Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Dillard administration met with stakeholder groups throughout the 2022 - 2023 year to review student outcomes, evaluate the effectiveness of our plan, and to make modifications in order to improve student progress. This analysis and discussions were held at the following staff meetings: August 29, November 7, January 23, March 6, and April 4. Leadership meetings engages in data analysis and goal setting on April 10 and April 17. Dillard School Site Council reviewed data and evaluated the effectiveness of the plan on
October 6, December 1, February 23, and April 28. ELAC provided feedback from their Winter ELAC meeting on February 3. The 2022 Parent, Student, and Staff School Climate and LCAP Needs Assessment survey data also contributed to completion of the school plan.

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

The evaluation validated the strength of our intervention programs and positive behavior supports through the MTSS process that is part of our PBIS program. Due to the success of AVID implementation in Grades 5-6, this program will be expanded schoolwide in the 2023 - 2024 school year. We noted areas for targeted improvement are creating structures for consistent implementation of social emotional learning instruction, as well increasing home-school communication.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Our needs analysis revealed a resource inequity regarding extended day academic assistance for EL students. In 2023 - 2024 funds are allocated for extended day tutoring/homeworks support.

### PBIS

1. Introduce PBIS routines and strategies at the start of the year at a school assembly that includes introduction of PBIS rules and practice of expectations by rotating classes to key areas of the campus where teachers show how the rules apply to that location. Each class then earns a PBIS Passport stamp upon completion of each station. Teachers will also introduce and reinforce behavioral expectations within classrooms.

2. Reinforce PBIS routines and rules within the classroom, at the Friday Round-Up and, during morning announcements.

3. Recognize positive behaviors using Golden Tickets with rewards given out at The Dillard Trading Post at least once each month.

4. Staff will give students Spark Notes to reinforce specific positive behaviors, which will include these target behaviors:
   - Use kind words
   - Keep hands and feet to self
   - Help or stand up for peers who are hurt
   - Attend school all week

5. Students will deposit Spark Notes in a raffle box, and

### PBIS

#### Actions 1 - 6:

- During PBIS Tier 1 Team's monthly meetings, analyze behavior data on a monthly basis in order to determine the effectiveness of PBIS practices and to refine our use of these programs in order to increase positive student behaviors.

#### Actions 7 - 9:

- Report results of Tier 1 behavior reviews, suggested target areas and/or refinements in practices to teachers at staff meetings and yard supervisors at scheduled monthly meetings.

## Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.
