### WORKING CONDITIONS

#### 7.1 WORK FACILITIES

- 7.1.4 PSWA has articulated an ongoing need for private, reliably available space at school sites to perform their work. A system shall be added to the contract which sets out a procedure whereby a psychologist can seek appropriate work space.
- 7.1.5 In the event a psychologist is unable to secure appropriate work space on a school site, the psychologist should first bring the problem to the attention of the principal and cooperatively seek a resolution.
- 7.1.6 If an acceptable resolution cannot be reached, the psychologist may involve his or her immediate supervisor with the principal to see if additional options can be developed. Should no space become available at that site, the immediate supervisor may authorize the psychologist to work off site to complete his or her responsibilities.
- 7.1.7 If no resolution is reached, there will be a meeting convened within 10 days with the District Supervisor, and the principal to see if additional options can be developed.
- 7.1.8 The District and PSWA realize that the best solution to this problem is adequate space in our schools for support functions. The District agrees to continue to incorporate the input of psychologists into the design of school sites and the soon to be expanded District office to better serve their specific space needs.

## 7.2 SUBSTITUTES

- 7.2.1 When determined necessary by the site administrator and approved by the program manager, a substitute will be hired for psychologists when they are absent for more than five (5) consecutive working days.

If those positions are created, the staff assigned to the impacted schools will have first option for the positions. Staff hired prior to September 1, 1987, will have second priority in accord with the selection criteria. If no existing staff indicates an interest in the position, the District will fill the situation from new employees (i.e. "new employee" to refer to those unit members hired on or after September 1, 1987).

## 7.4 WORKING CONDITIONS

- 7.4.1 The District and PSWA agree to set up a schedule for the replacement of equipment (computers and the provision of testing supplies for psychologists). The funding for the schedule will be provided through the normal mechanism for capital expenditures. (Any additional funds required are specifically contingent upon Cabinet and the program budget manger's approval.)
- 7.4.2 There shall be an annual allocation for each psychologist FTE of \$3,000 for test supplies and \$50 for office supplies. In a situation where two or more Social Workers request the same site or specialty assignment, their immediate supervisor in consultation with all pertinent parties will make the final decision.
- 8.2.3 When a vacancy occurs during a school year, such a vacancy will be filled on an interim basis for the remainder of the school year. If the position becomes permanent for the following year, a vacancy announcement shall be advertised as provided in section 9.1.
- 8.2.4 Transfer requests will be considered in terms of two criteria:
  - 8.2.4.1 Qualifications of the applicant for the vacancy in terms of credential(s), experience, competency, interest, commitment, and affirmative action hiring goals.
  - 8.2.4.2 When all other relevant criteria are equal, district-wide seniority.

Such employees shall have the right to indicate preferences from that list; such preferences shall be considered as provided in section 9.2.4.
- 8.3.3 When no qualified personnel volunteers for such assignment are available and a school site must reduce its staff, the District shall transfer from the qualified employees on the staff the employee with least district seniority.
- 8.3.4 When employees are transferred under this section, they shall be given the reasons for such transfers in writing.

### 8.4 STAFFING A NEW SCHOOL, TRANSFERS TO

- 8.4.1 In determining which currently employed staff will be transferred to staff a new school, the overriding considerations will be to establish and/or maintain:
  - 8.4.1.1 Total staffs in each school whose competencies, credentials, and extra-curricular expertise fit the needs of the student population.
  - 8.4.1.2 Total staffs in each school which reflect to the extent possible appropriate balance in age, experience, sex, and ethnic characteristics.
- 8.4.2 Within the limits prescribed above, every attempt will be made to take psychologist and social worker preferences for assignment and school location into account; when all other criteria are equal, psychologist and social worker preference and seniority within the District shall be the determining factor.
- 8.4.3 In each such situation, the process will begin with distribution to each school a listing of all probable positions and request for transfer forms for employee's use.

