CLASS TITLE: AREA SUPERVISOR - GROUNDS

BASIC FUNCTION:

Under the direction of the Manager - Grounds, schedule, coordinate, inspect and participate in the activities of grounds maintenance crews involved in the beautification of grounds and landscaped areas at school sites and other District facilities; train and supervise the performance of assigned staff.

ESSENTIAL FUNCTIONS:

Schedule, coordinate, inspect and participate in the activities of grounds maintenance crews involved in the beautification of grounds and landscaped areas at school sites and other District facilities.

Train and supervise the performance of assigned staff; interview and select employees and recommend transfers, reassignment, termination, and disciplinary actions; assure substitute coverage as necessary; review scheduled work at various sites.

Confer with site administrators and assigned supervisor regarding the beautification of District grounds and landscaped areas; prepare and adjust work schedules to fit the needs of assigned site; receive, screen, prioritize and respond to the ground’s maintenance needs of District staff.

Communicate with administrators, personnel, and outside organizations to coordinate activities, resolve issues and conflicts and exchange information.

Develop conceptual grounds and landscape plans and related cost estimates; supervise the implementation of grounds maintenance and landscape projects.

Operate and maintain a variety of power and hand tools and motorized equipment including edgers, weed eaters, trimmers, chain saws and blowers; operate and maintain a tractor with attachments for flailing, rototilling, scraping, post hole digging and aerating lawns; operate ride-on gang mower at an assigned group of sites for mowing large grass areas.

Operate a District truck and trailer to haul and distribute sand and dirt and grounds equipment and materials as assigned by the position.

Oversee the transporting of equipment to schools; assure the timely and scheduled servicing, lubricating and minor maintenance of grounds equipment.

Determine needed equipment, materials, and supplies for grounds operations; requisition a variety of supplies, tools, and equipment according to established procedures; maintain proper inventory levels of grounds supplies and equipment; assist in budget development as assigned.

Prepare and maintain a variety of records and reports related to assigned activities and personnel.

Perform general grounds maintenance work such as fertilizing, pruning, spraying, reseeding, and grounds cleanup.
Respond to or coordinate a response to emergency calls after hours as assigned.

Install and maintain playground equipment.

Perform related duties as assigned.
