Agreement

1.1 The following contract has been developed and agreed to by the official designees of the Elk Grove Education Association and the Elk Grove Unified School District. The contract has been approved by the Elk Grove Unified School District Board of Trustees, and it becomes, therefore, the official description of the policies, rules and regulations, and supplementary procedures which shall govern the operation of the unit until or unless it is changed individually or collectively by subsequent negotiations and agreement.

1.2 This contract is entered into pursuant to Chapter 10.7, Sections 3540-3549 of the Government Code ("Act").

1.3 The policies and articles referred to herein, constitute binding agreements by and between the Governing Board of the Elk Grove Unified School District ("Board") and the Elk Grove Education Association, the legal representative of certificated employees, except those excluded as per Article 2, Recognition, of this contract.

1.4 The provisions of this contract shall not be interpreted or applied in a manner which is arbitrary, capricious, or discriminatory. Rules which are designed to implement agreements shall be uniform in application and effect.
ARTICLE 2

Recognition

2.1 The Board recognizes the Elk Grove Education Association as the exclusive representative of all certificated employees of the Elk Grove Unified School District including but not limited to Pre-Kindergarten teachers; excluding management, confidential, and supervisory employees as defined in the Act and certificated members of the Psychological Services and Child Welfare and Attendance staffs for the purposes of meeting and negotiating.
ARTICLE 3

Negotiations Procedures

3.101 Names, addresses, and telephone numbers of all district teachers shall be provided to the Association no later than November 15 of each school year.

3.102 Not later than March 1st of the calendar year it expires; the Board's representative shall meet and negotiate in good faith with the Elk Grove Education Association. Any agreement reached between the parties shall be reduced to writing and signed by them.

3.103 The Elk Grove Education Association shall designate not more than eight representatives who shall receive release time to attend negotiations and impasse proceedings.

3.104 Negotiations shall take place at mutually agreeable times and places provided that meetings shall be held within five days from receipt of a written request.

3.105 The Board and the Elk Grove Education Association may discharge their respective duties by means of authorized officers, individuals, representatives, or committees.

3.106 Either party may utilize the services of outside consultants to assist in the negotiations.

3.107 Within sixty (60) days of ratification of agreements by both parties herein, one (1) copy per school shall be prepared and delivered to the Association for distribution to the district schools.

3.108 For the duration of a multiple year contract, both the District and EGEA may each reopen up to two articles (or new topics) annually. In addition, the District and EGEA agree to define problems which need attention and to work toward the resolution of those problems.

3.2 Items to be Negotiated Annually (Including Calendars)

3.201 School calendars shall be negotiated yearly by April 15. Calendars shall include the information listed in Board Policy 6111.

3.202 Staffing ratios for all certificated personnel represented by the Elk Grove Education Association will be reviewed and negotiated annually.
3.3 Policy Development and Review

3.301 The Superintendent is directed to negotiate and/or confer with bargaining unit representatives in suggesting and developing the proposed policies and regulations relating to governing board-teacher-administrator relationships and other matters as provided by law. Such policies will be negotiated or developed through consultation in accordance with California law.

3.302 The district will annually review these articles and will consider suggested revisions or additions which will improve these relationships and promote the educational welfare of the children attending the schools of the district.
ARTICLE 4

Association/Unit Member Rights

4.1 Association Rights

4.101 The Association shall be granted the right to:

a. Contact employees

b. Use school bulletin boards and mail boxes

c. Distribute employee organizational materials

d. Use school facilities for organizational meetings in accordance with procedures and limitations established by the Superintendent in administrative regulations. Materials of the Association that are posted, mailed, or distributed under this policy shall not contain anything obscene or anything which tends to degrade or malign persons or organizations.

e. Use the email system in line with district policy. The District will create designated user groups to facilitate that utilization. EGEA will pay five hundred dollars ($500) annually for costs associated with the creation and updating of lists. It is anticipated the lists of users will be updated by the District at least three times annually. EGEA and the District have collaborated on the development of the EGUSD Email policy.

4.102 The Association may distribute a booklet listing companies, procedures, and facts about tax sheltered annuities. Distribution will be made to all employees.

4.103 All contract amendments are to be presented to the payroll section of the business department.

4.104 Insurance agents are not to contact individual employees at school under any circumstances, including mail, telephone, or personal contacts.

4.105 All questions, comments, etc., by carriers or agents are to be referred to the Elk Grove Education Association. The business office is to be contacted only when absolutely necessary.

They shall have the right to participate through representatives of their own choosing in the presentation of their views to the governing board. (Government Code 3543.5)

4.3 Nondiscrimination

4.301 The governing board shall not discriminate against any employee on the basis of race, color, creed, age, sex, national origin, political affiliation, domicile, martial status, physical disability, membership in an employee organization, or participation in the activities of an employee organization.

4.306 This section shall be subject to the grievance procedure excluding the arbitration step. The Board of Education shall retain the final authority in grievances of this article. This shall not preclude a unit member from seeking resolution of a grievance of this section through other channels open by law.

4.4 Academic Freedom

4.401 The teacher must be free to think and to express ideas, free to select and employ materials and methods of instruction, free from undue pressures of authority, and free to act within his/her professional group, including appropriate methods of student evaluation. Such freedom should be used judiciously and prudently to the end that it promotes the free exercise of intelligence and pupil learning.

4.402 Academic freedom is not an absolute. It must be exercised within the law and the basic ethical responsibilities of the teaching profession. Those responsibilities include:

a. An understanding of our democratic tradition and its methods.

b. A concern for the welfare, growth, maturity, and development of students.

4.502 Employees shall be entitled to full rights of citizenship, and no religious or political activities of any employee or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such employee, providing said activities do not violate any local, state, or federal laws.
ARTICLE 5

5.2 All other rights of management not expressly limited by the clear and explicit language of this Agreement are also expressly reserved to the District.

5.3 The exercise of any right reserved to the District herein in a particular manner or the non-exercise of any such right shall not be deemed a waiver of the District's right or preclude the District from exercising the right in a different manner, nor does the Association waive any rights guaranteed by law.

5.4 The District retains its rights to temporarily amend, modify, or rescind policies and practices referred to in this Agreement in cases of emergency.

5.5 An emergency for the purposes of this Article shall be an act of God, or natural disaster such as, but not limited to earthquakes, floods, severe fires, major attack, plague, or a financial situation equivalent to one or all of the examples above.
5.6 In addition, the declaration of an emergency which temporarily amends, modifies, or rescinds rights guaranteed under this Agreement shall be subject to judicial review.

5.7 The explicit language of the other Articles of this Agreement shall take precedence over this Article in any dispute between the parties as to the violation, implementation, or interpretation of this Agreement.

5.8 Any dispute arising out of or in any way connected with either the existence of or the exercise of any of the reserved rights of the District is not subject to the grievance provisions set forth in Article 7. Pursuant to such authorization, the District shall deduct one-tenth (1/10th) of such dues from the regular salary check of the unit member each month for ten (10) months. Deductions for unit members who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year.

6.202 With respect to all sums deducted by the District pursuant to sections 1 above, for membership dues, the District agrees promptly to remit such monies to the Association accompanied by an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership in the Association, and indicating any changes in personnel from the list previously furnished.

6.203 The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article, and this shall be reciprocal on the District.

ARTICLE 7

Grievance Procedure

7.1 Definitions

7.101 A grievance is a claim that there has been a violation, misinterpretation, or misapplication of this Agreement or any Board Policies as cited in Article 1, Section 1.3.

7.102 A grievant may be any employee covered by the terms of this agreement or the Association.

7.103 A day is any day in which the central administrative office of the Elk Grove Unified School District is open for business.

7.104 The immediate supervisor is the administrator having immediate jurisdiction over the grievant.

7.105 A conferee may be an administrator, district staff member, district counsel, certificated employee counsel, or a representative of the recognized certificated employee organization.

7.2 Timelines

7.201 To ensure the prompt resolution of grievances, specific time limits have been established; however, they may be extended as necessary with the consent of both parties.

7.202 If at any level or step the grievance is not resolved to the satisfaction of the grievant, it may be appealed to the next step in accordance with the established procedure.

7.203 If a grievance is not processed by the supervisor at any step in accordance with the time limits of this article, the grievant may appeal to the next step.

7.204 If a grievance is not processed by the grievant at any step in accordance with the time limits of this article, it shall be deemed withdrawn.

7.3 Informal Level

Before filing a formal written grievance, the grievant shall seek a resolution by an informal conference with the immediate supervisor.
7.4 **Formal Level—Step 1 (Building Level)**

7.401 Within fifteen (15) days after the grievant's awareness of a grievance (but in no case more than 30 days after the violation, misinterpretation, or misapplication of the provisions of this agreement) or the inability of the immediate supervisor and the grievant to work out an informal resolution, the grievant must present his grievance in writing on the appropriate form to the District grievance officer who shall time stamp it and send it to the immediate supervisor, (an example of the form is in Appendix A).

7.402 The statement shall be a clear, concise statement of the grievance and the specific section or sections of the agreement violated; the decision rendered at the informal conference and the suggested remedy sought. The grievance form will be signed by the grievant, the date and time of presentation affixed thereto, and signed as received by the immediate supervisor.

7.403 The immediate supervisor shall communicate a decision to the grievant in writing within ten (10) days after receiving the formal grievance.

7.5 **Formal Level—Step 2 (District Level)**

7.501 In the event the grievant is not satisfied with the decision at Step 1, then within fifteen (15) days of receipt of the decision, an appeal on the appropriate form may be made to the Superintendent or his designee after filing with the District grievance officer.

7.502 This statement shall include a copy of the original grievance, any decision rendered by the immediate supervisor, and a clear concise statement of the reasons for the appeal.

7.503 The Superintendent or designee shall render a written decision within ten (10) days after receiving the appeal. Either the grievant or the Superintendent or designee may request a personal conference within the above time limits.

7.6 **Formal Level—Step 3 (Arbitration)**

7.601 If the grievant is not satisfied with the decision of the Superintendent or designee, then he may, within ten (10) days after receipt of the decision by the Superintendent or designee, file a request in writing that the Association submit his grievance to arbitration after filing with the District grievance officer.

7.602 The Association, by written notice to the Superintendent within fifteen (15) days after receipt of the request from the aggrieved person, may submit the grievance to binding arbitration. 10.201 School facilities shall be available for safe use at least one week prior to the first day of required student attendance.

10.202 Certificated personnel shall not be required to work under unsafe conditions or to perform tasks which endanger their health, safety, or well being.

10.3 Preparation Time

10.301 Each 7-12 regular classroom teacher unit member shall have one preparation period daily. Where this contract provides for preparation time within the instructional day, (Article 8, Section 8.201 e.) rules and regulations will provide for the use of such time.

10.302 Teacher preparation periods will not be available for administrative assignment.

10.303 When modifications in school schedules make classrooms unavailable to teachers, suitable space for preparation and work will be provided.

10.304 Pre-Service Work Day Meetings: Site level administrators will make every attempt to limit large group faculty meetings to four hours during the second pre-service work day. If special circumstances warrant additional meeting time that day, the principal will consult with the staff in an attempt to leave adequate time for individual teacher preparation, grade level and/or department meetings, classroom preparation and other concerns.
10.4  Facilities

10.401  The Board shall provide certificated personnel with:

a. A convenient place in which personal belongings can be secured.

b. Adequate chalkboard/whiteboard space or overhead projection facilities for instruction.

c. Access to basic reference materials.

d. Adequate storage space in each classroom for current instructional materials.

e. Adequate attendance books, paper, pencils, pens, chalk, erasers, and other such materials required in daily teaching responsibility.

10.402  It shall be the purpose of the Board to make available in each school adequate lunchroom, restroom, and lavatory facilities exclusively for personnel use. Provision for such facilities will be made in all future buildings.

10.403  Telephone facilities shall be made available to certificated personnel for school purposes.

10.404  Adequate off-street parking facilities shall be provided and properly maintained and identified as being for use of school personnel.

10.405  The custodial schedule will be designed so that rooms are kept clean. This recognizes that some instructional programs require more custodial time and/or personnel than other instructional programs. Rooms will be cleaned according to need rather than according to the clock.

10.5  Clerical and Bookkeeping Activities

The Board agrees to seek ways which will result in reduction of clerical and bookkeeping activities by certificated personnel.

10.6  School Budget Development

Within the per pupil allowance and existing staff ratios, the District agrees that faculty input must be included in school budgetary development in order to assure that supplies and equipment are provided to prepare instructional materials needed by the staff.

10.7  Severely Handicapped Students

Every effort will be made to balance the number of severely handicapped students who are assigned to general education classrooms for their primary placement among elementary classrooms.
ARTICLE 11
Transfer and Reassignment

11.1 Definitions

11.101 Transfer shall mean a change in the unit member's work location from one school or work site to another school or work site within the District. Such transfer does not include assignment or reassignment of specific positions and responsibilities within the school or department. Unit members assigned to more than one work site shall be considered transferred only when moved from one District-wide program to another. A transfer may be initiated by a unit member (voluntary) or by the District (involuntary).

11.102 Reassignment shall mean a change in the unit member's grade level (PreK-6), department assignments (7-12), or to a different level or content area in a District-based program. (Examples include, but are not limited to reassignments from Literacy Coach to a Math Coach and SCC Integrated to SCC Highly Intensive classes.)

11.103 Downsizing shall mean the reduction of staff at a school site or department based on student enrollment, funding, and/or program changes.

11.104 See Article 22.1903 for Categorical Pre-Kindergarten Teacher transfer provisions.

11.2 Voluntary Transfer

11.201 A unit member may apply for voluntary transfer for any vacancy or new position occurring ten (10) business days prior to the first preservice day on the unit member’s current school site calendar. Business days are defined as days in which the District office is open for business.

11.202 Each voluntary transfer period will have a two-week window and will begin in March, continuing until the last week in May. A schedule of specific dates will be mutually agreed upon by EGEA and EGUSD and distributed to the unit members at least two weeks before the first transfer round starts. These transfer opportunities are open only to probationary/permanent unit members. All site vacancies shall be offered to the site staff before being placed on a transfer round.

Vacancies will be posted along with the transfer application on a Thursday, and a unit member must apply no later than 5 p.m. on the following Tuesday.
Any position that is not selected or filled by an internal candidate may be posted directly for hiring for temporary employees and external candidates. These positions will be reposted in subsequent rounds to which temporary/probationary/permanent employees may apply. The parties understand that based upon the information provided to the District by school sites, the District will make reasonable efforts to report all vacancies.

After the last voluntary transfer round in May, positions will be posted simultaneously for all internal employees and external candidates.

11.203 Interviewed internal transfer applicants shall be notified by email correspondence or by phone regarding their transfer application status.

11.204 Upon written request, the district shall provide a unit member the reasons for not being selected for a position for which he/she specifically applied in writing.

11.205 Required Internal Candidate Percentage

a. The District will make every reasonable effort to offer 50 percent of all full-time openings that are internally posted by the District in each of the following categories: Elementary, Secondary, and Special Education. The 50 percent value shall pertain to teachers who apply for such transfers, and who are qualified and credentialed to teach the posted positions. Any transfer that is offered by the District to a teacher but is declined by a teacher (does not include multiple offers to one candidate), is included in the calculation of the 50 percent of openings offered described in this section.

Two weeks after each transfer round Human Resources will prepare a progress report that will be shared with EGEA regarding the progress toward 50 percent. Processes will be developed by the District to monitor progression to meet the goal of 50 percent internal transfers.

If in two consecutive years, the fifty (50%) threshold is not met or in any single year the rate is forty (40%) percent or below, then EGUSD and EGEA will review processes in order to meet threshold expectations.

b. Definition of Full-Time Opening

The parties agree that “full-time opening” means a 1.0 full time equivalent (FTE) vacancy that results from growth, or a retirement, resignation, or termination from the District. In addition, a “full time opening” includes openings that result from an individual transferring into a position that is vacated due to a retirement, resignation, termination, growth, or transfer.