Both father and mother may take leave for the birth, or placement for adoption or foster care, of a child. In addition, an expectant mother may be entitled to leave prior to the birth of a child for prenatal care purposes if her condition makes her unable to work.

Circumstances may also require leave prior to the actual placement of a child for adoption or foster care. For example, to attend counseling session, appear in court or consult with his/her attorney in connection with the placement of a child.

If both the husband and wife are employed by the District, the aggregate number of workweeks of leave to which both are entitled is limited to 12 workweeks during any one fiscal year for the birth or placement for adoption or foster care of the employees' child, or to care for a parent with a serious health condition. This limitation does not apply to leave taken by either spouse to care for the other who is seriously ill and unable to work, to care for a child with a serious health condition, or for his or her own serious illness.

Leave to care for a family member includes both physical and psychological care, including providing comfort and reassurance which would be beneficial to a seriously ill child or parent receiving inpatient care; or making arrangements for third-party care of a family member.

A "serious health condition" includes an illness, injury, impairment, or physical or mental condition that involves:

1. Any period of incapacity or treatment in connection with or in consequent to a hospital, hospice or residential medical care facility.
2. Any period of incapacity requiring absence from work, school or regular daily activities of more than three calendar days, that also involved continuing treatment by (or under the supervision of) a health care provider; or
3. Continuing treatment by a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days or for prenatal care.
4. Continuing supervision by a health care provider when the parent, child, spouse or employee are severely ill but may not be receiving continuing active care or treatment (e.g., when suffering from Alzheimer's, late stages of cancer or a severe stroke).

"Continuing treatments" include:

- a. Two or more visits to a health care provider;
- b. Two or more treatment by a health care practitioner (e.g., physical therapist) on referral from, or under the direction, of a health care provider; or
- c. A single visit to a health care provider that results in a regimen of continuing treatment under the supervision of the health care provider (e.g., medication therapy).

Intermittent leave or reduced work schedule leaves may be allowed when the absence required is not due to a condition that is incapacitating at that point in time (e.g., appointments for cancer treatments, physical therapy, prenatal care). When leave is taken because of the birth or the placement of a child for adoption or foster care, intermittent leave or reduced workload schedule will not be approved if the intermittent leave or reduced workload schedule will adversely impact the office or department of the employee.

If an employee requests intermittent leave or reduced workload leave to care for a spouse, child, or parent or for the employee's own serious health condition, the employee may be required to temporarily transfer to an available alternative position for which the employee is qualified and that:

- a. has equivalent pay and benefits; and
- b. better accommodates recurring periods of leave than the regular position of the employee.

Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions," unless inpatient hospital care is required.

Absence because of an employee's substance abuse, without treatment, does not qualify for *FMLA* leave.

- 13.18.4 PAID/UNPAID LEAVE: Leave provided by *FMLA* in excess of available accrued paid leave shall be unpaid. Any available paid accrued leave shall be used prior to unpaid leave (e.g., comp time or sick leave) for the employee.
- 13.18.5 HEALTH AND DENTAL INSURANCE BENEFITS: Health care and dental benefits coverage shall be continued during the 12 weeks *FMLA* leave period under the same terms and conditions as applicable to all other employees. Upon expiration of *FMLA* leave entitlement, if additional unpaid leave is authorized, continuation of health care and dental benefits coverage shall be allowed with the employee paying all costs of coverage or as may be allowed in other applicable policies.
- 13.18.6 FAILURE TO RETURN FROM FMLA LEAVE: If an employee indicates his/her intent not to return from leave (including at the start of the leave), or if the employee fails to return from leave, paid health and dental coverage will cease unless the employee does not return because of the continuation, recurrence, or onset of a serious health condition which would entitle the employee to *FMLA* leave, or other circumstances beyond the employee's control, (such as where an employee's spouse is unexpectedly transferred to a new job location, someone other than an immediate family member has a serious health condition which the employee needs to care for, or the employee is laid off while on leave. The employee's desire to stay with a family member even though the family member no longer requires the employee's care, or a mother's decision to stay home with a newborn child and not return to work, do not qualify as "other circumstances beyond the employee's control."

