

ELK GROVE UNIFIED SCHOOL DISTRICT

CLASS TITLE: EXPANDED LEARNING COORDINATOR

BASIC FUNCTION:

Under the direction of the Assistant Superintendents of PreK-12 Schools; plan, organize, direct, and monitor the development and implementation of education programs that provide academic support and enrichment through specific expanded learning models; oversee and evaluate expanded learning programs; train and supervise the performance of administrative, certificated, and classified personnel; manage and implement grant-funded programs.

ESSENTIAL FUNCTIONS:

Analyze, synthesize, and evaluate information to oversee the management of the District's expanded learning programs, which includes: summer learning programs, intersession, after school programs, credit recovery, and tutoring opportunities.

Plan, organize, supervise and evaluate the operation of the Office of Expanding Learning programs and services; assure program compliance with District, State and Federal laws, rules and regulations; coordinate and facilitate parent and community involvement in programs and projects.

Train, supervise and evaluate the performance of assigned classified, certificated, and administrative personnel; interview and select employees and recommend transfers, reassignment, disciplinary action and termination.

Communicate and partner with other administrators, personnel and outside organizations to design, develop and coordinate activities and programs. Act as a parent liaison providing program information, eliciting parent feedback and responding to concerns and formal complaints.

In coordination with schools' MTSS teams assist with supporting the academic, social and behavioral interventions for at-risk students.

Develop and implement a broad-based, stakeholder engaged process to develop, monitor and adjust a strategic plan/vision for expanded learning programs and services.

Design, develop, implement and evaluate professional learning for administrators, teachers, parents, and others.

In partnership with Elementary and Secondary Education, and support from the Department of Research and Evaluation, assist with the development, implementation and evaluation of Summer Programs and other expanded learning opportunities.

Provide technical expertise, information and assistance to the Assistant Superintendents of Schools, Deputy Superintendent of Education Services and Schools, and other Cabinet members in support of expanded learning program design, funding implementation and sustainability. Collaborate with and provide informational support to principals and vice principals to ensure optimal expanded learning programs are implemented and evaluated, targeting identified student needs.

Develop informational materials related to the Office of Expanded Learning programs, projects and events.

Coordinate and collaborate with administrators in Special Education, Foster Youth, Homeless Education, Educational Equity and Family and Community Engagement to ensure inclusive and equitable practices in expanded learning opportunities.

Develop universal instructional programs for all students, and targeted programs for foster youth, youth experiencing homelessness, children with special needs, English Learners, and African American students.

Work with community-based organizations to provide high quality expanded learning programs.

Remain current on all Federal and State funding and program implementation requirements.

Utilize creativity to create meaningful new ideas and provide leadership for effective family and community involvement including establishing appropriate workshops and other activities for families and coordinating with community-based organizations to provide family engagement opportunities.

Collaborating with the Office of Family and Community Engagement, develop and provide workshops and resources for families on a wide range of educational topics.

Work closely with District and site administrators and counselors in a team-oriented approach to develop processes and procedures for targeting students and selecting academic support and interventions for the target population as they pertain to expanded learning program offerings.

In alignment with program output measures and student outcome measures, administer and monitor the expanded learning and grant budgets; assure proper allocation of funds for personnel and instructional and enrichment opportunities, including curriculum and materials; coordinate and participate in budget development and monitoring of assigned budgets and grant expenditures.

Collaborating with the Office of Educational Equity, design programs that are culturally balanced and responsive and align with the District's Race and Equity Strategic Plan.

Partner with the District's Communications Department to ensure a comprehensive informational distribution plan is in place, implemented and evaluated.

Using the District Continuous Improvement principles and practices, conduct annual input-output-outcome programmatic analyses, comprehensive data, gap and cause analyses and implement programmatic corrective actions that result in sustained program improvement aligned to sustained student academic and developmental progress.

Embed key elements of social competence into daily work practices such as empathy, cultural competence, responsiveness, flexibility, perceptiveness, and team-orientation.

Embed key elements of emotional competence into daily practices such as self-efficacy, self-awareness, outward mindset, and positive identity.

Embed key elements of problem-solving competence in daily practices such as creativity, visionary thinking, curiosity, imagination, adaptability, systems and critical thinking.

Embed key elements of sense of purpose competence into daily practices such as connectedness, persistence, resilience, optimism, sense of meaning, and goal directedness.

Monitor and refine applicable Board Policies and Administrative Regulations.

Direct the preparation and maintenance of a variety of narrative and statistical reports, records, and files related to assigned activities and personnel.

Perform related duties as assigned.
