

Accessing State Score Reports on Synergy's ParentVUE

Electronic score reports for CAASPP and ELPAC are now available in ParentVUE.

The **CAASPP** statewide testing program in English-language arts and mathematics is administered to students in grades 3-8 and grade 11. Students in grades 5, 8, and 11 also take the California Science Test (CAST).

For more information on understanding the CAASPP score report, go to ca.startingsmarter.org.

The **ELPAC** state testing is designed for English learners in any grade and measures English language proficiency. You will only see **ELPAC** results if your student is an English learner.

For more information on understanding the **ELPAC** score report, go to elpac.startingsmarter.org.

If you do not have a ParentVUE account or need assistance accessing ParentVUE, please see your child's school front office for assistance.

1 To view **CAASPP** and/or **ELPAC** score reports, [log into ParentVUE](#) using your credentials.

2 On the left menu, click on **State Tests**.

3 Click the test name for the score report you wish to view. The most recent scores are listed first. If there are multiple links for each test, click on the link for the year and grade for which you wish to view results. Once you click on the test name, a window will open with a PDF copy of the score report.

i **ELPAC** score reports are labeled as **ESA**.