Except as provided above, if an employee fails to return after expiration for eligibility for *FMLA* leave, the employee shall pay the full cost of coverage for health and dental benefits during the entire period of unpaid *FMLA* leave. Any amounts due under this section may be deducted from any sums due the employee (e.g., unpaid wages, vacation pay, etc.). Failure to reimburse the District for the cost of coverage during the period of the unpaid leave shall result in termination of coverage.

If an employee is unable to return to work because of the continuation, recurrence or onset of a serious health condition, the employee shall provide medical certification of such claim. The certification shall be issued by the health care provider of the employee or by health care provider of the employee's child, spouse or parent if the employee is unable to return to work because of the need to take care of one of these individuals. The certification shall indicate that the employee is prevented from performing the functions of the position or is needed to care for the family member on the date the leave expired. If a requested certification is not provided within 30 days, the cost of coverage provided during the period of unpaid *FMLA* leave shall be due and payable.

13.18.7 EMPLOYEE STATUS WHILE ON LEAVE: *FMLA* leave does not constitute a break in service for purposes of longevity and/or seniority. Seniority shall not be earned for any period of time on unpaid leave. Employees returning from leave shall return with no less seniority for purposes of layoff, recall, vacation accrual or other seniority.

13.18.8 MEDICAL CERTIFICATION/RECERTIFICATION: Medical certification from the health care provider of the individual requiring care shall be provided initially upon request for *FMLA* leave. The certification shall indicate the estimated duration of the need for leave. Periodic updates or recertification may be required upon expiration of the period of leave originally estimated or every 30 days, if requested by the Human Resources Department.

The employer may, at its own expense, require the eligible employee obtain the opinion of a second health care provider designated or approved by the employer. When the second opinion differs from the first, the employer may require, at its own expense, that the employee obtain the opinion of a third health care provider designated and approved jointly by the employer and employee. The opinion of the third health care provider shall be considered final and binding on the employer and employee.

If leave is foreseeable, medical certification must be provided within fifteen days (15) after receipt of the employee's request for leave. If the employee fails to provide certification, the leave may be denied until certification is provided. If the leave is not foreseeable, the certification shall be provided within fifteen days (15), or as soon as is practicable under the circumstances. Failure to provide certification within a reasonable time under the pertinent circumstances may result in denial of continuation of the leave.

- 13.18.9      **ADVANCE NOTICE REQUIRED:** If the event necessitating the leave becomes known to the employee more than 30 calendar days prior to the need for a leave, the employee shall provide notice as soon as he/she learns of the need for a leave -- at a minimum, 30 days written, advance notice. If the event necessitating the leave becomes known to the employee less than 30 calendar days prior to the employee's need for a leave, the employee shall provide as much advance notice as possible, and, at a minimum, written notice no more than five working days from learning of the need for the leave.

If the need for a family care leave is foreseeable due to a planned medical treatment or planned supervision of a child, parent or spouse with a serious health condition, the employee shall provide reasonable advance notice of the need for the leave and consult with the supervisor regarding the scheduling of the treatment or supervision so as to minimize disruptions to the school/department. Any such scheduling shall be subject to the approval of the health care provider of the family member.

Prior to granting a leave under this policy, medical certification as identified above, may be required.

- 13.18.10      **REINSTATEMENT UPON RETURN FROM LEAVE:** Upon return from *FMLA* leave, an employee shall be restored to the position held when the leave commenced or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment, provided the employee is able to perform the essential duties of the position.

If *FMLA* leave was due to the employee's own serious health condition, prior to returning to work, the employee shall provide a certification from the health care provider that the employee is able to resume the essential duties of the position.

