.
  - (v) In addition to the above, the Employer and the Plan may take other actions they may deem necessary, in their sole discretion, to ensure that further violations of the terms of the Debit Card do not occur, including, but not limited to, denial of access to the Debit Card until the indebtedness is repaid by the Eligible Employee.
- d. Intent to Comply with Rev. Rul. 2003-43. It is the Employer's intent that any use of Debit Cards to pay Eligible Medical Expenses shall comply with the guidelines for use of

such cards set forth in Rev. Rul. 2003-43, and this Section 8.05 shall be construed and interpreted in a manner necessary to comply with such guidelines.

- 8.06 GRACE PERIOD: If the Employer elects in Section F.7 of the Adoption Agreement to permit a Grace Period with respect to the Medical Reimbursement Plan, the provisions of this Section 8.06 shall apply. Notwithstanding anything to the contrary herein and in accordance with Internal Revenue Service Notice 2005-42, a Participant who has unused contributions relating to the Medical Reimbursement Plan from the immediately preceding Plan Year, and who incurs Eligible Medical Expenses for such qualified benefit during the Grace Period, may be paid or reimbursed for those Eligible Medical Expenses from the unused contributions as if the expenses had been incurred in the immediately preceding Plan Year. For purposes of this Section, 'Grace Period' shall mean the period extending 70 days after the end of the immediately preceding Plan Year to which it relates. Eligible Medical Expenses incurred during the Grace Period shall be reimbursed first from unused contributions allocated to the Medical Reimbursement Plan for the prior Plan Year, and then from unused contributions for the current Plan Year, if participant is enrolled in current Plan Year.

## SECTION IX

### DEPENDENT CARE REIMBURSEMENT PLAN

- 9.01 PURPOSE: The Dependent Care Reimbursement Plan is designed to provide for reimbursement of certain employment-related dependent care expenses of the Participant. It is the intention of the Employer that amounts allocated for this benefit shall be eligible for exclusion from gross income, as provided in Code Section 129, for Participants who elect this benefit, and all provisions of this Section IX shall be construed in a manner consistent with that intention.
- 9.02 ELIGIBILITY: The eligibility provisions are set forth in Item F(6) of the Adoption Agreement.
- 9.03 TERMS, CONDITIONS, AND LIMITATIONS:
- a. Accounts. The Reimbursement Recordkeeper shall establish a recordkeeping account for each Participant. The Reimbursement Recordkeeper shall maintain a record of each account on an on-going basis, increasing the balances as contributions are credited during the year and decreasing the balances as Eligible Dependent Care Expenses are reimbursed. No interest shall be payable on amounts recorded in any Participant's account.
  - b. Maximum Benefit. The maximum amount of reimbursement for each Participant shall be limited to the amount of the Participant's allocation to the program during the Plan Year not to exceed the maximum amount set forth in Item F(6) of the adoption agreement.

For purpose of this Section IX, the phrase "earned income" shall mean wages, salaries, tips and other employee compensation, but only if such amounts are includible in gross income for the taxable year. A Participant's spouse who is physically or mentally incapable of self-care as described in Section 9.04(a)(ii) or a spouse who is a full-time student within the meaning of Code Section 21(e)(7) shall be deemed to have earned income for each month in which such spouse is so disabled (or a full-time student). The amount of such deemed earned income shall be \$250 per month in the case of one Dependent and \$500 per month in the case of two or more Dependents.

