Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Mack Staff worked together throughout the school year in staff meetings and grade level PLCs to review and analyze last year’s LCAP and data from multiple sources, such as the Dashboard and grade level RTI data as it relates to the Eight State Priorities and EGUSD’s four Strategic Goals. Our Leadership Team met throughout the year to plan and evaluate plans that would support students and instruction. Staff was surveyed seeking input for the 2023-2024 school year. Our PBIS Team meets monthly to look at student data,
make plans to address needs, and receive input for its membership, which included staff and parents. The PBIS Fidelity Inventory was completed and informed decisions moving forward.

Data was shared with parents and guardians during our Title One meetings and feedback was solicited. Our English Learner Advisory Committee meets regularly throughout the year and shares and analyzes data, activities, programs, and expenditures that serve our EL students. Our School Site Council reviewed Mack data related to EGUSD’s four Strategic Goals and our progress toward our goals. The council provides input and suggestions based on student need.

The follow were opportunities to be a part of the planning process for this LCAP/Annual Review and Analysis:
- Mack Leadership Team meetings on
- Staff Meeting on May 1, 2023
- ELAC on May 3, 2023
- School Site Council on Thursday, April 27, 2023
- Staff survey in March 2023
- Back to School Night and Title One meeting on August 18, 2022
- EGUSD Parent, Staff, and Student surveys in March and May
- LCAP Parent Input Night on May 18, 2023

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

As a result of input and collaboration with all our stakeholders, Charles Mack’s LCAP now reflects those suggestions, observations, insights, and results from data collected. We are emphasizing early literacy and numeracy, reading fluency and reading comprehension. Additional paraeducators will be employed to academically support our primary students. Academic Intervention Teachers will provide weekly small group instruction to supplement high-quality, core classroom instruction in math, English-language arts, and social/emotional learning. Our AIT team is also leading multiple newcomer groups to work on oral language and other academic areas.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Charles Mack Elementary was identified as an Alternative Targeted Support and Improvement school because our subgroups of students with disabilities (SWD), socio-economically disadvantaged students, and our African American students were not making necessary growth more than 2 years in a row. They need more targeted intervention & staff need more training on foundational skills to meet these targeted needs. As a result of our needs assessment, additional resources have been allocated to support the increase in achievement for these subgroups.

- Assessment data is collected each trimester on small group intervention with specific learning targets and goals for each student group. Academic Intervention Teachers (AIT), classroom teachers, and our extended day program are supporting these targeted needs.
- Our PLC time with our Special Education, PBIS Team, Tier II Team, and Classroom Teachers have been formed to target student outcomes and discuss the progress of SWD, socio-economically disadvantaged, and our African American students using standards aligned interim assessment data.

**Instructional Framework:** Our teaching staff received high quality professional development from our district coaches in the spring of 2023. The staff was trained in Instructional Framework Module 1 (Learning Targets) and Instructional Framework Module 2 (Success Criteria). Module 3 will be given in the fall of 2023. When teachers use the instructional framework to fidelity, student achievement in all areas will increase. High quality professional development leads to high quality instruction which leads to increased student success.

Site Goal 3.1  (SiteGoalID: 6351) (DTS: 02/10/23)
Our goal is to continue to close the gap, ultimately eliminating disproportionality between subgroups in regards to the number of suspensions according to Synergy data. The amount of referrals and suspensions will decrease by 10% and school wide implementation of PBIS, SEL strategies and culturally responsive teaching will continue. Improve overall score on TFI and decreased amount of students needing Tier 2 and Tier 3 supports, and increase percentage of positive responses by 18% on CHKS survey. According to various data sources:

- Mack Attendance Rate for 2022-2023 (as of 5/15/23) - 89.9%
- Suspension percentages: 2017- 3.1%, 2018- 2.1%, 2019 - 4.9%, 2021- NA%
- CHKS from 2021-2022 school year: 81% students felt safe on campus, 89% reported that students know the rules, 89% reported positive behavior
- SEL Survey data
- Second Step usage data

2022-2023 Goal:
Our goal is to add layers to our foundation of equitable instruction, intervention, SEL, and disciplinary practices to improve the social and emotional well-being of all Charles Mack students. The results from our Tiered Fidelity Inventory are as follows:

- Tier 1 Overall implementation: 90%
- Tier 2 Overall implementation: 85%

**District Strategic Goal 4:**
All students will benefit from programs and services designed to inform and involve family and community partners.

**District Needs and Metrics 4:**
Students need parent, family and community stakeholders as direct partners in their education as measured by:
- Attendance Rate
- Chronic Absentee Rate
Site Goal 4.1  (SiteGoalID: 6352) (DTS: 02/10/23)

Increase authentic relationships and partnerships between school and home, specifically reaching out to underserved and disengaged families. According to the LCAP survey given in December, 2020. the top five areas of importance from parents were:

- (A Safe School- 82% satisfied)
- (Timely and regular feedback from teachers-71% satisfied)
- (Bully Prevention - 76% satisfied)

At Charles Mack we will decrease the number of students who are chronically absent and or tardy to school. All students will have an equitable opportunity to learn in a culturally responsive, physically and emotionally healthy and safe environment. We will decrease our chronically absent students from 14.5% to 12.5% for our whole school. Our African American Populations will decrease from 28% to 24% and our Special Education Population from 19.8% to 15.8%.

2022-2023 Goal:
Our goal is to improve our parent involvement/parent engagement model by increasing the number of parents/guardians and family members that attend parent and family events, and increase the efficacy of the programs and supports we provide. We will continue to improve parent involvement and staff communication through family programs, family events, and social media.

**Justification of School-Wide Use of Funds**

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site’s goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.

Charles Mack is not below 40% of enrollment of undocumented pupils.
