RETURNING TO SUBSTITUTE

A 180-calendar day waiting period is required for all employees who retire from a public employer before a retiree can return to work (without rescinding retirement). The 180-calendar day waiting period starts from the first day of CalSTRS retirement. Please refer to the CalSTRS website for more information and exemptions.

To become a Substitute Certificated Employee after the 180-calendar day waiting period, you will need to submit an application via EDJOIN for the Substitute Teacher Eligibility Pool. *Please note that submission of an application does not ensure an employment opportunity.* If selected you will be notified by Substitute Services to begin the hiring process which will include the completion of new Payroll paperwork, re-fingerprinting (required by law for returning employees who have been separated from the district) and completion of required annual mandated trainings.