- c. Claim Procedure. In order to be reimbursed for any dependent care expenses incurred during the Plan Year, the Participant shall complete the form(s) provided for such purpose by the Reimbursement Recordkeeper. The Participant shall submit the completed form to the Reimbursement Recordkeeper with an original bill or other proof of the expense from an independent third party acceptable to the Reimbursement Recordkeeper. No reimbursement shall be made on the basis of an incomplete form or inadequate evidence of the expense as determined by the Reimbursement Recordkeeper. Claims for reimbursement of Eligible Dependent Care Expenses must be submitted no later than the ninetieth (90th) day following the last day of the Plan Year during which the Eligible Dependent Care Expenses were incurred. Reimbursement payments shall only be made to the Participant, or the Participant's legal representative in the event of the incapacity or death of the Participant. Forms for reimbursement shall be reviewed in accordance with the claims procedure set forth in Section XII.
- d. Funding. The funding of the Dependent Care Reimbursement Plan shall be through contributions by the Employer from its general assets to the extent of Elective Contributions directed by Participants. Such contributions shall be made by the Employer when benefit payments and account administration expenses become due and payable under this Dependent Care Expense Reimbursement Plan.
- e. Forfeiture. Any amounts remaining to the credit of the Participant at the end of the Plan Year and not used for Eligible Dependent Care Expenses incurred during the Plan Year shall be forfeited and remain assets of the Plan.
- f. Nondiscrimination. Benefits provided under this Dependent Care Reimbursement Plan shall not be provided in a manner that discriminates in favor of Highly Compensated Employees (as defined in Code Section 414(q)) or their dependents, as provided in Code Section 129. In addition, no more than 25 percent of the aggregate Eligible Dependent Care Expenses shall be reimbursed during a Plan Year to five percent owners, as provided in Code Section 129.

#### 9.04 DEFINITIONS:

- a. "Dependent" (for purposes of this Section IX) means any individual who is:
  - (i) a Participant's qualifying child (as defined in Code Section 152 (c)) who has not attained the age of 13; or

For purposes of this Dependent Care Reimbursement Plan, an individual shall be considered physically or mentally incapable of self-care if, as a result of a physical or mental defect, the individual is incapable of caring for his or her hygienic or nutritional needs, or requires full-time attention of another person for his or her own safety or the safety of others.
- b. "Dependent Care Center" (for purposes of this Section IX) shall be a facility which:
  - (i) provides care for more than six individuals (other than individuals who reside at the facility);

  - (iii) satisfies all applicable laws and regulations of a state or unit of local government.
- c. "Eligible Dependent Care Expenses" (for purposes of this Section IX) shall mean expenses incurred by a Participant which are:
- (i) incurred for the care of a Dependent of the Participant or for related household services;
  - (ii) paid or payable to a Dependent Care Service Provider; and
  - (iii) incurred to enable the Participant to be gainfully employed for any period for which there are one or more Dependents with respect to the Participant.

"Eligible Dependent Care Expenses" shall not include expenses incurred for services outside the Participant's household for the care of a Dependent unless such Dependent is (i) a qualifying child (as defined in Code Section 152 (c)) under the age of 13, or (ii) a dependent (qualifying child or qualifying relative, as defined in Code Section 152 (c) and (d), respectively)), who is physically or mentally incapable of self-care, and who has the same principal place of abode as the Participant for more than half of the taxable year, or (iii) the spouse of a Participant who is physically or mentally incapable of self-care, and who has the same principal place of abode as the Participant for more than half of the taxable year.   - (ii) a person who provides care or other services described in Section 9.04(b) and who is not a related individual described in Section 129(c) of the Code.

## SECTION X

### HEALTH SAVINGS ACCOUNTS

10.01 PURPOSE: If elected by the Employer in Section F.8 of the Adoption Agreement, the Plan will permit pre-tax contributions to the Health Savings Account, and the provisions of this Article X shall apply.

10.02 BENEFITS: A Participant can elect benefits under the Health Savings Accounts portion of this Plan by electing to pay his or her Health Savings Account contributions on a pre-tax salary reduction basis. In addition, the Employer may make contributions to the Health Savings Account for the benefit of the Participant.

10.03 TERMS, CONDITIONS AND LIMITATION:

- a. Maximum Benefit. The maximum annual contributions that may be made to a Participant's Health Savings Account under this Plan is set forth in Section F.8 of the Adoption Agreement.
- b. Mid-Year Election Changes. Notwithstanding any to the contrary herein, a Participant election with respect to contributions for the Health Savings Account shall be revocable during the duration of the Plan Year to which the election relates. Consequently, a Participant may change his or her election with respect to contributions for the Health Savings Account at any time.