- 13.18.11      **REMEDIES FOR EMPLOYER VIOLATION OF THE FMLA/California Family Rights Act (CFRA):** If an employee's rights under the FMLA/CFRA have been violated, the employee may file a complaint consistent with FMLA/CFRA. All references to the FMLA in Article 14 shall also include compliance with CFRA.

- 13.18.12      Effective January 1, 2023, the California Family Rights Act (CFRA) permits employees to use, AB 1041 protected family and medical leave and paid sick leave, to care for a "designated person." CFRA defines "designated person" as "any individual related by blood or whose association with the employee is the equivalent of a family relationship." California paid sick leave statutes define "designated person" as "a person identified by the employee at the time the employee requests paid sick days." For purposes of AB 1041 leave, an employee is limited to one designated person per 12-month period.

For example, when unit members work 40% of a contract, they will be entitled to an experience credit of one year at the beginning of the fourth year of their employment. If there is credit accumulated beyond the 100%, it will be banked.

This status will be “grandpersoned” so that they will maintain the full bonus amount even if they reduce their FTE in the future.

15.3.4 Employees will have their stipend bonus amount pro-rated according to their FTE.

#### 15.4 TERMS OF EMPLOYMENT OF FEDERAL PROJECTS

15.4.1 Salary and Payment - Certificated people employed in federal programs which do not correspond with the regular teaching year will be paid a salary equivalent to the Elk Grove Unified School District Salary Schedule with the salary being computed on a per diem basis for the period in which the project is financed by the Federal Government.

15.4.2 This per diem rate will be determined by dividing the salary schedule placement by the number of days a regular employee would work in that type of position. The salary will be paid in equal amounts for the monthly period included in the project.

#### 15.5 TRAINING INCREMENTS

15.5.1 The units shall be selected to enhance the District's accomplishment of priority goals in light of model curriculum standards and the professional development program of the California Association of School Psychologists and California Association of School Social Workers, or other professional development standards acceptable to the District. 15.5.2 To assist the District in funding the increased costs for technology upgrades as set out above and below, PSWA agrees to participate in (and the District agrees to provide) training programs designed to enhance unit member awareness of MediCal funding eligibility. 16.8 ELK GROVE BENEFITS EMPLOYEE RETIREMENT TRUST (EGBERT)

- 16.8.1 To achieve consistency with the terms of the EGBERT Trust Agreement and uniformity between all of the collective bargaining agreements with employee organizations regarding the terms of their participation in EGBERT, the District and PSWA agree to replace Article 17.2.4. District Sponsored Health and Insurance Programs with the following paragraphs which are declarative of existing agreements and practices and shall supersede any prior conflicting provisions.

The District and PSWA agree to participate in the Elk Grove Benefits Employee Retirement Trust (EGBERT). All unit members eligible for post retirement health and welfare benefits who retire on or after July 1, 2000 shall receive such benefits from EGBERT in accordance with this agreement and the EGBERT Agreement dated February 20, 1996 and any amendments to such agreements.

Unit members employed on or after July 1, 2006 (including disability recipients) are eligible for retiree health and hospitalization plans under this section provided they have completed benefit eligible service of at least 180 months or 15 school calendar years with Elk Grove Unified School District prior to retirement. Retirees/recipients must be actively drawing retirement or disability benefits from the STRS/PERS. Such retirees/recipients shall have met the eligibility requirements during their active employment. The years of benefit eligibility do

not have to be consecutive; but if an employee voluntarily leaves and returns outside of the 39 month rehire period, he or she must again meet the entire vesting requirements in place at that time for benefit eligibility.

Unit members employed before July 1, 2006 (including disability recipients) are eligible for retiree health and hospitalization plans under this section provided they have completed benefit eligible service of at least 120 months or 10 school calendar years with Elk Grove Unified School District prior to retirement. Retirees/recipients must be actively drawing retirement or disability benefits from the STRS/PERS. Such retirees/recipients shall have met the eligibility requirements during their active employment. The years of benefit eligibility do not have to be consecutive; but if an employee voluntarily leaves and returns outside of the 39 month rehire period, he or she must again meet the entire vesting requirements in place at that time for benefit eligibility.

