IV. Goals, Actions and Services
Cosumnes River Elementary | Focused Work: 2023-2024

Goal Setting (Icapid: 520)

State Priorities

Conditions of Learning:
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness
- All students will have an equitable opportunity to learn in a culturally responsive, physically/and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement
- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Cosumnes River Elementary School attempts to engage stakeholders to develop our comprehensive plan and be responsive to our outcome data as well as the needs of our community. Through CRES leadership team meetings (Fourth Monday of each month during the school year); Staff meetings (First Mondays of each month during the school year); Grade level PLC meetings (Each Monday during Early Out Time); School Site Council meetings (9/27, 12/6, 1/31, 4/13, 5/16), and information from parent and student surveys, our school
shares our planning process.

Our commitment is to be transparent with funding, to align our budgets with outcome oriented expenditures as well as to seek multiple sources of input to fine-tune our responsiveness to students, families and staff in order to reach our collective school goals.

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

All of the input from the stakeholder groups was taken into consideration when creating the site goals for the 2022-2023 school year as well as the actions/services. Since CAASPP and Dashboard data is still adjusting to the Covid Pandemic, it was determined that we need to add goals that did not fully rely on that data source. Also, it was determined that in addition to having an overall goal of improving the percentage of students who were at or exceeding expectations on the CASSPP assessments, we needed to create a goal for all students in grades K-6 as well as those who are already at or exceeding expectations on the CAASPP assessments. We also determined that we need to create goals specifically for discipline and attendance for students who identify as "Two or More" as well as continue to have plans to increase student attendance for all of our students.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

As of the Spring of 2023, our school had the following sub-groups enter into ATSI:

<table>
<thead>
<tr>
<th>Student Group</th>
<th>Suspension Rate</th>
<th>CHRONICALLY ABSENT</th>
</tr>
</thead>
<tbody>
<tr>
<td>Two or More</td>
<td>1</td>
<td>1</td>
</tr>
</tbody>
</table>

We have put goals and actions in place in order to address the inequities amongst student groups in both suspension rate and attendance. We will use supplemental concentration funds to explore attendance incentive opportunities for this student group.

Goals, Actions, and Progress Indicators

District Strategic Goal 1:

All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

District Needs and Metrics 1:

Students need high quality classroom instruction and curriculum as measured by:

- A-G Completion
- Access to Courses (Honors, AP/IB, CTE)
- AP/IB Exams
- CAASPP
- Content Standards Implementation
- CTE Sequence Completion
- EAP
- Other (Site-based/local assessment)
- Progress toward English Proficiency
- Redesignation
- Teacher Assignment
Site Goal 1.1  (SiteGoalID: 6198) (DTS: 02/10/23)

Our site goal is to increase proficiency in English Language Arts and Mathematics for all students, specifically with a focus on EL, AA, Foster Youth, and LI students, will be monitored throughout the year. using multiple measures of assessment including CAASPP, California Dashboard data, Illuminate Interim Assessments, and Fountas & Pinnell Reading Assessment data.

· All students, specifically with a focus on EL, AA, Foster Youth, and LI students, will be monitored throughout the year. will increase their scale score in ELA and Math as measured by the CAASPP assessments for grades 4-6 in order to increase one performance band or increase their scale score if they are already in the Standard Exceeded range.
· Schoolwide SBAC ELA scores will increase overall 3% or more per year in grades 3-6 from 67.29% to 70.29% or higher for students who meet or exceed expectations.
· Schoolwide SBAC math scores will increase overall 3% or more per year in grades 3-6 from 62.91% to 65.91% or higher for students who meet or exceed expectations.
· Limited Income (LI) ELA scores will increase 5% or more per year in grades 4, 5, and 6 from 59.46% to 64.46% or higher for students who meet or exceed expectations.
· Limited Income (LI) Math scores will increase 5% or more per year in grades 4, 5, and 6 from 51.35% to 56.35% or higher for students who meet or exceed expectations.
· Students with Disabilities (SWD) ELA scores will increase 5% or more per year in grades 4, 5, and 6 from 32.26% to 37.26% or higher or higher for students who meet or exceed expectations.
· Students with Disabilities (SWD) Math scores will increase 5% or more per year in grades 4, 5, and 6 from 25.81% to 30.81% or higher or higher for students who meet or exceed expectations.