- 10.04 RESTRICTIONS ON MEDICAL REIMBURSEMENT PLAN: If the Employer has elected in Section F.8 of the Adoption Agreement both Health Savings Accounts under this Plan and the Medical Expense Reimbursement Plan, then the Eligible Medical Expenses that may be reimbursed under the Medical Reimbursement Plan for Participants who are eligible for and elect to participate in Health Savings Accounts shall be limited as set forth in Section F.8 of the Adoption Agreement.
- 10.05 NO ESTABLISHMENT OF ERISA PLAN: It is the intent of the Employer that the establishment of Health Savings Accounts are completely voluntary on the part of Participants, and that, in accordance with Department of Labor Field Assistance Bulletin 2004-1, the Health Savings Accounts are not "employee welfare benefit plans" for purposes of Title I of ERISA.

## SECTION XI

### AMENDMENT AND TERMINATION

- 11.01 AMENDMENT: The Employer shall have the right at any time, and from time to time, to amend, in whole or in part, any or all of the provisions of this Plan, provided that no such amendment shall change the terms and conditions of payment of any benefits to which Participants and covered dependents otherwise have become entitled to under the provisions of the Plan, unless such amendment is made to comply with federal or local laws or regulations. The Employer also shall have the right to make any amendment retroactively which is necessary to bring the Plan into conformity with the Code. In addition, the Employer may amend any provisions or any supplements to the Plan and may merge or combine supplements or add additional supplements to the Plan, or separate existing supplements into an additional number of supplements.
- 11.02 TERMINATION: The Employer shall have the right at any time to terminate this Plan, provided that such termination shall not eliminate any obligations of the Employer which therefore have arisen under the Plan.

## SECTION XII

### ADMINISTRATION

- 12.01 NAMED FIDUCIARIES: The Administrator shall be the fiduciary of the Plan.
- 12.02 APPOINTMENT OF RECORDKEEPER: The Employer may appoint a Reimbursement Recordkeeper which shall have the power and responsibility of performing recordkeeping and other ministerial duties arising under the Medical Expense Reimbursement Plan and the Dependent Care Reimbursement Plan provisions of this Plan. The Reimbursement Recordkeeper shall serve at the pleasure of, and may be removed by, the Employer without cause. The Recordkeeper shall receive reasonable compensation for its services as shall be agreed upon from time to time between the Administrator and the Recordkeeper.
- 12.03 POWERS AND RESPONSIBILITIES OF ADMINISTRATOR:
- a. General. The Administrator shall be vested with all powers and authority necessary in order to amend and administer the Plan, and is authorized to make such rules and regulations as it may deem necessary to carry out the provisions of the Plan. The Administrator shall determine any

questions arising in the administration (including all questions of eligibility and determination of amount, time and manner of payments of benefits), construction, interpretation and application of the Plan, and the decision of the Administrator shall be final and binding on all persons.

- b. Recordkeeping. The Administrator shall keep full and complete records of the administration of the Plan. The Administrator shall prepare such reports and such information concerning the Plan and the administration thereof by the Administrator as may be required under the Code or ERISA and the regulations promulgated thereunder.
- c. Inspection of Records. The Administrator shall, during normal business hours, make available to each Participant for examination by the Participant at the principal office of the Administrator a copy of the Plan and such records of the Administrator as may pertain to such Participant. No Participant shall have the right to inquire as to or inspect the accounts or records with respect to other Participants.

12.04 COMPENSATION AND EXPENSES OF ADMINISTRATOR: The Administrator shall serve without compensation for services as such. All expenses of the Administrator shall be paid by the Employer. Such expenses shall include any expense incident to the functioning of the Plan, including, but not limited to, attorneys' fees, accounting and clerical charges, actuary fees and other costs of administering the Plan.

12.05 LIABILITY OF ADMINISTRATOR: Except as prohibited by law, the Administrator shall not be liable personally for any loss or damage or depreciation which may result in connection with the exercise of duties or of discretion hereunder or upon any other act or omission hereunder except when due to willful misconduct. In the event the Administrator is not covered by fiduciary liability insurance or similar insurance arrangements, the Employer shall indemnify and hold harmless the Administrator from any and all claims, losses, damages, expenses (including reasonable counsel fees approved by the Administrator) and liability (including any reasonable amounts paid in settlement with the Employer's approval) arising from any act or omission of the Administrator, except when the same is determined to be due to the willful misconduct of the Administrator by a court of competent jurisdiction.

