**2023 Annual Notice of Eligibility to Participate
in a 403(b), 457 Deferred Compensation Program**

December 15, 2022

Dear Elk Grove Unified School District Employee,

As an employee of a public-school system, you are eligible to participate in a 403(b) and/or 457 deferred compensation program. Participation in these plans is voluntary and may be done at the employee’s discretion. All employees are eligible to participate in these plans. Enrollment and contribution changes may be done any time during the year. New enrollment or changes to existing enrollment are due to the Payroll Office by the 10th of the month for processing on the next month’s payroll.

Please note tax year contributions begin with the January 1 pay warrant (December end of month pay) and continue through the final pay warrant issued in December. For employees receiving end of month pay (contracted employees) the November end of month is your last pay warrant contribution for the given tax year.

There are two different types of voluntary tax deferred retirement plans in which you may participate through payroll deduction. You may contribute to a 403(b)-tax deferred annuity/mutual fund plan and/or a 457 Deferred Compensation plan.

The chart on the following page lists the 2023 maximum contributions under each plan and contact information. In addition, please refer to additional information by visiting the [EGUSD Benefits webpage](#).

Please call (916) 686-7778 or email egusdpayben@egusd.net with any questions.

Thank you!

You may be able to contribute the maximum to both plans (403(b) and 457).