Metric: CAASPP (ELA, Math, Science) - Percent Standard Met or Exceeded

· What modifications do you need to make?

1. Implement the EGUSD Instructional Framework consistently in all classrooms.
A. Create and distribute Action Plan for implementation - June,
2023
B. Plan and schedule year-long professional learning opportunities with site CPL coach - August 2023
C. Provide opportunities for in-class support for teachers working with CPL coaches, peers, and/or site administration - November 2023 - May 2024 (sub coverage - 30 days, $7500)

2. Improve alignment and communication between special education and general education teachers to increase achievement for students with disabilities.
A. Develop a Learning Center Training Session - June, 2023
B. Create consistent schedules for computer lab, PE, and library for all grades - June 2023
C. Deliver Learning Center Training Session to general education teachers - August 2023
D. Schedule release days for Learning Center/General Education teachers articulation opportunities - Fall, 2023 (sub coverage - 15 days, $3750)

3. Create improvement goals for students in grades 3-6.
A. Gather CAASPP data - July, 2023
B. Explain scale score and performance band results to students - September, 2023
C. Teachers to have goals setting conferences with students to set individual goals with students regarding increasing scale score and performance band or maintaining performance band if already level 4 - September
D. Principal to set class overall improvement goals - October, 2023

4. Teachers to continue to use the MTSS process to provide tiered support to all students, and the referral process to engage the support of the Intervention Team for RtI and referral for additional supports/interventions as appropriate. SST’s to be facilitated by the Intervention support opportunities

- Monthly FONT data shared with staff
- Classroom and assessment performance for students with disabilities
- Measure the number of opportunities for push in support for students with disabilities
- Effectiveness of continued use of the MTSS process to be measured by number and quality of referrals and teacher feedback/survey.
Team for both academic and social-emotional concerns (including both struggling and excelling students). Three roving guest teachers for full days will be provided to rotate between classroom teachers for MTSS/COOP meeting days. (10 days @ $250 = $2500)

1) To strengthen reading and math skills for all of our students, particularly those who are underperforming or excelling, all students will be given access to additional support at their current levels by implementing IXL, a personalized instruction software program, for both reading and math during the 2023-2024 school year. This program will allow all of our students to receive personalized support and includes professional development for all teachers regarding how to utilize the diagnostic portion of the program and then how to analyze the data. ($8,250)

2. ESSER funder 1.0 Academic Intervention Teacher (AIT) for K-6 academic support with and emphasis on early reading skills.

1. Effectiveness of personalized software instructional program will be measured by comparison of beginning and ending achievement levels in math and reading for all participating students.

2. Use Illuminate beginning, middle, and end of year data to track student progress.

2. Effectiveness of efforts to be measured by pre and post tests created by the AIT.

1. Teaching Teams in Grades 3-6 to be provided time sheeted compensation after the school day to identify enriching/extending/accelerating learning activities for students in those grades who have shown proficiency/mastery of priority standards in ELA and mathematics (Essential Question #4 of a PLC) – 8 hours @ $50 X 8 teachers = $3,200).

2. GATE coordination (administration of NNAT to 3rd grade students in the fall, and 4th – 6th referred students in the spring, attendance at GATE coordinator meetings, communication with families, and recordkeeping) = 1 day for 3rd grade NNAT testing ($250), 1 full day for 4th-6th grade testing ($250).

