PLACEMENT PROCESS							
We will utilize a Randomized Kindergarten Track/Schedule Assignment through an automated computer generated process. In order to participate in this process, the kindergarten Welcome Packet and supporting documentation must be received by 3:30pm on February 21st, 2024. The randomized placement process alleviates the need for our families to stand in line, and it will give each family an equal opportunity for their preference selection. This automated process allows for a greater opportunity for the distribution of demographics and results in a more balanced representation of our community within classes/tracks.