Consistent with Addendum #2 of the EGBERT Agreement, the EGBERT Board of Directors shall be made up of one director appointed by each union that is a party to a collective bargaining agreement with the District that participates in EGBERT. The number of directors appointed by the District's Superintendent shall be equal to the total number of directors appointed by the unions.

It will be the continuing responsibility of EGBERT to determine benefits and recommend District contribution levels. EGBERT and the Elk Grove exclusive representatives agree to use a combined negotiating team drawn from all of the participating employee organizations to negotiate eligibility qualifications and the amount of contributions to be made to EGBERT. This combined negotiating team shall consist of representatives appointed by each bargaining unit and up to an equal number of management representatives appointed by the District Superintendent. The District sole financial obligation for the provision of retiree benefits to individuals retiring on or after July 1, 2000 shall be to make the contributions to EGBERT negotiated with the combined negotiating team described in this paragraph.

Until the parties agree otherwise in writing or negotiations with the combined negotiating team are exhausted: (1) the District shall continue to pay to EGBERT \$80 per month, per benefit eligible employee on a 12 month basis or \$960 per year, per benefit eligible employee; (2) the District shall continue to pay to EGBERT a sum equal to 1% of total District salaries each month on a twelve (12) month basis; and (3) each benefit eligible unit member shall contribute \$40 per month, on a 12-month basis toward the cost of current health benefits. Each benefit eligible employee shall have their contribution deducted from their compensation, via payroll deduction or at the employee's election via the District's Section 125 plan.

### PSWA COLLECTIVE BARGAINING AGREEMENTS

#### HISTORICAL REFERENCES

#### 16.1 Compensation

- 16.1.1 The District agrees to increase the salary schedule by the percentage amount of the funded COLA for 1995-96. A dispute has arisen between PSWA and the District about its current salary system which requires 15 units of additional professional growth for continuing advance on the salary schedule. It is agreed to resolve that dispute by analogizing that requirement with the agreed upon requirement for teaching staff unit members to take the six units of professional growth from District designated units.
- 16.1.2 In 1996-97 and 1997-98, the salary schedule shall be increased by the amount of the funded COLA for 1996-97 and 1997-98.
- 16.1.3 In 1998-99, 1999-2000, and 2000-01, the salary schedule shall be increased by the amount of the funded COLA for 1998-99, 1999-2000, and 2000-01.
- 16.1.3.1 Because PSWA previously paid for increased life insurance by giving up a portion of a prior year COLA, their formula COLA for the fiscal year 2000-01 will be augmented by an additional 0.14%.
- 16.1.4 Funded COLA is the amount which the District actually receives in increased revenue limit per ADA. It is not intended to include funds already received by the District in some other category. In the event that there is a dispute concerning the percentage, the District and PSWA agree that School Services, Inc. shall be asked to designate a number for funded COLA which shall resolve the controversy. If School Services of California, Inc. is not available, then the District and PSWA will select a respected financial person to designate "funded COLA."
- 16.1.5 The District and PSWA agree to a continuation of the formula based system of compensation as set out in prior agreements. Should that formula system be modified with EGEA for the 2000-01 school year, it will also be modified for PSWA. There is one more year on the formula system. At the conclusion of that year, negotiations will be held to discuss future systems for compensation increases. (Per agreement May 18, 2000).
- 16.1.6 For the 2006-07 school year, there shall be an increase of two percent (2%) to the salary schedules. The District shall cover the increased costs for the health benefit program up to the budgeted amount stated as a percentage of salary, i.e. 1%.
- 16.1.7 All members of PSWA employed during the 2007-2008 school year will receive a one-time, pay warrant equal to one percent (1%) of their respective 2006-2007 salary. This pay warrant will be received no later than April 30, 2009.