11.206 Transfer requests will be considered in terms of two criteria:

a. Qualifications of the applicant for the vacancy in terms of credential(s), experience, past evaluations and recommendations.

b. When all other relevant criteria are equal, district-wide seniority.
11.207 No employee shall be directly or indirectly pressured to seek a transfer.

11.208 **Priority Temporary Teachers (Education Code Section 44918©)**

Prior to internal posting of full-time openings in the first transfer round, Temporary Teachers who satisfy the criteria for temporary priority status pursuant to Education Code Section 44918© shall remain at the same school site that they were assigned to during the current school year if an opening is available within their prior teaching experience within the District and their credential authorization.

If there are no open positions available for the priority temporary teacher at their current school site within their prior teaching experience within the District and within their credential authorization, then the District shall assign priority temporaries to vacant positions after non-temporary bargaining unit members have had the opportunity to request transfer during the first three days of the first transfer posting period.

If a Temporary Teacher declines the position described in this section, they are no longer entitled to priority rights pursuant to Education Code section 44918©.

**11.3 Downsizing Due to Staff Reduction**

11.301 When a school site must reduce its staff, the district has the right to transfer unit members, using the following procedure:

a. Volunteers at the school site will be solicited first. If there are more volunteers than downsized positions at a school site, then districtwide seniority will be used to select the volunteer.

b. If there are no volunteers at the school site, the unit member with the least districtwide seniority will be downsized.

c. **Tie-breaking process.** If teachers have the same District seniority date, a downsizing tie-breaking process will be implemented. Tie-breaking for downsizing is done strictly by lottery and is effective only for the applicable school year. This is an annual process that will take place in the Human Resources Department. A representative from EGEA will be present while the tie-breaking process is being facilitated.

The downsizing tie-breaking process is different and separate from the layoff tie-breaking process.

d. Prior to posting the transfers, the process of downsizing will be explained to a school site, department, or program where there may be downsizing. An EGEA Representative and a Human Resources administrator will cooperatively conduct these meetings. The meetings will take place at a mutually agreeable location and time.
11.302 Unit members at school sites, departments, or programs being considered for involuntary transfer under this section shall be provided a communication which will include the downsizing procedures and a list of existing vacancies. Unit members have the right to indicate in writing their preference(s). Unit members may contact site administrators where there are openings to gather information about the site and/or the position.

Placement of unit members from the pool of all downsized sites shall be done by Human Resources based on district-wide seniority and teacher preference. In the case where district seniority is equal, then prior experience of the applicants may be considered.

In unique situations, the District may consider other factors including experience and/or extenuating circumstances regardless of seniority. In these cases, the District will consult with EGEA prior to making the placement decision.

Section 11.401(a) volunteers have the right to decline a placement offer and retain their tentative assignment position at their school site.

When the least senior unit member is downsized, the unit member has no right to decline the placement.

11.303 Downsizing shall not be punitive or disciplinary in purpose.

11.304 If a position opens at the downsized site at least ten (10) business days prior to the first pre-service day on the unit member’s current school site calendar, then individuals who were downsized shall be offered the opportunity to return to the school site to the open position in order of district seniority. The affected unit member shall have 24 hours to make a decision regarding the offered position. The District will make an effort to contact the affected unit members by email and/or telephone.

11.305 The initial downsize process will be completed prior to the voluntary transfer process. Placement of all downsized unit members should be completed before the first round of transfers, when possible.

When downsizing occurs during a school year, teachers shall receive two (2) release days for site movement, transition, preparation, and planning prior to first student day.

11.306 Year-Round Involuntary Track Changes. If a Year-Round involuntary track change must be made, the following downsizing rules apply:

a. Each track is treated as a school of its own.

b. Volunteers from all grades on the impacted track shall be solicited.

c. If no volunteers come forward, then the member with the least District seniority on that track will be transferred into an open position on another track. If more than one track has an open position, this teacher shall have the right to choose their track.
d. If an opening occurs on the downsized track before the school year starts, the position shall first be offered to the individuals who were involuntarily reassigned based on district seniority.

e. The decision shall be made in a timely manner.

f. Individuals who are assigned to a cross track position at the school site, and who are involuntarily reassigned back to a classroom, shall have the ability to select a track based on open positions. If there are multiple cross track members involuntarily returning to the classroom, district seniority shall be used in the track selection. District seniority and tie-breaking rules shall apply as needed. This process should occur before tentative assignments are given to the site staff, if possible.

11.4 Involuntary Transfers Due to Administrative Necessity

11.401 Transfers for administrative necessity shall be recommended to the Chief Human Resources Officer by the site principal or program administrator. The reasons for such transfer shall be delineated in writing by the site principal or program administrator and delivered to the Chief Human Resources Officer who shall provide a copy to the affected unit member.

11.402 Unit members being considered for administrative involuntary transfer under this section shall be provided a list of vacancies, if more than one exists, and have the right to indicate, in writing, a preference. If there is only one vacancy, the unit member will be placed in the vacancy. The District will consider the unit member’s preference in making the placement.

11.403 When employees are transferred under this section, the District will consult with the Association prior to making the final decision on the transfer and/or possible remediation. The consultation will be designed to allow for meaningful input to the District concerning the actual necessity for the transfer. Affected employees shall be given the reasons for such transfers in writing.

11.404 When an involuntary transfer due to administrative necessity occurs during a school year, teachers shall receive two (2) release days for site movement, transition, preparation, and planning prior to first student day.

11.5 Transfers—Staffing a New School Pilot for 2022-23

The Parties agree to Pilot this new section 11.6 regarding the transfer process for staffing new schools for the 2022-23 school year. The Parties agree to meet and confer if any issues arise and to review the implementation of this Pilot agreement. The terms of this Pilot agreement regarding section 11.6 shall expire on June 30, 2022, unless negotiated otherwise. Effective July 1, 2022, the parties agree that unless otherwise agreed, that the language in section 11.6 existing prior to this Pilot agreement shall apply.
11.501 In determining which currently employed staff will be transferred to staff a new school, the primary consideration will be to establish and/or maintain:

a. Total staffs in each school whose teaching competencies, experience, credentials, and extra-curricular expertise fit the needs of the student population.

11.502 Within the limits prescribed above, teacher preferences for assignment and school location will be taken into account.

11.503 The new school staffing process will begin prior to winter break and prior to downsizing. A list of 50% of all projected positions by grade level/department/program at the new school will be made available to all unit members for purposes of the new school staffing transfer process.

11.504 The percentage of teachers permitted to voluntarily transfer from any existing school site to another new (newly opened) school site each school year shall not exceed 25% of that existing school site’s staff during this initial new school voluntary transfer process and the regular voluntary transfer process that follows downsizing.

11.505 The number of unit members who voluntarily transfer through this new school voluntary transfer process will be calculated as a part of the internal candidate percentage in Article 11.205.

11.6 Reassignment

11.601 Prior to making tentative assignments, the site and/or program administrator shall solicit unit member’s interests for assignments for the following year using a standardized interest form.

a. To the extent possible, the site or program administrator will notify staff of tentative assignments prior to commencement of downsizing.

b. When applicable and to the extent possible, tentative assignments shall be specific to grade level, track, content area, program level, and sites.

c. Open positions on school sites or District-based programs shall be made known to staff to afford them the opportunity to request reassignment. First consideration shall be given for these open positions to existing staff members.

11.602 Such requests for reassignment shall be considered in terms of the following criteria:

a. Qualifications of the unit member for the vacancy in terms of credential(s), experience, past evaluations, and recommendations.

b. When all other relevant criteria are equal, district-wide seniority.
11.603 When a reassignment request does not result in the requested reassignment, the employee shall be provided the reasons in writing upon written request.

11.604 Unit members shall be given a written explanation of the reasons for a reassignment, that was not requested by the unit member, upon written request. Unit members shall have the right to request a reassignment.

11.605 Unrequested reassignment during the school year shall be preceded by one (1) working day for preparation and lesson planning.

   a. Elementary. In Elementary, a unit member in an unrequested reassignment during the school year shall be provided with one (1) release day for preparation and lesson planning if the change does not involve moving. If the unrequested reassignment requires that the unit member to change classrooms on the same site, then two (2) release days will be provided. An unrequested reassignment does not include the dissolution of a combination (Combo) class. For illustrative purposes, the dissolution of a 2nd/3rd grade Combo class to a 3rd grade class.

   b. Secondary. In Secondary, a unit member in an unrequested reassignment during the school year that requires preparation for a new course not already being taught by the unit member (“new prep”) shall be provided with one (1) release day for preparation and lesson planning. If the unrequested reassignment requires that the unit member change classrooms, then two (2) release days will be provided.

   This does not include the addition of an overload assignment.

11.606 Reassignment shall not be punitive or disciplinary in nature.

11.7 Schools Transitioning to Year-Round Calendar

When a school site moves from a Traditional or Modified Traditional calendar to a Year-Round calendar, the following process shall be used:

   a. Teachers shall receive their tentative grade level assignments as soon as possible for the following school year.

   b. Once tentative assignments have been given, grade levels shall attempt to determine track assignments amongst themselves.

   c. In the case where agreements cannot be reached by grade levels, tracks shall be selected by District seniority. Any ties in District seniority at the grade level shall use the standard tie-breaking process employed by Human Resources. The tiebreaker can be conducted at the school site by the site administrator with an EGEA representative present. Impacted teachers may also be present if they so choose.
ARTICLE 12

Personnel Records

12.1 Content

12.101 Personnel records shall be kept on all current employees and shall include the following:

a. Certification status

b. Evaluations

c. Changes of status

d. Other related materials

e. A separate folder containing each employee's salary information shall be retained in the payroll department

f. A file shall be kept of the records of all resigned and retired employees

12.102 An employee of the district shall have the right to review the contents of his/her own personnel files maintained in the district's central Human Resources Department or the office of the principal. A designated employee organization representative may, at the certificated employee's request, accompany him/her in this review.

12.103 A certificated employee shall be provided a copy of all material before it is placed in his/her personnel file. He/she shall also be given an opportunity to initial and date the material and to prepare a written response to such materials within ten (10) working days of receipt of the materials. The person or persons who draft and/or place material in a certificated employee's personnel file shall sign the material and signify the date on which such material was drafted and placed in the file. The written response shall be attached to the material.

12.104 Any negative comment regarding certificated employee performance shall be placed in the certificated employee's file on or before the evaluation following the incident giving rise to the comment.

12.2 Access

12.201 Access to personnel files shall be limited to the members of the Management Team on a need to know basis. The contents of all personnel files shall be kept in the strictest confidence.
12.202 All personnel files will be considered confidential and will not be available to persons other than the employee and those authorized by the Superintendent as specified in the rules and regulations.

12.203 All written materials files (except for those prohibited by law) shall be available for inspection by the employee involved in the presence of an administrator by appointment.

12.204 The administration shall keep a log indicating the persons who have requested to examine a personnel file as well as the dates the requests were made. Such log shall be available for examination by the certificated employee organization representative, if so authorized by the certificated employee.

12.3 Retired Employees

A file shall be kept for all resigned or retired employees, including such essential information as shall seem appropriate to the administration.
ARTICLE 13

Certificated Personnel Evaluation

13.1 Purpose

13.101 The purpose of evaluation is the improvement of the instructional program and services and thereby the improvement of the quality of education for children, youth, and adults, as well as compliance with the Education Code.

13.102 Evaluation shall be a comprehensive one based upon a district-wide statement of philosophy and goals and standards of expected progress. The program will be uniform throughout the district.

13.103 Evaluation and assessment shall apply to all unit members.

13.104 Evaluation and assessment of professional personnel under this program shall be a continuous, year-round process. A copy of the district calendar and schedule for the evaluation of teachers shall be posted on the faculty bulletin board of each school within three (3) weeks of the first day of student attendance of each year. This calendar shall not be changed during the school year of its posting.

13.2 Criteria

Evaluation and assessment of the competence of certificated personnel under this program shall include but shall not be limited to consideration of (a) the progress of pupils toward established standards of expected achievement, (b) the instructional techniques and strategies used by the employee, (c) the employee's adherence to curricular objectives, and (d) evidence regarding proper control and the preservation of suitable learning environment. Appropriate forms shall be developed for the collection of data pertaining to the factors herein specified.

13.201 The District and EGEA agree to incorporate the California Standards for the Teaching Profession into the Evaluation forms beginning July 1, 2002.

13.3 Procedure

13.301 Procedures for the evaluation and assessment of certificated personnel may involve more than one evaluator. However, one person shall be designated as the evaluator with responsibility for making the summary assessment report in writing and submitting a copy to the certificated person assessed.

The evaluator making the actual report shall arrange a conference before the end of the school year with the person evaluated to discuss the evaluation. He/she shall then file in the records of the evaluatee a statement regarding the conference with a copy of the written assessment and any written response the evaluatee may wish to submit. The certificated employee may submit a written response within fifteen (15) working days of receipt of the evaluation.
13.302 Each person evaluated shall have the opportunity to participate in the setting of the specific objectives and achievement appraisal in light of which he/she will be assessed.

13.303 An evaluator shall meet with the evaluatee, at the evaluatee's request, concerning the desired outcome of the specific educational setting to be evaluated.

13.304 Written evaluations and the summary assessment report of such certificated employee shall include descriptions of unsatisfactory performance, if any, with specific recommendations for means of improvement. The evaluator shall thereafter confer with the employee and endeavor to assist the employee in areas of unsatisfactory performance. A record of such conferences shall be prepared by the evaluator for the file of the evaluatee and a copy submitted to the employee. An employee may elect to include a unit member at a second and succeeding evaluation conference if the first evaluation conference is unsatisfactory to the evaluatee.

13.305 Attention is called to specific provisions of the statute not repeated herein: written evaluations and assessments shall be transmitted to the employee not later than thirty (30) days before the last school day on the school calendar in which it takes place; a written assessment of probationary personnel shall be made at least once each school year and at least once every other year for personnel with permanent status, and at least every five (5) years for personnel with permanent status who have been employed at least ten (10) years with the school district, are highly qualified, as defined in 20 U.S.C. Sec. 7801, and whose previous evaluations rated the employee as meeting or exceeding standards, if the evaluator and certificated employee being evaluated agree. The certificated employee or the evaluator may withdraw consent at any time.

13.306 The forms and procedures for evaluation shall be developed in accord with the above. A common evaluation form will be developed which will recognize the diverse responsibilities of the various classes of certificated personnel. These forms shall be developed by the district in consultation with the Association.

13.4 Scope

13.401 The evaluator and the evaluatee will each select one standard from the California Standards for the Teaching Profession (CSTP) for focus in the evaluation.

13.402 These predetermined areas of focus will contain the most in-depth analysis.

13.403 The evaluation will be limited to evaluative judgments (e.g. “meet or does not meet standard”) for only those two selected CSTP’s, and the overall summative evaluation will be based upon only those two selected standards.
13.404 If the evaluator determines there is an additional issue that in his or her sole judgment requires an additional CSTP to be evaluated, the evaluator upon notice to the evaluate may add one additional CSTP. Such notice shall either be in writing or via email to the evaluatee’s district email address delivered prior to the close of business on the last school day before Winter Break for that site or program, regardless of the track or work calendar of the evaluatee. In this case, each of the three CSTP’s may then contain evaluative comments, and the summary evaluation shall then be based upon the three selected CSTP’s.

13.405 At the end of a 5-year evaluation cycle, evaluative judgments (meets and exceeds or does not meet) may be made, in up to six CSTP’s, in addition to the summative evaluation with an emphasis on the two standards.

13.406 Early termination of the 5 year cycle because of an administrator concern will activate the rules governing the two year cycle.

13.407 The evaluator is not in any way limited or restricted from making comments, offering evidence or stating the impact resulting from the evaluatee’s need for improvement, calling attention to deficiencies in practices or performance, or from making any other comments in the CSTP’s not selected for evaluation. However, the evaluator is precluded from making evaluative judgments (e.g. “met or did not meet standard”) regarding those CSTP’s.