12.06 DELEGATIONS OF RESPONSIBILITY: The Administrator shall have the authority to delegate, from time to time, all or any part of its responsibilities under the Plan to such person or persons as it may deem advisable and in the same manner to revoke any such delegation of responsibilities which shall have the same force and effect for all purposes hereunder as if such action had been taken by the Administrator. The Administrator shall not be liable for any acts or omissions of any such delegate. The delegate shall report periodically to the Administrator concerning the discharge of the delegated responsibilities.

12.07 RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION: The Administrator may release or obtain any information necessary for the application, implementation and determination of this Plan or other Plans without consent or notice to any person. This information may be released to or obtained from any insurance company, organization, or person subject to applicable law. Any individual claiming benefits under this Plan shall furnish to the Administrator such information as may be necessary to implement this provision.

12.08 CLAIM FOR BENEFITS: To obtain payment of any benefits under the Plan a Participant must comply with the rules and procedures of the particular benefit program elected pursuant to this Plan under which the Participant claims a benefit.

12.09 GENERAL CLAIMS REVIEW PROCEDURE: This provision shall apply only to the extent that a claim for benefits is not governed by a similar provision of a benefit program available under this Plan or is not governed by Section 12.10.

- a. Initial Claim for Benefits. Each Participant may submit a claim for benefits to the Administrator as provided in Section 12.08. A Participant shall have no right to seek review of a denial of benefits, or to bring any action in any court to enforce a claim for benefits prior to his filing a claim for benefits and exhausting his rights to review under this section.

When a claim for benefits has been filed properly, such claim for benefits shall be evaluated and the claimant shall be notified of the approval or the denial within (90) days after the receipt of such claim unless special circumstances require an extension of time for processing the claim. If such an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial ninety (90) day period which shall specify the special circumstances requiring an extension and the date by which a final decision will be reached (which date shall not be later than one hundred and eighty (180) days after the date on which the claim was filed.) A claimant shall be given a written notice in which the claimant shall be advised as to whether the claim is granted or denied, in whole or in part. If a claim is denied, in whole or in part, the claimant shall be given written notice which shall contain (a) the specific reasons for the denial, (b) references to pertinent plan provisions upon which the denial is based, (c) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary, and (d) the claimant's rights to seek review of the denial.

- b. Review of Claim Denial. If a claim is denied, in whole or in part, the claimant shall have the right to request that the Administrator review the denial, provided that the claimant files a written request for review with the Administrator within sixty (60) days after the date on which the claimant received written notification of the denial. A claimant (or his duly authorized representative) may review pertinent documents and submit issues and comments in writing to the Administrator. Within sixty (60) days after a request is received, the review shall be made and the claimant shall be advised in writing of the decision on review, unless special circumstances require an extension of time for processing the review, in which case the claimant shall be given a written notification within such initial sixty (60) day period specifying the reasons for the extension and when such review shall be completed (provided that such review shall be completed within one hundred and twenty (120) days after the date on which the request for review was filed.) The decision on review shall be forwarded to the claimant in writing and shall include specific reasons for the decision and references to plan provisions upon which the decision is based. A decision on review shall be final and binding on all persons.
- c. Exhaustion of Remedies. If a claimant fails to file a request for review in accordance with the procedures herein outlined, such claimant shall have no rights to review and shall have no right to bring action in any court and the denial of the claim shall become final and binding on all persons for all purposes.

12.10 SPECIAL CLAIMS REVIEW PROCEDURE: The provisions of this Section 12.10 shall be applicable to claims under the Medical Expense Reimbursement Plan and the Group Medical Insurance Plan, effective on the first day of the first Plan Year beginning on or after July 1, 2002, but in no event later than January 1, 2003, provided such plans are subject to ERISA.

- a. Benefit Denials: The Administrator is responsible for evaluating all claims for reimbursement under the Medical Expense Reimbursement Plan and the Group Medical Insurance Plan.