- 17.8.3 In 1993-94, the current life insurance program shall be improved to fifty thousand dollars (\$50,000) of straight term per unit member at an estimated cost of \$1,188 for the entire unit which is specifically taken from the pattern settlement amount allocated for general salary improvement.
- 17.8.11 The District will create an account for medical reimbursement of the co-pays for retired employees electing Kaiser by budgeting \$120 per eligible retiree. After all co-pay expenses have been received annually and verified, a retiree will be paid up to \$120 for incurred expenses. The amount left over from retirees not using the entire \$120 will be used to pay the excess co-pays for those who have incurred annual co-pays greater than \$120. Should the amount in the account not be sufficient to cover the entire amount, the amounts paid will be prorated based upon available funds within the medical reimbursement account. The retiree co-pay reimbursement dollars for the lowest cost health plan are increased to match the increased co-pay amounts. *[NOTE: Copay reimbursement for EGBERT retirees ended June 30, 2010. Copay reimbursement for Pre-EGBERT retirees ended June 30, 2011.]*

Elk Grove Unified School District (District) and the Psychologists' and Social Workers' Association (PSWA), collectively referred to as "the parties," have considered their mutual interests and have agreed to enter into this Tentative Agreement (Agreement) to resolve negotiations for the 2017-2018 and 2018-2019 school years with no reopeners. All of the terms included in this Agreement are contingent upon approval by the Sacramento County Office of Education and ratification by both parties.

**1. 2017-2018 School Year-3.75% (Ongoing)**

Effective retroactive to July 1, 2017, an amount equivalent to three and seventy five hundredths percent (3.75%) shall be added to PSWA 2017-2018 salary schedules, #12 and #13, and shall be applied consistent with the attached 2017-2018 and 2018-2019 PSWA salary schedules, #12 and #13. This 2017-2018 increase includes the comparability study increase.

**2. 2018-2019-1.32% (One-Time)**

Effective July 1, 2018 for the 2018-2019 school year, each 1.0 full time equivalent (FTE) PSWA unit member shall receive one and thirty two hundredths percent (1.32%) of 2018-2019 year base salary as a one-time, off-schedule payment that will be issued by the District to each bargaining unit member consistent with the following criteria. This one-time, off schedule compensation allocation will be prorated for part-time, part-year status bargaining unit members. To be eligible for this one-time, off schedule salary compensation allocation, the unit member must be in paid status with the District at the time that the one-time, off-schedule payment is paid and must be in paid status between August 1, 2018 and September 30, 2018.

**3. Arbinger Training –New Section:**

PSWA and EGUSD are committed to Arbinger in Education training for all unit members. It is understood that all unit members are expected to participate in this training, and the training shall not exceed eight (8) hours. For such training provided outside of work hours and/or work days, unit members will have the option of receiving

either pay at the current hourly rate based on past practice per diem hourly rate, or salary schedule credit equivalent, once all eight (8) hours of training are completed. Hourly pay and salary schedule credit for this training shall not exceed eight (8) hours. The eight (8) hours of Arbinger in Education training shall be scheduled at various times over a period of three school years (2018-2019, 2019-2020 and 2020-2021).

**4. 2018-2019 School Year Contingency Compensation Provisions**

If the District receives ongoing new LCFF revenue for the 2018-2019 school year that exceeds \$28,200,969 up to an additional \$4,691,407 million dollars, then the value that exceeds \$28,200,969 up to \$4,691,407 million dollars shall be allocated by the Board consistent with its interests related to Level 1 Board priorities.

If the ongoing new LCFF revenue for the 2018-2019 school year exceeds \$32,892,376, then the value of the ongoing new LCFF revenue for the 2018-2019 school year that exceeds the \$32,892,376 shall be converted into a percentage based upon PSWA's fair share.