13.408 Work plans shall be derived from the CSTP’s being evaluated. However, a work plan for one or more CSTP’s does not limit or prevent the evaluator from selecting different CSTP’s in a subsequent year’s evaluation. Work plans may have requirements regarding remediation activities in the year or years following an evaluation and the activities specified are independent of the standards selected from the subsequent evaluation.

13.409 The current evaluation form shall be modified by the addition of a summative check box that states, “If concerns exist regarding standards other than those being evaluated – Evaluation in all six standards may be required next year”.

13.410 The provisions in Section 13.4, titled “Scope”, apply to permanent (tenured) teachers only.

13.411 Probationary temporary staff will be evaluated in all six CSTP areas.

13.412 Evaluation documents and job descriptions will be modified based upon adopted changes to the California Standards for the Teaching Profession.

13.5 Grievance

Grievances pertaining to this article shall be limited to the procedures herein.
ARTICLE 14

Hiring Ratio

14.1 **K-6 Hiring Ratio**

14.101 The hiring ratio of grades K-6 shall be at most 28:1.

14.102 The total teacher time will be allocated to school staffs by dividing the projected enrollment by 28. The resulting personnel allocation will be deployed by each school principal in consultation with the school staff in order best to meet the specific instructional needs of that school's students while providing as nearly equivalent total work loads as possible for the staff.

14.103 Class Size Reduction in Grades K-3. The District and EGEA acknowledge the desirability of lower class sizes and want to participate in the State incentive program at grades Kindergarten through third grade (as allowed by State Law).

14.104 All elementary schools will have 4-6 CSR of 26:1 plus one Computer Resource Teacher per school site, to be implemented by July 1, 2006.

14.2 **Hiring Ratio**

14.201 The hiring ratio of grades 7-12 shall be at most 32:1.

14.202 In addition to the regular hiring ratio at the middle schools, there shall be one FTE for the Results program; and in addition to the regular hiring ratio at the comprehensive high schools, there shall be two FTE for the Results program.

14.203 The Results program shall be restricted to the following core academic areas—Mathematics, English, Social Science, and Science. These funds can be used to enhance the numbers of sections offered for specialized low enrollment classes designed to improve the substandard performance of students who most need assistance and/or improve opportunities for students to take accelerated courses.

14.3 **Safety and Learning Variables**

14.301 Safety and learning variables associated with classroom organization shall be considered in the assignment pattern for class size.
ARTICLE 15

Teacher Safety

15.1 Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety, or well being. Employees shall not be required to intercede in altercations at school related public events under circumstances that would be likely to cause serious risk of bodily harm.

15.2 An employee may use reasonable force as is necessary to protect himself/herself from attack, to protect another person or property, to quell a disturbance threatening physical injury to others, or to obtain possession of weapons or other dangerous objects upon the person or within control of a pupil.

15.3 Employees shall immediately report cases of assault suffered by them in connection with their employment to their principal or other immediate superior and to local law enforcement agencies. Such notification shall be immediately forwarded to the Superintendent who shall report it to law enforcement and who shall comply with any reasonable request from the employee for information in the possession of the Superintendent relating to the incident or the persons involved, and shall act in appropriate ways as liaison between the employee, the police, and the courts.

15.4 If criminal or civil proceedings are brought against an employee alleging that he/she committed an assault in connection with his/her employment, such employee may request the district to furnish legal counsel to defend him/her in any civil action or proceeding brought against him/her, within the limits set by law.
ARTICLE 16

Complaints

16.1 Purpose

16.101 Expressing its faith in the competence of the district's personnel, it is the policy of the Elk Grove Unified School District to maintain the highest quality of education and to encourage free and open communication from individuals or groups within the community regarding compliments, suggestions, and complaints about any part of the school program or any employee of the school district.

16.102 Members of the community will be encouraged to register such communication with the appropriate office. However, this is not to be construed as inhibiting anyone's right to contact board members directly. The board member shall direct the individual to the appropriate office.

16.103 The Superintendent shall develop administrative procedures in support of these policies and take appropriate action to communicate board policy and procedures to the entire community.

16.2 Complaints About Materials

16.201 Citizens of the school community may register their criticism with the school authorities. All criticism must be presented in writing on the district form.

16.202 Questioned material shall not be removed from student use until the committee has reached a decision unless the principal believes the materials are inappropriate for usage pending committee determination.

16.203 A district committee will evaluate the materials being questioned and make recommendations concerning it. Membership in the district committee to handle challenged or questioned materials will consist of the administrator involved, the librarian involved, a parent representative, the department head, or another classroom teacher and the district multi-media person.

16.204 Review of questioned materials should be treated objectively, unemotionally, and as an important routine action. Every effort should be made to meet with those persons or groups questioning school materials to consider their objections, keeping in mind the best interests of the students, the community, the school and the curriculum, and to bring about a meeting of minds of the question under consideration.

16.205 The report of the committee should be completed as rapidly as possible. The committee's recommendation shall be sent in writing to the complainant.
16.206 The school authorities may call in representative citizens of the community or the school for consultation.

16.207 In the event that satisfaction is not reached, the complainant has the right to go before the Board of Education.

16.3 Complaints About Personnel

16.301 The normal channel for complaints concerning school personnel shall be from complainant to employee to principal to Superintendent to Governing Board. Every effort will be made to satisfy the complainant at the earliest possible stage. Complaints not resolved at the point of origin must be submitted in writing before further processing.

16.302 The district administration shall cooperate with the complainant and aid in the preparation of any formal complaint, so as to quickly and easily meet the informational requirements of these rules. Copies of these rules regarding the submission and handling of all such complaints shall be made freely available.

16.303 Whenever a complaint is made directly to the Governing Board as a whole or to the Governing Board member as an individual, it shall be referred to the Superintendent who will request a written statement of the complaint from the complainant as a basis for study and possible solutions. The individual employee involved shall receive a copy of the complaint and shall be given every opportunity for explanation, comment, and presentation of the facts as he/she sees them.

16.304 If it appears necessary, the Superintendent, the person who made the complaint, or the employee involved may request an executive session of the Governing Board for the purposes of fuller study and a decision by this body. The employee may request that the matter be heard in public. All parties involved, including the school administration, shall be asked to attend such a meeting for the purposes of presenting facts, making explanations, and/or clarifying the issues. (Gov. Code 54957)

16.305 No hearing (subject to the exception in 16.305), whether in executive session or in public, shall be held by the Governing Board on such a complaint without the Governing Board and the employee(s) first having received from the Superintendent his written report concerning such complaint, such report to include but not be limited to the following:

a. The name of each employee involved.

b. A brief but specific summary of the nature of the complaint and the facts surrounding same, sufficient to inform the Governing Board and the employee as to the precise nature of the complaint, and to allow the employee to prepare a defense.

c. A true copy or the signed original of the complaint, itself.
d. A summary of the action taken by the Superintendent in connection with the complaint, which summary shall include his specific finding that effective disposition at the Superintendent's level is infeasible, and the reasons thereof.

16.306 Notwithstanding the provisions of Section 16.304 above, any written complaint forwarded to the Governing Board, whether by the district administration or otherwise, which meets the informational requirements of the above sections, and which further contains within it specific allegations of (a) prior submission of the complaint in the same or similar form to the Superintendent, and (b) the failure or refusal of the Superintendent to effectively dispose of the complaint, shall, subject to Governing Board agenda requirements, be heard by the Governing Board at its next regularly scheduled session or any session scheduled for the purpose of such hearing.

The parties agree that it is within the District’s discretion to approve leaves that are submitted after February 1st. If February 1st falls on a non-work day, this deadline shall be on the workday preceding February 1st.

18.3 Sick Leave

18.301 The definition of immediate family for purposes of 18.301 sick leave and bereavement leave only shall include a non-registered domestic partner designated by the unit member. Non-registered domestic partner status does not qualify for eligibility for health and welfare benefits.

In general, a non-registered domestic partnership has the following criteria:

1. The partners have a committed relationship which has existed for at least one year; and
2. The partners both reside at the same address; and
3. The unit member certifies to the District that this information is true and correct at the time that the unit member requests the sick leave or bereavement leave.

Full-time unit members shall be entitled to leave of absence for illness, accident, quarantine, injury, diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee’s spouse, child, parent or domestic partner who is ill, or if they are victims of domestic violence, sexual assault, or stalking at full pay at the rate of one (1) day per working month. In no case shall the amount be less than ten (10) days for full-time ten (10) month employees, available on the first day of the fiscal or school year, whichever is applicable. Any unused portion of the earned annual sick leave shall be accumulated without limit and transferable from district to district.

18.302 Part-time unit members under contract shall be entitled to sick leave in the ratio that their service bears to full-time service.
18.303  Summer school, extended school year special education and intersession unit members can earn non-accumulative sick leave at the rate of one (1) day per month. Sick leave earned shall apply only to teaching summer session and may not be used during the regular school year, nor shall sick leave earned during the regular year or through adult teaching be used during summer session teaching.

18.304  A unit member who resigns and is re-employed within thirty-nine (39) months shall have reinstated all unused sick leave credit existing at the time of resignation.

18.305  While on paid or unpaid leave of absence, a unit member shall maintain, but not add to, any sick leave credit accumulated prior to such leave.

18.306  Partial days leaves including Sick Leave and Personal Necessity Leave shall be docked based on a half (0.5) hourly basis and not by half day/full day. Any Sick Leave docking shall be in increments of 30 minutes.

(Note: For example, if a certificated employee misses three (3) hours of the day, they will be docked three (3) hours of Sick Leave. If a certificated employee misses 3 hours 10 minutes, they will be docked 3.5 hours Sick Leave.

18.4  Extended Illness Leave

18.401  A partially paid leave shall be granted, after all earned sick leave days at full pay have been used and additional absence from his/her duties due to illness or accident is necessary for a period of five (5) school months or less, whether or not the absence rises out of or in the course of the employment of the unit member.

18.402  The amount deducted from the salary due him/her for any month in which the absence occurs shall be the daily substitute rate for the first twenty (20) days and the long-term substitute rate thereafter. A doctor's certification of the necessity of this leave may be required.

18.5  Personal Necessity Leave

18.501  Up to ten (10) days of leave of absence for illness or injury may be used for personal necessity. Effective beginning retroactively to January 1, 2018, up to three (3) of those ten days of personal necessity may be used for matters of personal importance.

18.502  Advance permission shall not be required for any of the following purposes, except for Sections 4, 5 and 8, when more than five consecutive personal necessity days are needed. In these cases, prior approval from Human Resources is required.

(1) Death or serious illness of a member of his or her immediate family, close friends or relatives other than immediate family;
(2) Accident, involving his or her person or property, or the person or property of a member of his or her immediate family, close friends, or relatives other than members of the immediate family;

(9) Matters of personal importance (A maximum of three days per year).

18.503 The personal necessity days may not be taken to vacation, to extend holidays, nor to engage in concerted activities. The days are deducted from the employee’s sick leave bank and are not in addition to the current contribution of ten (10) days annually.

18.504 The district may require appropriate written verification and/or documentation that this leave was taken for the purposes described in this article.

An employee must be notified of any docking of pay related to sick leave or personal necessity and must be given the opportunity to appeal that decision to Human Resources before the docking takes place.

18.6 Long Term Leave

Unpaid long-term leaves for personal reasons, in excess of ten (10) days, may be granted. The deadline for a unit member to submit a request for a full or partial unpaid long-term leave for personal reasons or an extension to such leave shall be February 1st of each school year for the following school year.
18.7 **Bereavement Leave**

Unit members shall be granted three (3) days paid leave of absence on account of death of any member of his/her immediate family, which includes children, parents, grandparents, grandchildren, or siblings of the employee’s spouse or registered domestic partner consistent with the Section 18.104 definition of “immediate family” and five (5) days if out-of-state travel is required. Three (3) days of paid bereavement leave shall be available for unit members who experience a miscarriage. If the loss is of a spouse or a child, including stillbirth, unit members shall be granted ten (10) days of bereavement leave. Prior approval is not required.

Both parents may utilize bereavement leave for purposes of miscarriage and stillbirth. For purposes of this bereavement leave section the Centers for Disease Control and Prevention’s (CDC’s) definition of miscarriage and stillbirth shall apply.

Bereavement Leave days shall not be deducted from the sick leave balance.

18.8 **Imminence of Death Leave**

18.801 A partially paid leave not to exceed fifteen (15) days may be granted for a doctor certified critical or terminal illness of a member of the immediate family.

18.802 The cost of a substitute will be deducted from the employee's salary warrant.

18.903 A unit member elected to a public office may be granted an unpaid leave of absence for his/her term or terms of office.

18.904 A unit member who postpones jury duty during contractual work days, to serve on non-contract work days, shall receive the tier one substitute rate per day of jury service on non-contract work days. Official verification of jury duty and a copy of the original jury summons verifying that original jury duty was scheduled during contractual work days shall be provided to the Human Resources Department.

18.10 **Industrial Accident and Illness Leave**

18.1001 Pursuant to the provisions of California Education Code Section 44984, a unit member who has been continuously employed in the Elk Grove Unified School District shall be provided a partially paid leave of absence for industrial accident or illness under the following rules and regulations listed below.
18.1002 The accident or illness must have arisen out of and in the course of the employment of the employee and must be accepted as a bona fide injury or illness arising out of and in the course of employment by the State Compensation Insurance Fund.

18.1003 Allowable leave for each industrial accident or illness shall be for the number of days of temporary disability but may not exceed sixty (60) working days in any one (1) year.

18.1004 Allowable leave shall not be accumulated from year to year.

18.1005 The leave under these rules and regulations shall commence on the first day of the absence.

18.1006 Industrial accident or illness leave shall be reduced by one (1) day for each day of authorized absence regardless of a temporary disability indemnity award.

18.1007 When an industrial accident or illness leave overlaps into the next fiscal year, the employee shall be entitled to only the amount of unused leave due him/her for the same illness or injury.

18.1008 When a person is absent from his/her duties on account of industrial accident or illness, he/she shall be paid such portion of the salary due him/her for any month in which absence occurs, as when added to his/her temporary disability indemnity under Division 4 or Division 4.5 of the Labor Code, will result in a payment to him/her of not more than his/her full salary. During any paid leave of absence, the employee shall endorse to the district the temporary disability indemnity check received on account of his/her industrial accident or illness. The district, in turn, shall issue the employee appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement and other authorized contributions.

18.1009 The benefits provided by these rules and regulations shall be applicable to all employees immediately upon becoming an employee of the district.

18.1010 Any employee receiving benefits as a result of these rules and regulations shall, during period of injury or illness, remain within the State of California unless the Governing Board authorizes travel outside the state.

18.1011 Upon termination of the industrial accident or illness leave, the employee shall be entitled to the benefits provided for sick leave (Education Code Sections 44977, 44978, 44983) and his/her absence for such purpose.

18.11 Pregnancy Disability

18.1101 During that period of time during which a unit member is physically disabled and unable to perform their regular duties due to pregnancy, miscarriage, childbirth and/or recovery there from, such full-time unit member shall be granted up to 20 work days of fully Paid Pregnancy Disability leave, prorated for less than full-time unit members, consistent with the following.
a. Paid Pregnancy Disability Leave is only available for use during the period of the unit member’s pregnancy-related disability, to be used beginning on the first day of the unit member’s pregnancy-related disability and shall be used first prior to sick leave use, and will not be accrued and will not be coordinated with other leaves for any for other purposes. Pregnancy Disability Leave shall not be used for medical appointments that are pregnancy-related appointments.

b. To be eligible for this Paid Pregnancy Disability Leave, the unit member is required to submit signed medical documentation from a licensed physician to Human Resources specifying that the unit member has a pregnancy-related disability and the estimated amount of time off the unit member requires as a result of the pregnancy related disability.

c. Upon receipt by Human Resources of the signed medical documentation from a licensed physician specifying that the unit member has a pregnancy-related disability the unit member shall be entitled to use this Paid Pregnancy Disability Leave prior to utilizing the unit member’s accrued and unused sick leave.

