NOTICE OF UNDERSTANDING

Please be aware that conditions exist in the Elk Grove Unified School District which may require:

1. Your child to be reassigned to another classroom at their home school;
2. Your child to be reassigned to another Elk Grove school during the school year;
3. Your child to be reassigned to another track (Year-Round Calendar School Only).

The circumstances for these conditions include:

☐ Overcrowding at the home school
☐ Overcrowding at a grade level
☐ Overcrowding on a specific track (Year-Round Calendar School Only).
☐ Boundary changes created by the building of new schools. Boundary changes affect students at all levels; elementary, middle and high school.

PLACEMENT PROCESS

This year we will utilize Randomized Kindergarten Track/Schedule Selection done through an automated computer generated process. This alleviates the need for our families to stand in line, and it will give each family an equal opportunity for their track or schedule selection. This automated process allows for a greater opportunity for the distribution of demographics and make for a more balanced representation of our community on each track.

In regard to Transitional Kindergarten, 1st through 6th grade students, and Kindergarten Welcome Packets returned after February 24th, those packets will receive a date and time stamp. Those placements at our schools and in our classrooms are filled based on the student’s date and time of registration at the school, special services or program needs as required by law, and class size limits.

In so far as possible, students of the same family shall be placed on the same track unless one or more of such students are enrolled in a special education class or unless the parent/guardian requests that the students be placed on different tracks.

Thank you for your understanding and for allowing the Elk Grove Unified School District an opportunity to provide a quality educational program for your child.

Your signature below acknowledges that you have been informed of the circumstances which could result in the reassignment of your child and the process used to determine placement.