The PSWA fair share value of the amount over \$32,892,376 shall be added to the PSWA salary schedule as an ongoing percentage increase. This fair share value shall be prorated if the amount equals less than one percent, based upon the bargaining unit's fair share calculation for a less than one percent increase. This fair share value shall not exceed one percent added to PSWA salary schedule #12 and #13.

All Elk Grove Unified School District (EGUSD) Bargaining Units, including (1.) American Federation of State, County, and Municipal Employees (AFSCME), (2.) Amalgamated Transit Union (ATU), (3.) California School Employees Association (CSEA), (4.) Elk Grove Education Association (EGEA), (5.) Psychologists/Social Workers Association (PSWA), and the (6.) National Union of Health Care Workers (NUHW), collectively referred to as "All Bargaining Units", and the Elk Grove Unified School District (EGUSD or the District), and together all parties are referred to as "the Parties" agree to the following terms and conditions regarding medical benefit premium contributions:

1. The Parties agree that District and all Bargaining Units listed above have participated in the evaluation of Health and Welfare Insurance Plan Providers as participants of the Joint Health Care Coalition (JHCC).
2. The Parties agree that the JHCC has analyzed price, plan design, carriers, utilization, wellness development, and/or any other factor which may have an impact on the health coverage and cost for the District and its employees.
3. The JHCC has determined that there are advantages for District employees to be offered more than two (2) medical benefit insurance plan options including a third low cost and comparable plan.
4. The Parties agree that effective beginning with the 2023 health and welfare benefit plan year to change the current negotiated agreement between the District and All Bargaining Units from an 80%/20% premium share calculation based upon the "low cost plan" offered by the District, to an 80%/20% premium share calculation based upon "an average of all medical benefit insurance plans" offered by the District.

5. The Parties also agree that effective beginning with the 2023 health and welfare benefit plan year that Western Health Advantage, Kaiser Permanente and Sutter Health Plus will be offered to District employees based on the most recent and current proposals submitted by these providers to the JHCC. The Parties acknowledge and agree that the JHCC may recommend, and the District Board of Education may approve changes to medical insurance plan providers, plan options, and the number of medical insurance plan providers offered by the District in the future.

6. Current Maximum Contribution, Low Cost Plan Formula (2022).

The Parties agree that the maximum District contribution toward medical benefit premium costs is currently tied to the "low cost plan". This maximum contribution formula was previously agreed upon by all Bargaining Units and the District and is currently in place during the 2022 medical benefit plan year. The following describes the current 2022 benefit plan year formula based upon the low cost plan:

a. The District's maximum contribution toward medical benefit premium costs is 80% of the premium cost for the low cost medical plan offered by the District. Each Bargaining Unit Member's contribution toward medical benefit premium costs is 20% of the premium cost for the low cost plan medical plan offered by the District. Unit members shall be responsible for the buy up costs related to selecting a medical plan other than the low cost plan.

b. Wellness Rebate Compensation Each unit member who submits to the District an approved Wellness Rebate Form, which verifies that the unit member has satisfied all the Wellness requirements, each year shall receive a Wellness Rebate equal to five percent (5%) of the total premium cost of the low cost plan based upon the subscriber level selected for the year. The value of the five percent (5%) Wellness Rebate Compensation will change each year depending upon the total premium cost of the low cost medical plan provided by the District. The Wellness Rebate Form and associated requirements can be completed and submitted as soon as November 1<sup>st</sup> each calendar year, but no later than the following October in order to receive the rebate for that calendar year (the actual day in November and October may vary slightly year to year and the District may change these deadlines as deemed necessary).

7. New Maximum Contribution, Average of All Plans Offered Formula.

Effective upon (1.) execution of this Agreement by all Bargaining Units and the District and (2.) beginning with the 2023 medical benefit plan year, the Parties agree that the new maximum District contribution toward medical benefit premium costs will be calculated based upon an average of the premium costs for all medical plans instead of based upon the low cost plan.