18.1102 Utilization of Differential Leave: After pregnant unit member has exhausted their sick leave, they will be entitled to use five (5) months of differential leave pursuant to Education Code 44977, because of pregnancy, miscarriage, childbirth and recovery therefrom. This differential leave for pregnancy, miscarriage, childbirth and recovery therefrom does not create a new five month differential leave allowance. More specifically, if the unit member has already used all or some of the five months of differential leave set forth in Article 18.4 above, and then is absent because of pregnancy, miscarriage, childbirth and recovery therefrom, the unit member is not entitled to more than a total of five months of differential leave in that school year.

After a unit member has exhausted all parental, sick, and differential leave, any additional leave taken after that point for pregnancy, miscarriage or recovery shall be unpaid. This unpaid leave shall not exceed one (1) calendar year including the paid leave time, which was already exhausted.

18.12 Parental Leave

18.1201 A unit member shall be granted, upon request, up to four (4) days of paid leave to be taken at the birth, adoption or initiation of foster care of his/her child. These days may be taken at the time of delivery of the child, receipt of the adoptive or foster child and/or at the time the mother and child leave the hospital. The leave shall be deducted from sick leave.
18.1202 Child Bonding Leave: Consistent with Education Code Section 44977.5, California Family Rights Act ("CFRA") qualified unit members may choose to take up to 12 workweeks of child-bonding leave under the CFRA. Unit members have the option to utilize sick leave and parental leave granted pursuant to Article 18.1201 and have it applied towards these 12 workweeks of child-bonding leave until all sick leave is exhausted. Thereafter, the unit member may use differential leave for the balance of the bonding period up to 12 workweeks. A work week is any week in which the school is open for three (3) or more days.

The law regarding the coordination of Section 44977 and Section 44977.5 differential leaves is not clear. Accordingly, the District and EGEA agree to meet and negotiate if AB 375 is amended, or if an issue arises regarding the coordination of Education Code section 44977 and Section 44977.5.

Eligibility and use of Section 44977.5 differential leave is independent from the eligibility and use of Section 44977 differential leave.

18.1203 Requests for the above leaves shall be submitted to the Human Resources Department at least four (4) weeks prior to the anticipated date on which the leave is to commence.

18.13 Child Rearing Leave

A unit member who is a natural, adopting, or foster parent may be granted an unpaid leave for child rearing which shall not exceed one (1) calendar year. Requests for such leave shall be made to the Human Resources Department at least eight (8) weeks prior to the anticipated date on which the leave is to commence.

18.14 Family and Medical Leave

18.1401 LENGTH OF LEAVE ENTITLEMENT: An eligible employee is entitled to a total of 12 workweeks of leave during any 12-month period. Entitlement to leave for the birth or placement of a child for adoption or foster care expires 12 months after the birth or placement.

The 12-month period is measured backward from the date of leave use. All leave usage which qualified under the terms of the FMLA leave shall be counted towards the available 12 workweeks within a 12-month period, including intermittent and reduced workload leaves.

Reduced workload leave entitlement is calculated on cumulative hours of leave taken, up to the number of hours equivalent to 12 times the number of hours normally worked weekly.

18.1402 LENGTH OF EMPLOYMENT ELIGIBILITY: Any employee who has been employed for at least 12 months AND who has been in paid status consistent with Section 18.101 for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave is eligible for Family Medical Leave.
ELIGIBLE PURPOSES: Leaves for any of the following purposes qualify for Family Medical Leave.

1. The birth of a child of an employee, and to care for a newborn;

2. The placement of a child with an employee in connection with adoption or foster care of a child by an employee;

3. Leave to care for a child, parent, or spouse who has a serious health condition; or

4. Leave because of serious health condition that makes the employee unable to perform the essential functions of his/her position.

Both father and mother may take leave for the birth, or placement for adoption or foster care, of a child. In addition, an expectant mother may be entitled to leave prior to the birth of a child for prenatal care purposes if her condition makes her unable to work. Circumstances may also require leave prior to the actual placement of a child for adoption or foster care. For example, to attend counseling session, appear in court or consult with his/her attorney in connection with the placement of a child.

If both parents are employed by the District, the aggregate number of workweeks of leave to which both are entitled is limited to 12 workweeks during any one fiscal year for the birth or placement for adoption or foster care of the employees' child, or to care for a parent with a serious health condition. This limitation does not apply to leave taken by either parent to care for the other who is seriously ill and unable to work, to care for a child with a serious health condition, or for his or her own serious illness.

Leave to care for a family member includes both physical and psychological care, including providing comfort and reassurance which would be beneficial to a seriously ill child or parent receiving inpatient care; or making arrangements for third-party care of a family member.

A "serious health condition" includes an illness, injury, impairment, or physical or mental condition that involves:

1. Any period of incapacity or treatment in connection with a hospital, hospice or residential medical care facility;

2. Any period of incapacity requiring absence from work, school or regular daily activities of more than three calendar days, that also involved continuing treatment by (or under the supervision of) a health care provider;

3. Continuing treatment by a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days or for prenatal care; or
4. Continuing supervision by a health care provider when the parent, child, spouse or employee are severely ill but may not be receiving continuing active care or treatment (e.g., when suffering from Alzheimer's, late stages of cancer or a severe stroke).

"Continuing treatments" include:

a. Two or more visits to a health care provider;

b. Two or more treatment by a health care practitioner (e.g., physical therapist) on referral from, or under the direction, of a health care provider; or

c. A single visit to a health care provider that results in a regimen of continuing treatment under the supervision of the health care provider (e.g., medication therapy).

Intermittent leave or reduced work schedule leaves may be allowed when the absence required is not due to a condition that is incapacitating at that point in time (e.g., appointments for cancer treatments, physical therapy, prenatal care). When leave is taken because of the birth or the placement of a child for adoption or foster care, intermittent leave or reduced workload schedule will not be approved if the intermittent leave or reduced workload schedule will adversely impact the office or department of the employee.

If an employee requests intermittent leave or reduced workload leave to care for a spouse, child, or parent or for the employee's own serious health condition, the employee may be required to temporarily transfer to an available alternative position for which the employee is qualified and that:

a. has equivalent pay and benefits; and

b. better accommodates recurring periods of leave than the regular position of the employee.

Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions," unless inpatient hospital care is required.

Absence because of an employee's substance abuse, without treatment, does not qualify for FMLA leave.

18.1404 PAID/UNPAID LEAVE: Leave provided by FMLA in excess of available accrued paid leave shall be unpaid. Any available paid accrued leave shall be used prior to unpaid leave (e.g., vacation, comp time or sick leave) for the employee.

18.1405 HEALTH AND DENTAL INSURANCE BENEFITS: Health care and dental benefits coverage shall be continued during the 12 weeks FMLA leave period under the same terms and conditions as applicable to all other employees. Upon expiration of FMLA leave entitlement, if additional unpaid leave is authorized, continuation of health care and dental benefits coverage shall be allowed with the employee paying all costs of coverage or as may be allowed in other applicable policies.
18.1406 FAILURE TO RETURN FROM FMLA LEAVE: If an employee indicates his/her intent not to return from leave (including at the start of the leave), or if the employee fails to return from leave, paid health and dental coverage will cease unless the employee does not return because of the continuation, recurrence, or onset of a serious health condition which would entitle the employee to FMLA leave, or other circumstances beyond the employee's control, (such as where an employee's spouse is unexpectedly transferred to a new job location, someone other than an immediate family member has a serious health condition which the employee needs to care for, or the employee is laid off while on leave. The employee's desire to stay with a family member even though the family member no longer requires the employee's care, or a mother's decision to stay home with a newborn child and not return to work, do not qualify as "other circumstances beyond the employee's control."

Except as provided above, if an employee fails to return after expiration for eligibility for FMLA leave, the employee shall pay the full cost of coverage for health and dental benefits during the entire period of unpaid FMLA leave. Any amounts due under this section may be deducted from any sums due the employee (e.g., unpaid wages, vacation pay, etc.). Failure to reimburse the District for the cost of coverage during the period of the unpaid leave shall result in termination of coverage.

If an employee is unable to return to work because of the continuation, recurrence or onset of a serious health condition, the employee shall provide medical certification of such claim. The certification shall be issued by the health care provider of the employee or by health care provider of the employee's child, spouse or parent if the employee is unable to return to work because of the need to take care of one of these individuals. The certification shall indicate that the employee is prevented from performing the functions of the position or is needed to care for the family member on the date the leave expired. If a requested certification is not provided within 30 days, the cost of coverage provided during the period of unpaid FMLA leave shall be due and payable.

18.1407 EMPLOYEE STATUS WHILE ON LEAVE: FMLA leave does not constitute a break in service for purposes of longevity and/or seniority.

Seniority shall not be earned for any period of time on unpaid leave. Employees returning from leave shall return with no less seniority for purposes of layoff, recall, vacation accrual or other seniority.

18.1408 MEDICAL CERTIFICATION/RECERTIFICATION: Medical certification from the health care provider of the individual requiring care shall be provided initially upon request for FMLA leave. The certification shall indicate the estimated duration of the need for leave. Periodic updates or recertification may be required upon expiration of the period of leave originally estimated or every 30 days, if requested by the Human Resources Department.
The employer may, at its own expense, require the eligible employee obtain the opinion of a second health care provider designated or approved by the employer. When the second opinion differs from the first, the employer may require, at its own expense, that the employee obtain the opinion of a third health care provider designated and approved jointly by the employer and employee. The opinion of the third health care provider shall be considered final and binding on the employer and employee.

If leave is foreseeable, medical certification must be provided within fifteen days (15) after receipt of the employee's request for leave. If the employee fails to provide certification, the leave may be denied until certification is provided. If the leave is not foreseeable, the certification shall be provided within fifteen days (15), or as soon as is practicable under the circumstances. Failure to provide certification within a reasonable time under the pertinent circumstances may result in denial of continuation of the leave.

18.1409 ADVANCE NOTICE REQUIRED: If the event necessitating the leave becomes known to the employee more than 30 calendar days prior to the need for a leave, the employee shall provide notice as soon as he/she learns of the need for a leave -- at a minimum, 30 days written, advance notice.

If the event necessitating the leave becomes known to the employee less than 30 calendar days prior to the employee's need for a leave, the employee shall provide as much advance notice as possible, and, at a minimum, written notice no more than five working days from learning of the need for the leave.

If the need for a family care leave is foreseeable due to a planned medical treatment or planned supervision of a child, parent or spouse with a serious health condition, the employee shall provide reasonable advance notice of the need for the leave and consult with the supervisor regarding the scheduling of the treatment or supervision so as to minimize disruptions to the school/department. Any such scheduling shall be subject to the approval of the health care provider of the family member.

Prior to granting a leave under this policy, medical certification as identified above, may be required.

18.1410 REINSTATEMENT UPON RETURN FROM LEAVE: Upon return from FMLA leave, an employee shall be restored to the position held when the leave commenced or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment, provided the employee is able to perform the essential duties of the position.

If FMLA leave was due to the employee's own serious health condition, prior to returning to work, the employee shall provide a certification from the health care provider that the employee is able to resume the essential duties of the position.

18.1411 REMEDIES FOR EMPLOYER VIOLATION OF THE ACT: If an employee's rights under the FMLA have been violated, the employee may file a complaint with the Secretary of Labor, the Fair Employment and Housing Commission, or file a private lawsuit within two years after the last action which the employee contends was in violation of the Act, or three years if the violation was willful.

22.7 Peer Assistance and Review Program

22.701 This Article is intended to implement the provisions of Education Code § 44500 et seq., Peer Assistance and Review Program (PAR), as it may be amended, and any applicable regulations. The parties agree that the focus of the Peer Assistance and Review Program (PAR) shall be to provide assistance not to evaluate.

a. The PAR Panel will consist of seven (7) members. Members of the PAR Panel will include the Association President or designee, three (3) members and two (2) alternates selected by the Association and three (3) members and two (2) alternates selected by the District. A PAR Panel member may not participate in the panel’s consideration, assessment, or acceptance of a report which pertains to a Participating Teacher whose most recent evaluation was approved by that panel member. The PAR Panel will establish the operational procedures of the panel, including the method for the selection of a chairperson and the adoption of an annual budget.

b. Seven of the seven panel members must be in attendance at all meetings of the PAR Panel. Unit members who are members of the panel shall be provided up to 15 days of paid release time each, for purposes of attending meetings of the PAR Panel and conducting observations of classroom teachers being considered for appointment as Consulting Teachers. Unit members who are members of the panel shall receive an annual stipend based on Class Six, Step 1 of the Adjunct Duty Schedule. In the first year, alternates will be paid the same as regular panel members. The expense of stipends and paid release time for panel members shall be reflected within the annual budget adopted by the PAR Panel.

c. The PAR Panel shall be responsible for selecting Consulting Teachers (defined in Section 23.7.5), assessing assistance plans and related documentation prepared by Consulting Teachers, and providing inservice training for Consulting Teachers. Written confirmation of participation in the PAR program will be provided by the PAR Panel to Participating Teachers, Principals or immediate supervisors, and Consulting Teachers.

The Participating Teacher may appeal the panel’s designation of a Consulting Teacher to the panel in accordance with procedures developed by the panel. The Participating Teacher may request to meet with the PAR Panel to discuss the assignment of the Consulting Teacher within two weeks of notification.

f. The parties intend that all documentation and information related to participation in the PAR program be regarded as a personnel matter subject to the personnel record exemption of the Public Records Act contained within Government Code 6250 et seq.

g. The PAR Panel will develop standards and guidelines to be used by the Consulting Teacher in working with and assessing participants. This will include, but not be limited to, time lines for completion of peer review reports for submission to the PAR Panel.

h. The PAR Panel will review the final report prepared by the Consulting Teacher. The panel will make recommendations to the Governing Board regarding a referred Participating Teacher’s progress in the PAR program including providing names of participants not able to demonstrate satisfactory improvement after receiving sustained assistance.

i. The Par Panel is responsible to annually evaluate the impact of the PAR program. The PAR Panel recommends to the Association and the Board of Education improvements in the process.

j. No decision regarding the PAR process made by the PAR Panel shall be subject to the grievance procedure.

22.703 Participating Teacher

a. A Participating Teacher is a unit member who receives an unsatisfactory rating and who is to receive assistance and coaching to improve instructional skills, classroom management, knowledge of instructional subject matter, and related aspects of teaching performance. There are two (2) categories of Participating Teachers—those who volunteer and those who are required to participate based upon having received a “Continuation with Improvement(s) Required.”
1. The purpose of participation in the PAR program is to help correct job-related deficiencies and to assist the unit member in improving performance. Permanent unit members who have received a “Continuation with Improvement(s) Required” are candidates for participation in PAR.

2. The Consulting Teacher assigned by the PAR Panel will provide assistance to the Participating Teacher until he/she concludes that further assistance will not be beneficial, at which time the Consulting Teacher will submit a final report of the teacher’s participation in the program to the PAR Panel. The Participating Teacher may submit a written response to the final report and/or request a meeting with the PAR Panel subject to the rules established by the panel. A copy of the Consulting Teacher’s final report shall be provided to both the Participating Teacher and the Evaluator prior to its submission to the PAR Panel. The Evaluator will be provided the opportunity to address the PAR Panel upon request. The Evaluator’s comments shall be advisory only.

3. The PAR Panel will forward a final evaluation of the teacher’s participation in the program to the Governing Board, Superintendent, or designee. The evaluation and recommendation(s) of the PAR Panel and the peer review reports prepared by the Consulting Teachers shall be advisory only, for the benefit of the Participating Teacher and the District and shall in no way limit the District’s discretion or authority with regard to decisions and actions regarding the employment status of any employee. The fact that the employee is participating in PAR will not limit or delay the District’s authority or discretion to make any such decision or take any such action. Participation in PAR will not create any right or expectancy of continued employment by the District for any period of time.