The Administrator will decide a Participant's claim within a reasonable time not longer than 30 days after it is received. This time period may be extended for an additional 15 days for matters beyond the control of the Administrator, including in cases where a claim is incomplete. The Participant will receive written notice of any extension, including the reasons for the extension and information on the date by which a decision by the Administrator is expected to be made. The Participant will be given 45 days in which to complete an incomplete claim. The Administrator may secure independent medical or other advice and require such other evidence as it deems necessary to decide the claim.

If the Administrator denies the claim, in whole or in part, the Participant will be furnished with a written notice of adverse benefit determination setting forth:

1. the specific reason or reasons for the denial;
2. reference to the specific Plan provision on which the denial is issued;
3. a description of any additional material or information necessary for the Participant to complete his claim and an explanation of why such material or information is necessary, and
4. appropriate information as to the steps to be taken if the Participant wishes to appeal the Administrator's determination, including the participant's right to submit written comments and have them considered, his right to review (on request and at no charge) relevant documents and other information, and his right to file suit under ERISA with respect to any adverse determination after appeal of his claim.

- b. Appealing Denied Claims: If the Participant's claim is denied in whole or in part, he may appeal to the Administrator for a review of the denied claim. The appeal must be made in writing within 180 days of the Administrator's initial notice of adverse benefit determination, or else the participant will lose the right to appeal the denial. If the Participant does not appeal on time, he will also lose his right to file suit in court, as he will have failed to exhaust his internal administrative appeal rights, which is generally a prerequisite to bringing suit.

A Participant's written appeal should state the reasons that he feels his claim should not have been denied. It should include any additional facts and/or documents that the Participant feels support his claim. The Participant may also ask additional questions and make written comments, and may review (on request and at no charge) documents and other information relevant to his appeal. The Administrator will review all written comment the Participant submits with his appeal.

- c. Review of Appeal: The Administrator will review and decide the Participant's appeal within a reasonable time not longer than 60 days after it is submitted and will notify the Participant of its decision in writing. The individual who decides the appeal will not be the same individual who decided the initial claim denial and will not be that individual's subordinate. The Administrator may secure independent medical or other advice and require such other evidence as it deems necessary to decide the appeal, except that any medical expert consulted in connection with the appeal will be different from any expert consulted in connection with the initial claim. (The

identity of a medical expert consulted in connection with the Participant's appeal will be provided.) If the decision on appeal affirms the initial denial of the Participant's claim, the Participant will be furnished with a notice of adverse benefit determination on review setting forth:

1. The specific reason(s) for the denial,
2. The specific Plan provision(s) on which the decision is based,
3. A statement of the Participant's right to review (on request and at no charge) relevant documents and other information,
4. If the Administrator relied on an "internal rule, guideline, protocol, or other similar criterion" in making the decision, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the Participant upon request," and
5. A statement of the Participant's right to bring suit under ERISA § 502(a).

12.11 PAYMENT TO REPRESENTATIVE: In the event that a guardian, conservator or other legal representative has been duly appointed for a Participant entitled to any payment under the Plan, any such payment due may be made to the legal representative making claim therefor, and such payment so made shall be in complete discharge of the liabilities of the Plan therefor and the obligations of the Administrator and the Employer.

12.12 PROTECTED HEALTH INFORMATION. The provisions of this Section will apply only to those portions of the Plan that are considered a group health plan for purposes of 45 CFR Parts 160 and 164. The Plan may disclose PHI to employees of the Employer, or to other persons, only to the extent such disclosure is required or permitted pursuant to 45 CFR Parts 160 and 164. The Plan has implemented administrative, physical, and technical safeguards to reasonably and appropriately protect, and restrict access to and use of, electronic PHI, in accordance with Subpart C of 45 CFR Part 164. The applicable claims procedures under the Plan shall be used to resolve any issues of non-compliance by such individuals. The Employer will:

