**1. Textbooks and instructional materials: (Education Code 35186; 5 CCR 4681)**

- A student, including an English learner, does not have standards-aligned textbooks or instructional materials or state-adopted or district adopted textbooks or other required instructional materials to use in class.
- A student does not have access to textbooks or instructional materials to use at home or after school. This does not require two sets of textbooks or instructional materials for each pupil.
- Textbooks or instructional materials are in poor or unusable condition, have missing pages, or are unreadable due to damage.
- A student was provided photocopied sheets from only a portion of a textbook or instructional materials to address a shortage of textbooks or instructional materials.

**2. Teacher Vacancy or Misassignment: (Education Code 35186(e)(2)(A-C); 5CCR 4682)**

- A semester begins and a teacher vacancy exists. A *teacher vacancy* is a position to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester.
- A teacher lacking credentials or training to teach English learners is assigned to teach a class with more than 20 percent English learners in the class.
- A teacher is assigned to teach a class for which the teacher lacks subject matter competency.

**3. Facility Conditions: (Education Code 17592.72, 35186, 35292.5; 5 CCR 4683)**

- A condition exists that poses an urgent or emergency threat to the health or safety of students or staff, including: gas leaks; nonfunctioning heating, ventilation, fire sprinklers or air-conditioning systems; electrical power failure; major sewer stoppage; major pest or vermin infestation; broken windows or exterior doors or gates that will not lock and that pose a security risk; abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff; or structural damage creating a hazardous or uninhabitable condition, and any other emergency conditions deemed appropriate by the district.
- A school restroom has not been cleaned or maintained regularly, is not fully operational, or has not been stocked at all times with toilet paper, soap, and paper towels or functional hand dryers.
- The school has not kept all restrooms open during school hours when students are not in classes, and has not kept a sufficient number of restrooms open during school hours when students are in classes. This does not apply when temporarily closing of the restroom is necessary for student safety or to make repairs.

Please describe the issue of your complaint in detail. You may attach additional pages and include as much text as necessary to fully describe the situation. For complaints regarding facilities conditions, please describe the emergency or urgent facilities conditions and how that condition poses a threat to the health or safety of students or staff.