4. The results of the Participating Teacher’s participation in PAR may be used in the evaluation of the teacher pursuant to Education Code § 44660 et seq.

5. Compensation is not provided to Participating Teachers for participation in PAR, except that authorized in participation in activities such as workshops, seminars, beyond the regular work day. Authorized participation in PAR may be used for credits toward step advancement.

b. A Volunteer Teacher Participant is a permanent status unit member who seeks to improve his/her teacher performance. The Volunteer Teacher Participant may request the PAR Panel to assign a Consulting Teacher to provide peer assistance. The Consulting Teacher will play no role in the evaluation of the teaching performance of the Volunteer Teacher Participant. The Volunteer Teacher Participant, in his/her discretion, may terminate his/her participation in PAR at any time.

8. Monitoring the progress of the Participating Teacher and maintaining a written record.
9. Making Status reports to the PAR Panel for a referred Participating Teacher.
c. If a consensus cannot be reached, Consulting Teachers shall be selected by a majority vote by the PAR Panel after one or more members of the PAR Panel have conducted at least one site visitation and a classroom observation. The PAR Panel’s selection procedures, activities, and criteria, and its judgments regarding selection of Consulting Teachers, shall not be subject to the grievance procedure.

d. Consulting Teachers will be trained to both offer peer assistance and to understand the specific functions of the PAR Program. The panel will monitor and evaluate the effectiveness of the Consulting Teacher and will make decisions regarding their continuation in the program. The PAR Panel may remove a Consulting Teacher from the position at any time because of the specific needs of the PAR Program, inadequate performance of the Consulting Teacher, or reasons determined by the panel in its discretion to justify removal. Prior to the effective date of such removal, the PAR Panel will provide the Consulting Teacher with a written statement of the reasons for the removal, and, at the request of the Consulting Teacher, will meet with him/her to discuss the reasons.

e. Expenditures for the PAR program shall not exceed revenues received from funds made available without the mutual agreement of the parties.

f. The number of Consulting Teachers in any school year will be determined by the PAR Panel based upon participation in the PAR program, the funding available and other relevant considerations including site administrator input on program integrity. The PAR Panel must provide the District notice on or before the close of the second transfer round of PAR Consulting Teacher selection. In the first year of the program, the BTSA support providers will be continued unless the assigned classroom observer vetoes the continuation. If there are BTSA support providers who are released or more Consulting Teachers needed, then the process of selection set out in these procedures shall be followed.

g. In addition to the regular salary, a Consulting Teacher will receive a stipend. The PAR Panel will determine appropriate stipend rates based upon release time and caseload.

h. Consulting Teachers shall have a caseload determined by a ratio of Consulting Teachers to Participating Teachers. This ratio is dependent on the amount of intervention time needed, as determined by the PAR Panel, and shall also consider BTSA and other beginning teacher assistance programs.
i. The PAR program encourages a cooperative relationship between the Consulting Teacher, Participating Teacher, and the Evaluator with respect to the process of peer assistance and review. The Participating Teacher and the Consulting Teacher will meet with the Evaluator to review and discuss the basis for referral to the PAR program. The Participating Teacher assistance plan shall be based upon the areas in which the Participating Teacher’s evaluation reflects unsatisfactory performance. The Consulting Teacher is encouraged to confer regularly with the Evaluator regarding the implementation of the PAR program with respect to each Participating Teacher.

j. At the request of the Participating Teacher or the Consulting Teacher, the PAR Panel may assign a different Consulting Teacher to work with the Participating Teacher at any time during the year.

22.705 General Provisions

a. Consulting Teachers and those teachers serving on the PAR Panel shall not be considered management or supervisory based upon their participation in PAR. Teachers who provide assistance and review shall have the same protection from liability and access to appropriate defense as other public school employees pursuant to Division 3.6 (commencing with Section 810) of Title 1 of the Government Code. The District shall hold these teachers and administrators harmless for actions occurring within the scope of their responsibility for participation in PAR. b. It is agreed that recently retired exemplary teachers may be invited to serve as Consulting Teachers per procedures developed by the PAR Panel.

This requirement may not exceed the equivalent of three semester units in any three-year period.
22.9 Teacher-Administrator-Governing Board Relationships

22.901 Recognizing that providing a high quality education for children is the paramount aim of this school system, and good morale in the teaching staff is necessary for the best education of the children, the Governing Board encourages the participation of staff members in the activities of their professional organizations and encourages the organizations to exercise their rights and responsibilities within the spirit and letter of the law. The Governing Board also recognizes the following roles and responsibilities that are clearly established by law:

c. The certificated teaching personnel have the ultimate responsibility of providing the best possible education in the classroom.

22.10 Attainment of Goals

22.1001 Attainment of the goals of the educational program conducted in the schools of the district requires mutual understanding and cooperation among the Governing Board, the Superintendent and his/her administrative staff, the certificated personnel, the classified personnel and other citizens of the community. To this end, free and open exchange of views is desirable, proper, and necessary.

22.11 Scope of Negotiations

The Governing Board will strictly construe the scope of bargaining as provided in 3543.2 of the Government Code (SB 160).

A Percent/Part-Time Contract Application form shall be completed. (Appendix D)

22.1403 Teachers desiring a shared contract shall apply for a partial leave of absence for the portion of the contract they wish to vacate.

22.1404 Request for partial contracts shall be approved by the site administrator, the Human Resources Department and the Board and will be conditioned upon having a place or finding another employee to work the remainder of the position if a full-time equivalent position is needed by the District. The proposed division of the contract must be approved by the site principal who shall then make his/her recommendation to the Human Resources Department.

22.1405 Upon approval of the site principal and the District's Human Resources Department, a signed, shared contract agreement shall be submitted to the Governing Board for final approval. (Appendix E)

22.1412 When one partner to a shared contract is unable by reason of disability or other circumstance to continue under the shared contract agreement, the other partner is responsible for returning to full-time. Should such return be blocked by personal circumstances permanently, the partner shall be responsible for temporarily becoming full-time while other arrangements are made.

22.1413 Shared contracts shall be limited to ten percent (10%) of the total number of K-6 classroom teacher's FTE in the District.

22.16 Special Education (SPED)

Staffing and working conditions in Special Education (SPED) need modification to assist teachers in meeting the needs of special education students. The District has determined to advance the projected growth in SPED enrollments so that class sizes in the beginning of the year allow for growth without exceeding reasonable limits. The District intends to monitor SPED class sizes on a quarterly basis and to increase services to students which could include additional teachers, instructional assistants, revised IEP’s for alternative services to students or other necessary support. Additionally, SPED teachers will be allowed access to the transfer process on the same basis as all other teachers, including but not limited to access to growth and vacant positions on the Winter and Spring postings.

22.1601 The District will also monitor learning center numbers and staffing to determine which, if any, need intervention. In effect the above intervention is designed to make the District more sensitive to the needs of SPED teachers and to assure that SPED teachers are treated equitably in comparison with regular education teachers.

22.1701 Staffing and working conditions for nurses are in need of review. Nurses will be convened to review and prioritize job description functions to assure that highest priority assignments are accomplished.

22.1702 The District intends to regionalize nursing services and increase nursing staffing by two nurses.

22.1703 To enhance their efficiency, individual nurses will be provided technological support (laptop computers).

22.1704 Medicare reimbursements for services provided by nurses will be used to improve the level of healthcare services in the District.

22.20 Faculty Advisory Council (FAC—Pre-Kindergarten)

The District and the Association agree to implement a Faculty Advisory Council (FAC) to meet with the Pre-Kindergarten Administration to consult on issues important for Pre-Kindergarten, such as but not limited to, hours, transfer assignment, curriculum, articulation with kindergarten, and related matters.

In the event that a class is to be closed at the above evaluation point(s), the director of the adult and continuing education program or a designee will personally inform any instructor of the decision to close the class and the date/time of the final class meeting. A formal written notification will be given to the instructor.
23.506 Classes which do not meet the minimum class size requirements described above may be continued at the discretion of Adult Education based upon the following criteria:

a. The class is part of a "start-up" or "venture" program.

b. The class is part of a high school diploma program for credit.

c. The class is fee-based and financially self-supporting.

d. The class is legally mandated.

e. The class is long-standing and has traditionally met a specific community need.

f. Other classes that do not meet the above criteria may be continued by mutual agreement of EGEA and Adult Education (in reference to on-going classes that have no specific start or stop date).

23.507 If an individual unit member believes that a particular class size is inappropriate, that unit member may refer the issue to the Adult Education Administration (AEA) for discussion with the Faculty Advisory Council.

23.6 Evaluation Procedure

23.601 The District retains sole responsibility for the evaluation and assessment of performance of each adult school unit member, subject only to the following procedural requirements. Should an adult school unit member believe an evaluation to be derogatory, the unit member will be given an opportunity to comment thereon as provided for by law. Accordingly, no grievance arising under this Article shall challenge the substantive objectives, standards, or criteria determined by the District, nor shall the grievance contest the judgment of the evaluator; any grievance shall be limited to a claim that the following procedures have been violated.

23.602 Evaluation of the performances of adult school unit members shall be made as needed, at least once every semester for probationary personnel, and at least once every other year for unit members with permanent status. Should a teacher be employed after the midpoint of the first semester of a school year, evaluation for that semester shall be at the option of the principal.

23.603 Adult school unit members with permanent status may be evaluated yearly or more often if the District or the evaluator deems it appropriate. Reasons for evaluating permanent personnel more often than the minimum required could include but would not be limited to situations such as a new assignment; unsatisfactory previous evaluations; the assignment of a new evaluator; or a need to improve the instructional program.

23.604 Adult school unit members must comply with the standards contained in the evaluation forms which are contained in the Adult School Appendix.
23.605 Classroom observations may be, but shall not be required to be, arranged by the evaluator and the adult school unit member in advance of an observation. Evaluations need not be based solely upon formal classroom observations.

23.606 Previous to the completion of the summary evaluation form, at least one observation and conference should be held. The Evaluation Report may be presented in writing. An adult school unit member may request a conference to discuss its conclusions.

23.607 The evaluator shall not base his/her evaluation on the quality of an adult school unit member's classroom instructional program on information not collected through a means reasonably calculated to achieve accuracy. Negative evaluation of performance shall not be predicated upon information or material of derogatory nature that has been received by the evaluator from sources such as other teachers, parents, and citizens unless the facts have been verified by the evaluator and discussed with the unit members. Student evaluations will be a factor in formulating the overall evaluation of a unit member.

23.7 Leaves

23.701 All other leaves in Article 18 except for Sabbatical Leave, Sick Leave, and Catastrophic Leave shall be granted and implemented according to the procedures in Article 18.

23.702 Sick leave shall be provided unit members on the basis of one (1) hour of sick leave for each eighteen (18) hours worked and accrued if unused.

23.8 Transfer and Reassignment

23.801 Transfer is defined as a change from one adult education site to another adult education site. Voluntary transfer is defined as a transfer made at the request of a unit member. Involuntary transfer is defined as a transfer made by Adult Education.

23.802 Reassignment is defined as a change in assignment within an adult education site and shall not be made arbitrarily or capriciously.

23.803 A site is defined as any separate facility where classes are conducted.

23.804 Requests for voluntary transfers shall be maintained in the Human Resources Department for no less than one (1) year. Employment opportunity postings shall consist of a job description, time and place of employment, number of hours per week and wage per hour, and deadlines for submitting applications.

23.805 A response to advertised employment opportunities is to be submitted to the Human Resources Department.
23.806 The Human Resources Department shall notify the applicant of the status of the transfer, increase in hours, increase in hours due to expansion of any program, or other employment opportunities including positions that are new or vacant.

23.807 Transfers by the District shall be based on the following criteria: preference of the employee; length and quality of employee service in the District; experience and teaching background; affirmative action goals and needs of the District; and preference of AEA.

23.808 Seniority shall be determined by hiring within the Adult Education program as a regular employee.

23.809 If a unit member is transferred involuntarily due to enrollment shifts and/or decline, the unit member shall be offered the first opportunity to return to the unit member's previous site if a subsequent vacancy develops at that site from which the employee had been involuntarily transferred.

23.810 Those to be involuntarily transferred may indicate a preference of assignments to the Human Resources Department and AEA.

23.811 Those to be involuntarily transferred shall, upon written request, have a written reason for the impending transfer from AEA and the Human Resources Department.

23.9 Salaries

23.901 Adult education assignments are based upon enrollment and attendance of voluntary students. As attendance increases or decreases, so must staff assignments. Except as otherwise indicated in this Article, salary can be reduced as assignment is reduced.

a. Except as indicated by tenure laws, adult school unit members shall be employed on an hourly, as needed basis. In the event that a class is to be closed after the initial three-week evaluation of enrollment, the director of the adult and continuing education program or a designee will personally inform any instructor of the decision to close the class and the date-time of the final class meeting. A formal, written notification will be given to the instructor one week prior to the date/time of the termination of the class.

b. The hourly rate of pay shall be set forth in the Adult Education Appendix. Advancement in pay due to experience shall be contingent upon the unit member having provided service (actively working) to the District as an adult school teacher for not less than twenty-seven (27) weeks during the preceding year. Verification of Units must be made no later than October 1 of the year in which unit member anticipates movement between columns. Units taken must be approved in advance by the Staff Development/Human Resources Department based upon the criterion that the teaching performance of the unit member will be enhanced either in subject matter or technique.
23.902 The substitute rate shall be based on the lowest rate of pay on the schedule for all new substitutes. Any existing member shall be paid their current wage for substituting.

a. A unit member who wants to substitute will fill out the days and hours of availability and file the form with AEA for inclusion on the substitute list.

b. AEA has discretion in appointing subs but will consider teacher input if appropriate.

c. Time served as a substitute will not count for any purpose, including but not limited to sick leave, health benefit eligibility, seniority or movement on the salary schedule.

23.10 Fringe Benefits

23.1001 The District will provide for each unit member who works no less than 20 hours per week for 36 weeks per year a yearly health and welfare benefit allocation equivalent. The amount of the health and welfare benefit allocation shall be set forth in the Adult Education Appendix.

23.1002 No unit member shall earn more than one (1) full benefit from any combination of regular day school employment and adult school employment. Qualification for benefits cannot combine hours worked between regular day school employment, substituting, and adult school employment in any capacity.

23.1003 All unit members receiving fringe benefits may continue to receive fringe benefits for that benefit year by contributing the differential percentage that their assignment is to qualifying time, i.e., if the unit member were assigned twenty (20) hours and during the benefit year was reduced to sixteen (16) hours, then the unit member could retain benefits by contributing twenty-five percent (25%) of the costs. This right is conditioned upon continuing employment with Adult Education.

23.11 Workday and Work Year

23.1101 The workday is to be scheduled as per the Adult Education calendar. The work year shall be established by the AEA after consultation with the Faculty Advisory Committee.

23.1102 The teacher work assignment shall end after the end of the class.

23.1103 Teachers shall be compensated for any mandatory, required meetings outside the assigned work hours.

23.1104 Mileage shall be paid when an employee is required to commute between two sites without an intervening time in the schedule of two or more hours.
23.1105 The full-time teacher work year shall consist of thirty-six (36) weeks at thirty-two and one-half (32.5) hours (including prep time).

23.1106 In order to provide those unit members currently working more than 36 weeks the same length work year, they will receive first priority for available assignments for which they are credentialed and competent.

23.1107 Full time staff members shall be paid for one-half hour of preparation per day. Those staff currently with more preparation time shall be grandpersoned.

23.12 Scheduling

The District agrees to make a good faith effort to notify unit members of their assignments at the earliest possible opportunity. If feasible, the District shall notify teachers of their tentative teaching schedules fifteen (15) calendar days prior to the start of each semester.