Effective beginning with the 2023 medical benefit plan year, the Parties agree to the following new maximum contribution levels toward medical benefit premium costs:

- a. The District's maximum contribution toward medical benefit premium costs is 80% of the average cost of the premium costs for all medical plans offered by the District. Each Bargaining Unit member's contribution toward medical benefit premium costs is the difference between the District's contribution of 80% of the average premium cost of the medical plans offered (based on the number of dependents covered and selected by the unit member) and the actual cost of the medical plan premium selected by the unit member.
- b. Wellness Rebate Compensation Each unit member who submits to the District an approved Wellness Rebate Form, which verifies that the unit member has satisfied all of the Wellness requirements, each year shall receive a Wellness Rebate equal to five percent (5%) of the average of the premium costs for all medical plans offered by the District based upon the subscriber level selected for the year. The value of the five percent (5%) Wellness Rebate Compensation will change each year depending upon the average of the premium cost for all medical plans offered by the District. Employees eligible for the Wellness Rebate will only be eligible to receive up to the amount of their contribution of the premium cost paid or the 5% Wellness Rebate amount, whichever is less.
- c. If the District's maximum contribution toward medical benefit premium costs, which is calculated based upon 80% of the average of the premium costs for all medical plans offered by the District, is equal to or exceeds the cost of the premium for the medical benefit plan selected by the employee and which the employee is eligible for, then the District will only be obligated to pay the cost of the premium and the employee will

not be entitled to additional compensation and will not be entitled to the Wellness Rebate.

*For illustration purposes only. The following is based upon an 80% "average of plans" calculation. The numbers used for this illustration do not correlate to actual 2023 premium costs in any way:*

*If for the 2023 medical plan year and for illustration purposes only, the following premiums applied:*

*Kaiser Premium Cost is \$2,000, the Sutter Premium Cost is \$1,750, and the Western Health Advantage Premium Cost is \$1,500, then the average premium cost is \$1,750 ( $\$2,000 + \$1,750 + \$1,500 = \$5,250$  and  $\$5,250 \div 3 = \$1,750$ ).*

*The District's maximum contribution toward medical benefit premium costs is 80% of \$1,750, so the District would pay \$1,400 toward the premium costs. The employee's maximum contribution toward medical benefit premium costs is the difference of the total premium cost of the plan selected by the employee and the District's contribution, so the employee in this illustration would pay \$600, \$350 or \$100 toward the Kaiser, Sutter or WHA premium costs, respectively.*

*To further this illustration, under the current 80/20 low cost plan formula the employee would pay \$800, \$550 or \$300 toward the Kaiser, Sutter or WHA premium costs, respectively. The current 80/20 low cost plan formula would result in the District contributing \$1,200 toward the medical premium (80% of the low cost plan of \$1,500).*

*Under the above scenarios, the "average of plans" calculation results in the District contributing \$1,400 toward employee premium costs as compared to the "low cost" calculations which results in the District contributing \$1,200 toward employee premium costs.*

8. Consistent with this Agreement, the Parties agree to incorporate in their Union's/Association's collective bargaining agreement with the District, the change to the maximum contribution calculations based upon an average of all medical benefits plans' premium costs.
9. Other than the change from the "low cost plan" calculation to the "average of all plans" calculation, the Parties agree that this Agreement makes no other changes to existing previously negotiated employee and District health and welfare benefit medical benefit contributions amounts and terms. The Parties agree that previously negotiated employee and District

contributions toward health and welfare benefits that are not calculated based upon medical benefit premiums amounts shall continue without any change.

10. The Parties agree that, upon agreement and execution of this Agreement by all Bargaining Units and the District, this Tentative Agreement shall take effect.
11. Resolution of Disputes. If there are any issues regarding implementation of this Agreement, the Parties agree to meet and negotiate regarding a resolution to such issues.
12. Non-Precedential. The Parties agree that this Agreement shall not create any past practice or be deemed precedential for any purposes.