- not use or disclose PHI other than as permitted or required by the plan documents and permitted or required by law;
- reasonably and appropriately safeguard electronic PHI created, received, maintained, or transmitted to or by the it on behalf of the Plan, in accordance with Subpart C of 45 CFR Part 164;
- implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic PHI that it creates, receives, maintains, or transmits on behalf of the Plan;
- ensure that any agents including a subcontractors to whom it provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Employer with respect to such information;
- not use or disclose PHI for employment-related actions and decisions or in connection with any other employee benefit plan of the Employer;

- report to the Plan any use or disclosure of the information that is inconsistent with the permitted uses or disclosures provided for of which it becomes aware;
- make available PHI in accordance with 45 CFR Section 164.524;
- make available PHI for amendment and incorporate any amendments to PHI in accordance with 45 CFR Section 164.526;
- make available the information required to provide an accounting of disclosures in accordance with 45 CFR Section 164.528;
- make its internal practices, books, and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of Health and Human Services or his designee upon request for purposes of determining compliance with 45 CFR Section 164.504(f);
- if feasible, return or destroy all PHI received from the Plan that the Employer still maintains in any form and retain no copies of such information when no longer needed for the purposes for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and,
- ensure that the adequate separation required in paragraph (f)(2)(iii) of 45 CFR Section 164.504 is established.

For purposes of this Section, "PHI" is "Protected Health Information" as defined in 45 CFR Section 160.103, which means individually identifiable health information, except as provided in paragraph (2) of the definition of "Protected Health Information" in 45 CFR Section 160.103, that is transmitted by electronic media; maintained in electronic media; or transmitted or maintained in any other form or medium by a covered entity, as defined in 45 CFR Section 164.104.

### SECTION XIII

#### MISCELLANEOUS PROVISIONS

- 13.01 **INABILITY TO LOCATE PAYEE:** If the Plan Administrator is unable to make payment to any Participant or other person to whom a payment is due under the Plan because it cannot ascertain the identity or whereabouts of such Participant or other person after reasonable efforts have been made to identify or locate such person, then such payment and all subsequent payments otherwise due to such Participant or other person shall be forfeited following a reasonable time after the date any such payment first became due.
- 13.02 **FORMS AND PROOFS:** Each Participant or Participant's Beneficiary eligible to receive any benefit hereunder shall complete such forms and furnish such proofs, receipts, and releases as shall be required by the Administrator.
- 13.03 **NO GUARANTEE OF TAX CONSEQUENCES:** Neither the Administrator nor the Employer makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant or a Dependent under the Plan will be excludable from the Participant's or Dependent's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Participant or Dependent.
- 13.04 **PLAN NOT CONTRACT OF EMPLOYMENT:** The Plan will not be deemed to constitute a contract of employment between the Employer and any Participant nor will the Plan be considered an inducement for the employment of any Participant or employee. Nothing contained in the Plan will be deemed to give any Participant or employee the right to be retained in the service of the Employer nor to

interfere with the right of the Employer to discharge any Participant or employee at any time regardless of the effect such discharge may have upon that individual as a Participant in the Plan.

- 13.05 NON-ASSIGNABILITY: No benefit under the Plan shall be liable for any debt, liability, contract, engagement or tort of any Participant or his Beneficiary, nor be subject to charge, anticipation, sale, assignment, transfer, encumbrance, pledge, attachment, garnishment, execution or other voluntary or involuntary alienation or other legal or equitable process, nor transferability by operation of law.

If, in the judgment of the Administrator, more than 25% of the total nontaxable benefits are provided to Key Employees, or the Plan discriminates in any other manner (or is at risk of possible discrimination), then, notwithstanding any other provision contained herein to the contrary, and, in accordance with the applicable provisions of the Code, the Administrator shall, after written notification to affected Participants, reduce or adjust such contributions and benefits under the Plan as shall be necessary to insure that, in the judgment of the Administrator, the Plan shall not be discriminatory.
- 13.09 ERISA. The Plan shall be construed, enforced, and administered and the validity determined in accordance with the applicable provisions of the Employee Retirement Income Security Act of 1974 (as amended), the Internal Revenue Code of 1986 (as amended), and the laws of the State indicated in the Adoption Agreement. Notwithstanding anything to the contrary herein, the provisions of ERISA will not apply to this Plan if the Plan is exempt from coverage under ERISA.