23.13 Working Conditions

Student aides or other clerical persons shall be available four (4) nights per week for assisting faculty in clerical duties, copying, etc., provided that sufficient funds are available as reasonably determined by AEA.

23.14 Layoff or Reduction of Unit Members for Lack of Funds

23.1401 In the case of current Adult Education funded personnel who are not to be renewed due to lack of work or lack of funds (when more teachers have assignment rights than course offerings), the following procedures shall apply:

a. The AEA shall first identify the affected course(s), including closely-related courses in the same subject (i.e., English 1, 2, 3 and 4).

b. The seniority of all non-tenured personnel teaching the course(s) and assigned to the time-reporting site shall be reviewed.

1. Seniority is measured by the number of consecutive, uninterrupted years of satisfactory service. Time spent on approved unpaid leaves of absence does not count as time served but does not constitute an interruption of the 'consecutive' service requirement.

2. To qualify for a year of seniority, the individual must have satisfactorily served at least seventy-five percent (75%) of the weeks for full-time service (27 weeks).

3. Service in both Adult Education and continuing education programs (categorical and general fund) shall apply.
c. The employee qualified according to the criteria of 23.1501(b) with the least seniority shall be released first unless the site administrator reasonably determines that the person has needed instructional skills or qualifications, not possessed by an employee with greater seniority. A seniority list shall be maintained by the Human Resources Department, provided to impacted employees and EGEA prior to layoff pursuant to this Article. EGEA shall be kept informed on the requirements for layoff during regularly-scheduled consultation meetings. It is intended that any unit member who is credentialed and competent to perform continuing services will be retained over more junior employees even if the continued service is outside of the current assignment.

1. The employee shall be provided notice of layoff no less than ten calendar days prior to its effective date and an opportunity to have a hearing on the matter before the Administrator of Personnel if a hearing is demanded within five (5) days of notice.

2. The hearing shall give the employee the right to present evidence and provide a defense.

3. The Assistant Superintendent for Human Resources shall make findings of fact and render the decision of the District. Should the employee be reinstated, he or she shall be entitled to back pay for the hours lost.

23.15 Staffing

23.1501 Prior to the beginning of a term, the AEA shall prepare a list of courses to be offered at that site by program. After preparing that list, the AEA shall make their assignment to those programs from the eligibility list of staff members currently teaching at that site. These positions need not be posted.

a. It shall be the responsibility of the AEA to identify courses that meet the needs of the various programs offered by Adult Education.

b. The AEA shall maintain eligibility lists of qualified employees composed of those employees currently servicing a site by credential, seniority, past assignments, and bilingual ability. "Qualified" as used in this sub-section, shall mean that the applicant has taught the same course or closely related course in the same subject, possesses the requisite credential, and possesses the needed instructional skills or qualifications as stated on the job posting. The AEA shall select from among the qualified applicants at the site to fill each position.
23.1502 The first priority for assignment shall be the filling of positions by tenured staff who are guaranteed a number of hours. The second priority for assignment shall be maximizing the assignment of those who are qualified for benefits. The third priority for assignment shall be maintaining the current ratio of tenured to non-tenured positions. The fourth priority for assignment shall be enhancing the hours of those staff who have been rated above satisfactory in their evaluations. The fifth priority will be filling positions from the eligibility lists maintained by site administrators.

a. No unit member shall be entitled to, nor may he or she gain a right to a continuing assignment of more than full-time.

23.1503 All remaining new or vacant part-time positions or courses in Adult Education funded programs shall be posted at the applicable time, reporting site, and each division thereof by June 1 for year round programs, and August 1 for Adult Education Programs and by January 5. The posting shall identify the subject(s), number of hours per week, class schedule and time(s), certification required, any special skills and qualifications, and the deadline for applications.

a. These vacancies shall be filled by paper screening applications based upon the priorities in 23.1502 and interviewing no fewer than the top four candidates.

23.1504 Remaining unfilled positions shall be posted at the District Office and at all Adult Education sites by June 15 for year round programs, August 15 for traditional programs, and January 15. To apply for such positions a person must either qualify as provided above or possess other appropriate training and experience needed for the position, possess the requisite credential, and possess the instructional skills or qualifications as stated in the job posting. The AEA shall select from among the applicants.

23.1505 Positions coming available after the beginning of the term may be filled at the discretion of the AEA.

23.1506 Those to be involuntarily transferred may indicate a preference of assignments to the AEA.

23.1507 Those to be involuntarily transferred shall, upon written request, have a written reason for the impending transfer from AEA.

23.1508 Adult Education agrees to make a good faith effort to consider part-time teachers preference in making assignments. When possible, employees will be notified of their assignment fifteen (15) calendar days before the beginning of each semester. Employees may indicate a preference for a change of assignment by notifying the AEA in writing forty-five (45) days before the beginning of the next semester.
23.16 Release of Personnel for Unsatisfactory Performance

23.1601 Current personnel in either Adult Education or categorically funded positions do not have an implied right to employment beyond their assigned term except as required by the Education Code. However, if they are not to be renewed due to dissatisfaction with the quality of their services, they shall be evaluated in accordance with the requirements of this article.

a. Unit members released for unsatisfactory performance must have been preceded by compliance with the evaluation provisions of this Article.

b. The rights of personnel with an assignment of less than six (6) hours per week are limited to final notice.

23.17 Faculty Advisory Committee

A. Definition

The Faculty Advisory Committee (FAC) is an advisory committee to the AEA and chaired by the AEA for the discussion of curriculum and instructional issues.

B. Purpose

The purpose of the committee is to discuss curriculum and instructional issues that directly affect the school, including curriculum development, school instructional site budget, master schedule, and other topics specifically related to curriculum and instruction as determined by the principal and members of the committee.

C. Composition Of The Faculty Advisory Committee

(1) The FAC shall have one faculty member selected democratically from the jail program, one from the fee based-programs, one from the Adult Education programs, one from EGEA, and the designated administrator. The bargaining unit members shall be elected democratically by an at-large election.

The AEA and/or members of the above committee may invite resource people to attend meetings of the committee from time to time as necessary.

D. Selection

(1) By the end of the first school month in each school year, the unit members at each of the designated programs shall elect a FAC. Each bargaining unit member shall have an opportunity to nominate himself/herself or be nominated by another member of the bargaining unit to serve on the FAC. The election ballot will be composed of those teachers nominated and who are willing to serve. All bargaining unit members shall have the opportunity to vote.

(2) If a tie exists, a runoff election for that position(s) will be held. The runoff election will consist of bargaining unit members who tied for the position(s) in the previous election.
(3) If a vacancy develops after the initial election, the FAC shall have a special at large election to fill the vacant seat(s). The same election procedures will be followed during the special election. The principal working with a site representative of the Association shall conduct the election.

E. Compensation

The wages paid to elected members of the FAC shall be established in Appendix C.

F. Meetings

(1) Meetings will be held at least eight times annually. Additional meetings may be held if agreed to by AEA and members of the FAC. None of the hours earned through meetings may be used for benefit or tenure eligibility.

(2) The agenda will be mutually developed by AEA and members of the FAC.

(3) Minutes of the FAC meetings shall be recorded by a person mutually selected by the committee and the principal. Minutes of the FAC meetings shall be posted, one (1) copy distributed to each unit member as soon as possible following the completion of the meeting. The minutes shall reflect the mutual concurrence of the AEA and the committee members relative to the content of the minutes.

(4) The FAC serves in an advisory capacity to the AEA to deal with curriculum and instructional issues.

G. Training

The AEA will make every effort to train FAC members in interest-based conflict resolution as soon as practicable.

d. The parties agree that unit members who are eligible for Emergency Leave and who have utilized Education Code Section 44977.5 Differential Leave shall be eligible to use such Emergency Leave after both the Education Code Section 44977.5 Differential Leave has been used and the unit member has returned to work after such Education Code Section 44977.5 Differential Leave has been taken.

[5R354922]
e. In the event that a unit member exhausts all current year sick leave and prior year accumulated sick leave, the parties agree that full time unit members can use up to two (2) days of Emergency Leave, and that such two (2) days of Emergency Leave will be prorated for less than full time unit members. Emergency leave shall be provided each school year during the term of this Pilot Agreement for the following reasons.

(9) Matters of personal importance.

f. The parties agree that Emergency Leave may not be taken to vacation, to extend holidays, nor to engage in concerted activities.

g. The parties agree that Emergency Leave days shall not accumulate from year to year.

Regarding
California Department of Public Health,
Vaccine Verification Order, August 11, 2021

This is a Memorandum of Understanding ("MOU" or "Agreement") between the Elk Grove Unified School District ("District") and the Elk Grove Education Association ("EGEA"), collectively referred to hereinafter as "the Parties", regarding the California Department of Public Health, Vaccination Verification Order, dated August 11, 2021.

Recitals

A. Whereas, the California Department of Public Health's (CDPH's) Order regarding "Vaccination Verification for Workers in Schools" took effect on August 12, 2021 (hereinafter "the Order"), and Elk Grove Unified School District (District) must be in full compliance with the Order by October 15, 2021.

B. Whereas, the Order requires the District to verify the vaccine status of all workers. The District is required by law to comply with the above order and any other more restrictive federal, State, or local order that is applicable to our District.

C. Whereas, the Order only permits the following proof of vaccination:

1. COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card) which includes name of person vaccinated, type of vaccine provided, and date last dose administered); OR

2. A photo of a Vaccination Record Card as a separate document; OR

3. A photo of the client's Vaccination Record Card stored on a phone or electronic device; OR

4. Documentation of COVID-19 vaccination from a health care provider; OR

5. Digital record that includes a QR code that when scanned by a SMART Health Card reader displays to the reader client name, date of birth, vaccine dates and vaccine type; OR
6. Documentation of vaccination from other contracted employers who follow these vaccination records guidelines and standards.
7. In the absence of knowledge to the contrary, a school may accept the documentation presented as valid.

D. Whereas, the Order requires a plan for tracking verified worker vaccination status. Records of vaccination verification must be made available, upon request, to the local health jurisdiction for purposes of case investigation.

E. Whereas, the Order requires that workers who are not fully vaccinated, or for whom vaccine status is unknown or documentation is not provided, must be considered unvaccinated.

F. Whereas, the Order includes worker Testing requirements:

1. Asymptomatic unvaccinated or incompletely vaccinated workers are required to undergo diagnostic screening testing.

2. Workers may be tested with either antigen or molecular tests to satisfy this requirement, but unvaccinated or incompletely vaccinated workers must be tested at least once weekly with either PCR testing or antigen testing.

3. Any PCR (molecular) or antigen test used must either have Emergency Use Authorization by the U.S. Food and Drug Administration or be operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

4. Unvaccinated or incompletely vaccinated workers must also observe all other infection control requirements and are not exempted from the testing requirement even if they have a medical contraindication to vaccination, since they are still potentially able to spread the illness.

5. Previous history of COVID-19 from which the individual recovered more than 90 days earlier, or a previous positive antibody test for COVID-19, do not waive this requirement for testing.

6. The District is required to have a plan for workers required to undergo workplace diagnostic screening testing for tracking test results and conducting workplace contact tracing and must report results to local public health departments. There are IT platforms available that can facilitate these processes for schools.

Agreement

Consistent with the foregoing Recitals, the Parties agree to the following:

1. The Parties agree that the Recitals are true and correct.

2. The Parties agree that the District shall continue to adhere to State and Sacramento County Public Health Department safety mitigation orders and
guidelines. Such safety and mitigation orders and guidelines continue to adapt based on the changing conditions of the pandemic. The District and EGEA will continue to meet and confer regarding changes to safety protocols. EGEA will cooperate with the District in any necessary public health actions including the vaccination verification process and COVID-19 testing requirements.

3. The Parties agree that all unit members must comply with all District requirements related to the California Department of Public Health’s (CDPH’s) Order regarding “Vaccination Verification for Workers in Schools,” including the CDPH Testing requirements. If a unit member fails to comply with all CDPH Testing requirements, the unit member may be subject to discipline, which may include an unpaid suspension and/or dismissal from their employment with the District.

4. The Parties agree that all unit members shall provide adequate proof of vaccination as mandated by the CDPH Order through a District-managed digital platform. If unit members need assistance with uploading proof of vaccination, unit members may contact their supervisor. If unit members do not provide adequate proof of vaccination, the unit member will be required to comply with the CDPH testing requirements.

5. The Parties agree that all unit members who need to comply with the testing requirements will be provided opportunities to do so during the work day. Efforts will be made to minimize the impacts on instruction and learning. Proof of COVID-19 testing completion and COVID-19 testing results shall either be provided by the testing entity to the District or shall be provided by the unit member to a designated staff member at the school/District site. The Parties agree to meet and confer if questions or concerns arise related to the reporting of testing completion and testing results.

6. The Parties acknowledge and agree the District is obligated pursuant to the Order to document vaccination status and COVID-19 testing administration and testing results.

7. The Parties agree to meet and confer if there are any changes to COVID-19 federal, State and/or local health orders related to vaccination and testing requirements.

8. The Parties agree that this MOU shall expire on July 1, 2022.

Elk Grove Virtual Academy (TK-8) Independent Study Program 2021-2022

The Elk Grove Unified School District ("District") and the Elk Grove Education Association ("EGEA"), collectively referred to as the "Parties", agree to the following Memorandum of Understanding ("MOU" or "Agreement") regarding the Elk Grove Virtual Academy (Grades TK-8) Independent Study Program (ISP) for the 2021-2022 school year.

Background
California Assembly Bill No. 130 ("AB 130") requires school districts to offer independent study for the 2021-2022 school year, with limited exceptions. AB 130 defines the independent study program instructional requirements by grade levels as follows:

- **Transitional Kindergarten through Third Grade:** For transitional kindergarten through 3rd grade, provide pupils opportunities for daily synchronous instruction.
- **Fourth Grade through Eighth Grade:** For grades 4 through 8, provide opportunities for both daily live interaction and at least weekly synchronous instruction.
- **Ninth Grade through Twelfth Grade:** For grades 9 through 12, provide opportunities for at least weekly synchronous instruction.

AB 130 defines Live interaction and Synchronous instruction as follows:

- **Live interaction** means interaction between the pupil and the teacher, aide or other personnel and may include peers; this interaction may be in person, by internet or phone.
- **Synchronous instruction** means classroom-style instruction, or small group, or one-on-one instruction delivered in person or by internet or phone and involving two-way communication between the pupil and teacher.

School Districts must notify parents of ISP options for the 2021-2022 school year, and the need for student-parent-educator conferences prior to signing an ISP agreement. School districts must update their board policies to include:

- Satisfactory progress as an added means to evaluate continued ISP participation and placement;
• Provision of standards aligned content in ISP that is substantially equivalent to the quality and intellectual challenge of in-person instruction;
• Procedures for tiered reengagement strategies;
• A plan to provide opportunities for synchronous instruction for all grade levels, and live interaction for grades four through eight; and
• A plan to transition pupils whose families wish to return to in-person instruction from an ISP expeditiously, and not later than five instructional days.

Agreement

NOW, THEREFORE, the Parties agree as follows:

1. **Background.** The AB 130 background set forth above is true and correct.

2. **Synchronous Instruction and Live Interaction.** The Parties agree that during the 2021-2022 school year, the Elk Grove Virtual Academy (TK-8) Independent Study Program (ISP) shall provide the following Synchronous Instructional time and Live Interaction time to all ISP students in grades Transitional Kindergarten (TK) through and including Eighth (8th) Grade.

   a. **TK through K Students** shall receive:
      • Opportunities for up to two (2) hours of synchronous instructional time and live interaction offered to the entire class
         ▪ The opportunities for up to two (2) hours of synchronous instructional time provided by the ISP Resource Teachers shall be supported by the teachers of record (TOR).
      • An additional 30 minutes each day of synchronous instruction provided by the teacher of record (TOR).

   b. **First Grade through Third Grade Students** shall receive:
      • Opportunities for up to three (3) hours of synchronous instructional time and live interaction offered to the entire class
         ▪ The opportunities for up to three (3) hours of synchronous instructional time provided by the ISP Resource Teachers shall be supported by the teachers of record (TOR).
      • An additional 30 minutes each day of synchronous instruction provided by the teacher of record (TOR).

   c. **Fourth Grade through Fifth Grade Students** shall receive:
      • Opportunities for up to two (2) hours of synchronous instructional time and live interaction offered to the entire class
- The opportunities for up to two (2) hours of synchronous instructional time provided by the ISP Resource Teachers shall be supported by the teachers of record (TOR).
  - An additional 30 minutes each day of synchronous instruction provided by the teacher of record (TOR).

   d. **Sixth Grade through Eighth Grade Students** shall receive:
      - Opportunities for 30 minutes of daily live interaction and weekly synchronous instructional time offered to the entire class from the Sixth Grade through Eighth Grade ISP students' teacher of record each school day.
      - An ISP Resource Teacher shall be assigned to support ISP students in Grades Sixth through Eighth Grade.

3. **Teacher of Record (TORs).**
   The Parties agree to the following:
   Each Teacher of Record (TOR) for an ISP class shall comply with AB 130, facilitate the Edgenuity online platform for curriculum for students, are full time credentialed multiple-subject or single-subject teachers, and shall be assigned an ISP Resource Teacher (ISRT) to provide co-teacher instructional support for ISP students as described in section 4 below.

TOR working conditions also include the following:
- Work in-person on a District site
- Ability to work as teacher of record (TOR) and/or resource teacher (ISRT). If there is a need to change teacher assignments between TOR and ISRT due to enrollment increases/decreases, the District, EGEA and teachers involved will meet to discuss proposed changes before any changes occur. (Current TORs, those who were originally assigned to the ISP for the 2021-22, will not be involuntarily switched to an ISRT position during the 2021-22 school year.)
- Collaborate with ISRT and support student instructional needs (class and small group settings)
- Provide daily synchronous instruction and targeted academic support
- Provide a combination of virtual and in-person learning opportunities to students
- Provide additional support to students as needed

In addition, TORs shall for each student in their class implement the student's individualized plan for his or her course of study. The TOR shall support and assist the families throughout the year to ensure pacing, quality work, and guidance through the coursework. Students have access to their TORs in person, online and by email.
TORs shall be responsible for maintaining time accounting reports for student participation and work products per AB 130 requirements.

4. Independent Study Resource Teachers (ISRTs).
The Parties agree to the following:
ISRTs shall comply with AB 130, are full time credentialed multiple subject or single subject teachers assigned to co-teach and provide support to the ISP Teacher of Record. ISRTs shall support students using the Edgenuity online platform for curriculum. ISRT working conditions also include the following:
- Work in-person on a District site
- Ability to work as teacher of record (TOR) and/or resource teacher (ISRT). If there is a need to change teacher assignments between TOR and ISRT due to enrollment increases/decreases, the District, EGEA and teachers involved will meet to discuss proposed changes before any changes occur.
- Collaborate with TOR and support student instructional needs (class and small group settings)
- Provide daily synchronous instruction and targeted academic support
- Provide a combination of virtual and in-person learning opportunities to students
- Provide additional support to students as needed

5. Work Year, Work Days, and Work Hours.
The Parties agree to the following:

All full-time teachers (TORs and ISRTs) working in the ISP shall work a traditional calendar year and the corresponding workdays as all other teachers in the EGEA bargaining unit. ISP teachers shall work a seven and one-half (7.5) hour workday schedule.

The seven and one-half hour work schedule includes a thirty (30) minute lunch and one hour of daily preparation time. The instructional day shall be consistent with facilitating the activities in Section 2 above and shall include the following duties: AB 130 duties including but not limited to synchronous instruction/intervention time, live interaction time, collaboration between TOR and ISRT, instructional responsibilities, family communication, and appropriate breaks (not to exceed 20 min. total daily).

A minimum of four (4) hours of synchronous instruction/intervention or live interaction shall comprise the ISRTs workday on daily basis. Synchronous schedules will be collaboratively developed by teachers in the ISP and approved by the principal.
6. **Reasonable Accommodations and Interactive Process related to Independent Study.**

The Parties agree that if a unit member believes that they are unable to return to full in-person student instruction for the 2021-2022 school year due to a disability or medical condition, the unit member should contact the District’s Human Resources Department to schedule an interactive process to determine whether they are eligible for reasonable accommodations.

a. **Priority Assignments to Alternative Programs.** If an expansion to the Elk Grove Virtual Academy (TK-8) Independent Study Program is required, then unit members who require reasonable accommodations due to COVID-19 or underlying conditions will be given priority consideration to voluntarily transfer to these alternative education assignment open positions as an accommodation.

b. **Alternative Assignments-Voluntary Transfer Process.**

   If in addition to the unit members who have been given priority for alternative assignment openings through the interactive process, additional staff is necessary to cover openings and to support the District’s Elk Grove Virtual Academy (TK-8) Independent Study Program, the District will implement a voluntary transfer process.

c. The Parties understand that the Independent Study Program may require in-person meetings and instruction.

d. Multiple Subject and Single Subject Credentialled teachers who apply for a position in the ISP through the voluntary transfer process might be assigned to a resource position and provide synchronous instruction in any content area, or they might be asked to serve as a teacher of record. If enrollment fluctuates, the roles might need to change throughout the school year.

e. Unit members who voluntarily transfer to the ISP for 2021-2022 or who are placed in the ISP as a temporary accommodation for a medical condition will have the right to return to their 2020-2021 school site for the 2022-23 school year and shall not necessarily receive the same assignment/grade-level as assigned during the 2020-2021 school year. For individuals with temporary accommodations for medical conditions, every attempt will be made to return individuals to the grade level and track (if applicable) at which they were last assigned.
7. **Expedited Voluntary Transfer Timeline and Process.**
The Parties agree to the following expedited timeline and process for filling ISP teacher positions in the Elk Grove Virtual Academy (TK-8) Independent Study Program for the 2021-2022 school year.

- **Post.** The District shall post ISP-TOR and ISRP positions internally via email, with a description of the ISP positions/program and externally on EdJoin.
- **Interview.** The District shall schedule ISP position interviews as needed.

Teachers accepted into the program who have already started school shall be given two (2) days to prepare and transition to the ISP. One of the two days shall be designated for the purposes of transitioning out of their current school site, i.e. collaborating with the new teacher, lesson planning, curriculum sharing, substitute planning, moving classrooms, and the other day shall be comprised of on-the-job training in the ISP. Individuals who are on a year-round calendar shall be compensated for any additional workdays due to the transition from a year-round calendar to the traditional calendar.

8. **Downsizing in ISP TK-8.**
   a. The Parties agree that if downsizing needs to occur for the 2022-23 school year in the TK-8 Elk Grove Virtual Academy, downsizing will occur amongst the pool of teachers who voluntarily transferred into the IS program for 2021-22 after execution of this MOU.
   
   b. The Downsize process will follow the same process applicable to other Downsize processes and shall be implemented within that pool of teachers assigned to the ISP after the execution of this MOU. This Downsize process includes the solicitation of volunteers and the application of seniority.
   
   c. Teachers who were originally assigned to the ISP for the 2021-22 will not be subject to downsizing, unless enrollment falls below the current enrollment at the time of this MOU. If enrollment does fall below the current enrollment at the time of this MOU, all of the teachers who voluntarily transferred into the program for 2021-22 after the date of this MOU will return to their former sites, and then downsizing will occur thereafter consistent with the Downsize process.

EGEA and EGUSD agree to meet after 30 days of program implementation to review program changes with both ISP teachers and administrators.
9. Resolution of Disputes. In the event that there are any issues regarding implementation of this MOU, the parties agree to meet and negotiate regarding a resolution to such issues. This pilot MOU is not subject to the grievance procedures included in the parties' collective bargaining agreement.

10. Non-Precedential. The Parties agree that this Agreement shall not create any past practice or be deemed precedential for any purposes.

11. Subsequent Years. The Parties agree to meet and negotiate prior to the end of 2021-2022 school year regarding whether to continue this MOU in subsequent school years. This MOU shall expire on June 30, 2022, unless another agreement is reached to extend this Agreement.

Elementary Physical Education Teachers

May 4, 2021

The Elk Grove Unified School District ("District") and the Elk Grove Education Association ("EGEA"), collectively referred to as the "Parties," agree to the following Memorandum of Understanding ("MOU" or "Agreement"):

RECITALS

B. WHEREAS, the Parties acknowledge that during the 2020-2021 school year due to the COVID-19 pandemic, the District assigned physical education teachers to elementary sites to provide 4-6 Preparation Time.

C. WHEREAS, the Parties wish to enter into another elementary physical education teacher/4-6 Preparation Time Agreement for the 2021-2022 school year.

D. WHEREAS, the Parties negotiated the following elementary physical education teacher/4-6 Preparation Time MOU.

AGREEMENT

NOW, THEREFORE, the Parties agree as follows:

1. Recitals. The recitals set forth above are true and correct.

SITE ALLOCATIONS/FTE:

2. The parties agree that for the 2021-2022 school year physical education teachers will be assigned to elementary sites as follows:

a. Any site that has 21 or more classes will be allocated a 1.30 FTE physical education teacher;
b. Any site that has 19 to 20 classes will be allocated a 1.20 FTE physical education teacher;

c. Any site that has 18 classes will be allocated a 1.10 FTE physical education teacher;

d. Any site that has 16 to 17 classes will be allocated a 1.00 FTE physical education teacher;

e. Any site that has 14 to 15 classes will be allocated a 0.90 FTE physical education teacher;

f. Any site that has 12 to 13 classes will be allocated a 0.80 FTE physical education teacher;

g. Any site that has 11 classes will be allocated a 0.70 FTE physical education teacher;

h. Any site that has 9 to 10 classes will be allocated a 0.60 FTE physical education teacher;

i. Any site that has 8 or less classes will be allocated a 0.50 FTE physical education teacher.

3. FTE will be adjusted to consider each school's calendar. For example, to accommodate a year round cross track schedule, FTE assigned, based on the total number of classes using the criterion above, will be enhanced based on the number of days needed to provide 90 minutes of weekly prep. For illustrative purposes, a site having 13 classes generating .8 FTE PE Teacher at a modified traditional school may be enhanced by 0.03 FTE to accommodate all student attendance/ work days. The additional .03 FTE (equivalent of six instructional days) might be necessary in order to provide the required number of preparation periods due to calendar challenges, particularly in shared contracts, and pre-service days.

4. Classes are counted once for purposes of shared contract employees, 3/4 combo classes and the Elementary PE teacher. Teachers of grades 3/4 combination classes and the elementary physical education teachers shall receive the same duty free preparation periods as outlined for teachers of grades 4-6. Shared contract teachers will share the preparation time designated for one class.

5. The parties agree that if there is any remaining time on the elementary physical education teachers’ schedules, grades 1-3 will receive duty free preparation time in the same subject area as provided to grades 4-6 teachers. Time will be equitably divided among grades 1-3 teachers.
6. Reductions in any site between the 2020-2021 and the 2021-2022 allocation resulting in elementary physical education teachers losing FTE and requiring multiple site assignments, shall be reviewed with EGEA.

CALENDARS:

1. As elementary physical education teachers develop their work calendar, it shall be prepared in order to ensure coverage for the entire school year. Weeks with holidays and/or minimum days shall be considered when creating the work calendar.

2. PE Teachers are expected to create a calendar that will allow them to participate in staff meetings at their primary FTE site. They are not expected to attend staff meetings at multiple sites. Administrators shall ensure that guest PE teachers are informed of any information that may impact the PE schedule.

3. Calendars are to be approved by the site administrator and Elementary Education.

4. Any sites who will have multiple PE teachers delivering instruction shall work collaboratively in developing their calendars.

5. The parties agree that for the 2021-2022 school year, Grades 4-6 class sizes will be 28:1, unless otherwise agreed to by the Parties related to COVID-19.

6. The parties agree that this is a one-year pilot agreement. At the end of this pilot MOU, for the 2022-2023 school year, the 4-6 class size ratio will revert to the 26:1 ratio included in the collective bargaining agreement, unless otherwise negotiated.

7. Scheduling of Intermediate Preparation Periods.

   a. The parties agree that the elementary physical education teachers described in this MOU will be assigned to provide grades 4-6 classes, with two weekly, duty-free preparation periods of 40 minutes each (80 minutes weekly) within the instructional day.

   b. In the event that holidays and/or minimum days impact the ability to deliver full preps, the site administrator will work with the intermediate teachers and physical education teacher to provide equitable distribution of preparation time to the extent possible. Two preps shall be scheduled, but the time may be reduced/flexed to allow for equitable scheduling. For example, each teacher may get two 30 minute preps or a 20 and a 40 minute prep, depending upon the number of minutes available for scheduling during the holiday/minimum day weeks. If necessary, up to two weeks may be used to provide equitable prep time. PE Teacher calendars shall be created to minimize any impact of holidays and/or minimum days.
c. In the event that a substitute teacher is unavailable for an elementary physical elementary teacher, then the 4-6 grade classes will be provided with makeup preparation time within a reasonable period of time if the scheduled preparation period is not provided.

d. In the case of inclement weather, a push-in model may be used when there is not an available classroom or multipurpose room.

8. COVID-19. The Parties agree that in the event of changes to class sizes due to COVID-19, the Parties agree to meet and negotiate the terms of preparation time and the assignment of Physical Education teachers pursuant to this Agreement.

9. Non-Precedential. The Parties agree that this Agreement shall not create any past practice or be deemed precedential for any purposes.

10. Subsequent Years. The Parties agree to meet and negotiate prior to the 2022-2023 school year regarding whether to continue this MOU in subsequent school years. This MOU shall expire on June 30, 2022, unless another agreement is reached to extend this Agreement.

The Elk Grove Unified School District ("District") and the Elk Grove Education Association ("EGEA"), collectively referred to as the "Parties," agree to the following Memorandum of Understanding ("MOU" or "Agreement"):

RECIPIALTS

A. WHEREAS, the Parties collectively bargained Overload and Class Size Alternative Agreements ("Class Size and Overload Agreements"), for the 2015-2016, 2016-2017, 2017-2018, 2018-2019, and 2019-2020 school years, pursuant to Education Code section 42238.02, subdivision (d)(3)(D);

C. WHEREAS, the Parties agree that maintaining lower class sizes continues to be a priority of EGEA and the District. To the extent possible, new classes will be created whenever the number of students and the following factors including available space, school calendar, transportation, regional proximity, school size, minimizing the impact on students and families due to overload issues, and track availability allow this to be possible.

AGREEMENT

NOW, THEREFORE, the Parties agree as follows:

1. Recitals: The recitals set forth above are true and correct.

2. 2020-2021 and 2021-2022 School Years: The Parties agree that for the 2020-2021 and 2021-2022 school years, the parties agree to the following collectively bargained Class Size Alternate Agreement pursuant to Education Code section 42238.02, subdivision (d)(3)(D) for grades Transitional Kindergarten (TK) and Kindergarten (K) through third grade to have class sizes of greater than 24:1 and grades four through six to have class sizes of greater than 28:1 pursuant to this Agreement. The Parties agree that for the 2020-2021 and 2021-2022 school years, the model for calculating and scheduling overload compensation payments in place during the 2017-2018 school year shall continue.
3. Effective July 1, 2022, the terms of Article 14 of the Parties' collective bargaining agreement, that provides "The hiring ratio of grades K-6 shall be at most 28:1" and "All elementary schools will have a 4-6 CSR of 26:1 plus one Computer Resource Teacher per school site, to be implemented by July 1, 2006" shall apply.

4. **Class Size Overload Procedures and Compensation**

   In grades TK/K-3, or 3/4 combination, if a class size exceeds 24:1 and in grades 4-6, if a class size exceeds 28:1, the following shall apply:

   a. During the first ten instructional days of each school year, TK/K-3 classes may exceed a class size of 24:1 and grades 4-6 may exceed a class size of 28:1 without overload compensation.

   b. Upon enrollment of an overload student, office staff will immediately order all texts and student materials for the overload student issued to other students in that grade level.

   c. **Overload Compensation-Up to Two Students:** On the eleventh instructional day of the 2020-2021 and 2021-2022 school years, if a TK/K-3, 3/4 combo class exceeds 24:1, or a 4-6 class exceeds 28:1, the overload classroom teacher shall receive $22.50 per overload student, per day, for each student over 24:1, up to 26:1 assigned to a TK/K-3 classroom teacher, and $22.50 per overload student, per day for each student over 28:1 up to 30:1 assigned to a 4-6 grade classroom teacher.

   d. **Overload Compensation-Three Students or More:** On the eleventh instructional day of the 2020-2021 and 2021-2022 school years, if a TK/K-3, 3/4 combo class exceeds 26:1, or a 4-6 grade class exceeds 30:1, the classroom teacher shall receive $25 per overload student, per day. If a third overload student must be placed, the Principal will consult with the teacher and the District will consult with EGEA once the placement occurs.

   e. Overload assignments shall be distributed by site administrators equitably, to the extent possible, amongst the grade level at each site.

   f. **Processing/Payment Timeline:** The parties agree that the District shall compensate overload classroom teachers in accordance with the schedule set forth in the "TK-6 Class Size and Overloads Stipends Processing/Payment Timeline," attached hereto as Exhibit A and incorporated by reference. As specified in Exhibit A, each lump sum payment will compensate teachers for overload compensation earned over the course of certain designated months. For the 2020-2021 and 2021-2022 school years, Exhibit A shall follow the timeline pattern in the 2016-2017 Exhibit A.

   g. **Absences:** The parties agree that overload compensation earned by eligible teachers as provided for in this MOU Agreement shall end on the eligible teacher's
sixteenth workday of consecutive absence from work, regardless of whether the absence is paid or unpaid.

5. In unique situations when the distribution of overload students is not equitable at a grade level and a teacher is overloaded, the Principal will consult with the teacher who will be overloaded before the student placement occurs. The District will also consult with EGEA once the placement occurs.

6. Non-Precedential: The Parties agree that this Agreement shall not create any past practice or be deemed precedential for any purposes.

7. Except as otherwise provided in this MOU, all other terms and conditions of the Parties' collective bargaining agreement related to class size shall remain in full force and effect.

8. Meet and Confer: If the state legislature modifies Education Code section 42238.02 regarding elementary class sizes or otherwise adopts or changes any law regarding class sizes, the parties agree to meet and confer regarding such legislation.

9. Subsequent Years: The Parties agree to meet and negotiate prior to the end of the 2021-2022 school year regarding whether to continue this Agreement in subsequent school years. This Agreement shall expire on June 30, 2022, unless another Agreement is reached to extend this Overload and Class Size Agreement.

Late Start or Early Out Elementary Collaboration Time

Pilot EXTENSION: 7/1/2019 to 6/30/2021

(June 21, 2019)

Elk Grove Unified School District (District) and Elk Grove Education Association (EGEA), collectively referred to as "the parties," have considered their mutual interests and agree to extend this Pilot Agreement (Agreement) regarding Late Start or Early Out Elementary Collaboration Time in accordance with the following terms and conditions:

1. The parties agree that Elementary collaboration time shall take place at each elementary school one day per week through the implementation of a Late Start or Early Out schedule as defined in this Agreement.

2. The parties agree that the purpose of Late Start or Early Out Elementary collaboration time is for teachers and certificated staff to plan, adapt, and evaluate curriculum and instructional strategies, and analyze data collaboratively with colleagues.

3. The parties agree that this Late Start or Early Out collaboration time shall be used for elementary grade level or cross grade level teams to meet in groups. Late Start or Early Out collaboration planning time is to be used for the purposes described in this section. This time is not to be supplanted with trainings, staff meetings, non-instructional items, or administrative assignments.

4. The parties agree that all elementary teachers and certificated staff participating in Late Start or Early Out Elementary collaboration time will in collaboration with their site administrator, determine elementary planning time agendas, and the reporting out of tasks accomplished during elementary planning time.
5. Transitional Kindergarten and Kindergarten Collaboration Time

A. EGEA and EGUSD are committed to continuing to explore opportunities to provide collaboration time for Transitional Kindergarten (TK) and Kindergarten (K) teachers along with their grades 1-6 colleagues.

B. School site administrators will facilitate a collaborative process for deciding which of the following options best meets the needs of the school and team. If the TK/K teams or the TK teachers or the K teachers at a site are unable to reach consensus with each other or unable to reach consensus with their site administrator and the Associate Superintendent of Elementary Education on a collaboration time option for the 2019-2020 and 2020-2021 school years, then the 2015-2016 school year practice regarding collaboration time shall apply.

C. Options:

(1) TK and K-AM/PM teachers will collaborate with other teachers on their schedule one day a week for 40-50 minutes. This will be during the time that is historically considered TK and K partner time; or

(2) A one-half (½) day substitute will be provided once a month during which both the AM and PM teachers will be able to collaborate together for the half day work day. An alternating rotation of AM/PM collaboration time will be determined by the TK and K teams; or

(3) For sites that have an approved TK/K collaboration time schedule during the 2015-2016 school year, such sites shall continue to have the option to continue their 2015-2016 TK/K collaboration schedule; or

(4) On a site by site basis, an alternative collaboration time schedule option can be explored by the TK and/or K-AM/PM teachers and the site administrator.

The site administrator and the Associate Superintendent of Elementary Education will consider the following factors when determining whether to approve a proposed TK/K collaboration time option:

(a.) Cost of the proposed option.

(b.) Student transportation issues.

(c.) Compliance with instructional minutes requirements.

(d.) Minimal student class overlap time issues.
(5) The TK/K teams may choose not to select one of the above options, and as a result shall continue with the school site's TK/K 2015-2016 schedule.

6. The parties agree that Special Education teachers assigned to self-contained special education classes will determine, collaboratively with their administrator, the feasibility of participating in Late Start or Early Out Elementary collaboration planning time. Should a special education teacher assigned to a self-contained class not be able to participate, his/her schedule of instructional minutes will not exceed the number of instructional minutes taught during the 2014-2015 school year. The parties agree that the parties' joint Special Education Committee will consider potential options to address collaboration planning time for Special Education teachers assigned to self-contained classes.

7. The parties agree that during elementary collaboration planning time, in order to provide student supervision at minimal additional cost to the District, each school site will use existing non-certificated staff to provide student supervision to the extent possible. The parties agree that if it is necessary to use certificated staff to provide student supervision during Early Out or Late Start Elementary collaboration planning time, the sites will develop an equitable rotation schedule, so that an individual teacher or grade level is not regularly excluded from elementary collaboration planning time.

8. The parties agree that this Agreement regarding Early Out or Late Start Elementary collaboration planning time is an extended pilot program for the 2019-2020 and 2020-2021 school years, and that this Agreement shall expire on June 30, 2021.

9. The parties agree that representatives from the District and EGEA will meet to evaluate the benefits and related impacts of Early Out or Late Start Elementary collaboration planning time, the Late Start or Early Out schedule; and to determine if any changes are necessary. This pilot evaluation will occur prior to the end of April 2021. At that time, recommendations will be made to the negotiations teams regarding the conditions for future implementation of elementary collaboration planning time.

Memorandum of Understanding
Between
Elk Grove Unified School District
And
Elk Grove Education Association
Regarding
Secondary Alternating A/B Block Schedule Approval Process

December 15, 2017

Background

Pursuant to Section 14.2 of the Elk Grove Education Association ("EGEA") and Elk Grove Unified School District ("EGUSD") collective bargaining agreement, secondary schools have a hiring ratio of 32-1 ratio based on a traditional six (6) period day schedule. In order to maintain a 32-1 hiring ratio at a block schedule school under the parties' collective bargaining agreement, an additional allocation of FTE would be required. Past practice, between the District and EGEA, however, has allowed 4 x 4 block schedule schools to open and continue without an additional allocation of FTE resources because:

- The block schedule allows longer teacher daily preparation time and less direct teaching time as compared to a traditional six (6) period schedule.
- Teachers have fewer class assignments and fewer student contacts during each grading period as compared to traditional schedule schools.

On December 5, 2014, the parties agreed to a three year pilot regarding the approval process for Secondary Alternating Block Schedules. This pilot expires on June 30, 2018. The parties wish to continue the Secondary Alternating Block Schedules approval process.

Prior to the pilot agreement, conversion of a traditional six (6) period schedule to an A/B Alternating Day Block Schedule required an EGEA Side Bar Process, which allows for deviations from the parties' Collective Bargaining Agreement provided that the District is in agreement with the deviation from the parties' Collective Bargaining Agreement.

The five (5) existing secondary sites that have an Alternating A/B Block Schedule pursuant to the December 5, 2014 Agreement will continue with the Alternating A/B Block Schedule as long as the additional FTE described in section 2 and section 3 of this agreement are continued at the same level. If the additional FTE described in Section 2 and Section 3 are not continued at the same at the same level, then a site must engage in the EGEA Side Bar Process in order to continue with the Alternating A/B Block Schedule.

This approval process agreement provides for a different voting procedure than the one required by the EGEA Side Bar Process and is permissible as long as EGUSD continues to
provide the additional FTE support pursuant to this agreement to mitigate the increase in student contacts at one time. In addition to fulfilling the approval process described in this agreement for new secondary schools to participate in the A/B Alternating Block Schedule, the parties acknowledge that EGUSD must also agree to continue the Alternating A/B Block Schedule at a particular school site.

Agreement

Accordingly, the Elk Grove Unified School District ("District") and the Elk Grove Education Association ("EGEA") collectively referred to as the "Parties" agree to the following Memorandum of Understanding ("MOU" or "agreement") for the maintenance of five (5) secondary schools on an Alternating A/B Block Schedule, and if one of the existing secondary schools reverts back to their non-Alternating A/B Block Schedule, to provide the opportunity for a new high school and/or middle school to participate in the approval process described in this agreement.

1. The parties agree that the five (5) secondary schools on the Alternating A/B Block Schedule during the 2017-2018 school year included in this MOU will continue their existing Alternating A/B Block schedule if approved by site votes (voting process described in Attachment A and in Sections 5 through 11 of this agreement) by February 1, 2018. In the event that an existing school fails to approve the continuation of the Alternating A/B Block Schedule, an additional school may seek to participate in the approval process, so that there is a maximum of five (5) District schools with an Alternating A/B Block Schedule and total of augmented FTE does not exceed 12 FTE. If there are more than five (5) schools expressing an interest in Alternating A/B Block Schedule or more than 12 augmented FTE total needed, a joint committee of EGUSD and EGEA representatives, will be established to determine if any additional schools are eligible to engage in the process included in this MOU to convert to an Alternating A/B Block Schedule.

2. The parties agree that if a high school continues an Alternating A/B Block Schedule or votes to convert from an existing schedule to an Alternating A/B Block schedule pursuant to the terms of this agreement, the school site shall be allocated three (3) additional full time equivalent ("FTE") bargaining unit positions. This instructional FTE allocation shall be in addition to the 32:1 (or any future negotiated ratio) school site allocation provided for general education. The augmented FTE shall not be used for non-instructional purposes. The intent of the FTE augmentation is to reduce the number of student contacts created by an A/B Alternating Block Schedule. To assure the integrity and intent of the agreement, a collaborative process between certificated staff and site administration will be used to determine the assignment of the three (3) additional FTE. EGEA and the District will continue to review and monitor the allocation of the three (3) additional FTE to ensure that the allocation is consistent with the purpose and intent of the additional FTE as described in this section.

(SR27077)
3. The parties agree that if a middle school continues an Alternating A/B Block Schedule or to convert from an existing schedule to an Alternating A/B Block Schedule, the school site shall be allocated one and one half (1.5) additional full time equivalent ("FTE") bargaining unit positions. This instructional FTE allocation shall be in addition to the 32:1 (or any future negotiated ratio) school site allocation provided for general education. The augmented FTE shall not be used for non-instructional purposes. The intent of the FTE augmentation is to reduce the number of student contacts created by an A/B Alternating Block Schedule. To insure the integrity and intent of the agreement, a collaborative process between certificated staff and site administration will be used to determine the assignment of the one and one half (1.5) additional FTE. EGEA and the District will continue to review and monitor the allocation of the one and one half (1.5) additional FTE to ensure that the allocation is consistent with the purpose and intent of the additional FTE as described in this section.

4. The parties agree if one or more of the five (5) existing Alternating A/B Block Schedule schools vote to discontinue an Alternating A/B Block Schedule by February 1st, in order for a new secondary school to convert to an Alternating A/B Block Schedule for the first time, the District and EGEA must agree. In addition, the new school must successfully complete the voting process described in Attachment A and in Sections 5 through 11 of this agreement prior to February 1st of the school year prior to the implementation school year. No more than five (5) secondary schools may have an Alternating A/B Block Schedule under this agreement without the consultation with and the approval of both EGUSD and EGEA.

5. Prior to an Alternating A/B Block Schedule vote, a joint announcement by site administration and EGEA will be made to all unit members at the site that the vote will take place over a two day specified period.

6. In order for a valid Alternating A/B Block Schedule voting process, 50% plus one of the eligible voters are required to vote in order to equal a quorum.

7. Eligibility to vote is based on being an active EGEA member. Members on short term paid leave are eligible to vote. Those on unpaid leave are eligible to vote if they remain active/dues paying EGEA members. Eligible voters exclude agency fee payers and bargaining unit members on unpaid leave unless they are dues paying members. EGEA will validate the eligibility of staff members to vote.

8. In order to approve a change to an Alternating A/B Block Schedule, 67% of those eligible bargaining unit members who vote, at a school site, are required to vote in the affirmative in order to approve and implement an Alternating A/B Block Schedule.

9. The parties agree that an EGEA Site Representative and a Site Administrator shall jointly count and validate the votes.
10. If a new school site votes to implement an Alternating A/B Block Schedule for the first time, that Schedule shall be implemented for the school year following the vote and shall remain in effect consistent with this agreement.

11. The parties agree that retention of the Alternating A/B Block Schedule will depend on the continuation of the augmented FTE (or FTE augmentation).

12. If the augmentation of three (3) additional FTEs for high schools and/or the one and a half (1.5) FTE for middle schools is continued, then the Alternating A/B Block Schedule shall continue.

13. If more than five schools seek to participate in an Alternating A/B Schedule without the augmentation of FTEs by the District, an EGSEA Side Bar Process is required in order for a school to have the A/B Block Schedule without the augmentation of three (3) FTE for the high schools and/or the augmentation of one and half (1.5) FTE for the middle schools.

14. If the augmented FTE continues and an existing Alternating A/B Block Schedule school wants to discontinue the Alternating A/B Block Schedule with District approval, a vote following the same voting procedures outlined in this agreement shall take place to determine a new schedule. If a new schedule is approved, the augmented FTE will not be allocated to that site.

15. The parties agree that in order for a school site to convert to an Alternating A/B Block without augmentation, the EGSEA Side Bar Voting Process is required.

16. Except as otherwise provided in this MOU, all other terms and conditions of the Parties' collective bargaining agreement shall remain the same.

17. The parties agree to meet and confer if a total of more than 12 bargaining unit member FTEs are required under this agreement regarding the Alternating A/B Block-Schedule at five schools.

18. The parties agree to meet and confer if the FTE augmentation described in this Agreement is projected to be eliminated by EGUSD.

19. The parties agree that in the event that the District ceases to provide the Additional FTE described in Section 2 and Section 3 of this MOU, this MOU shall expire.