3. Enhance school STEM materials, equipment, and resources to provide students with learning opportunities that support NGSS standards and enrich academic experiences. ($2,897, GATE, $75 Supplemental Concentration)

4. ESSER funded after school tutoring programs will continue for all teachers who run tutoring

1. Effectiveness of use of release days or after hours work to analyze data per trimester will be measured by Grade Level Team Release Day Agenda & Notes along with administration and CI coach observations.

2. Effectiveness of GATE testing will be measured by the number of students who qualify and the resulting evidence of increased academic achievement due to participation in accelerated activities and overall growth on beginning and ending assessments as well as CAASPP results.

3. Classroom observations and teacher meeting notes to determine level of implementation of STEM and AVID materials and strategies.

4. Grade level meeting notes that reflect STEM discussion and implementation strategies.

5. Pre and post tests to be administered to determine effectiveness of tutoring programs.
5. Work with a retired teacher to provide opportunities for students to extend their learning in science by participating in lab experiments in our school science lab. (Time card - 4 hours per week, 36 weeks per year X $50 per hour - $7200)

1. English Learners will be provided with designated ELD time in all K-6 classrooms (30 minutes X 5 days a week 1-6 grades; 15 minutes X 5 days a week for K) to ensure growth in English Language proficiency. The curriculum to be used is board-adopted *Wonders ELD* along with *Imagine Learning, Academic Vocabulary Toolkits* and EGUSD "newcomer" resources.

2. EL Coordinator and ELPAC Coordinator will monitor RFEP status and attend District EL Coordinator meetings as required/needed, provide ELPAC training and administration as required. Both coordinators will report results to administration and district as required/requested. ($1,000 substitutes for ELPAC administration)

1. Effectiveness of designated ELD time in classrooms to be monitored and measured through EL students’ performance on *Wonders Unit Assessments, Illuminate Education, RFEP Monitoring* and ELPAC.

2. EL and ELPAC Coordinators will report results to classroom teachers, administration and EGUSD English Learner Services department as requested/required.
3. Provide translation services for newcomer students as needed for academic and social-emotional support ($785)

Site Goal 2.2  (SiteGoalID: 6199) (DTS: 02/10/23)

All students need teachers to work together collaboratively to respond to student data, share best practices, and collectively improve student learning among all grade level teaching teams. Our site goal is to increase student learning by using assessment results to guide instruction and continuous programmatic evaluation. Meeting weekly during early dismissal planning time, teachers will implement the EGUSD adopted assessment platform *Illuminate Education* to administer and analyze assessments. Teachers will also use grade level specific assessments as well as information from our personalized instructional software program
for Reading and Math for all students.

### Funding Sources for District Goal 2

| Supplemental/Concentration (7101/0000) | $9750 | Certificated- Timesheets |

### District Strategic Goal 3:
All students will have an equitable opportunity to learn in a culturally responsive, physically and emotionally healthy and safe environment.

### District Needs and Metrics 3:
Students need a safe and engaging academic, social-emotional, and physical school environment as measured by:
- Cohort Graduation
- Expulsion
- HS Dropout
- MS Dropout
- Other (Site-based/local assessment)
- School Climate
- Social Emotional Learning
- Suspension

### Site Goal 3.1 (SiteGoalID: 6200) (DTS: 02/10/23)
Students need a safe, positive and equitable environment in which to learn. Teaching and support staff also need a safe, positive and equitable workplace. This will be accomplished through a positive attendance campaign, a fully implemented Tier 1 and Tier 2 PBIS program, our CRES Equity Plan, opportunities for students to have a voice and contribute to a positive school culture and climate, a successful transition from elementary to middle school, and the implementation of Social Emotional Learning curriculum.

One way to measure success in these areas is to reduce the amount of discipline referrals site wide. This includes minor incidents, major incidents, and suspensions. Therefore, CRES will work to:
1. Reduce the number of suspensions by 25% when compared to the 2022-2023 school year
2. Reduce the number students involved in suspensions by 25% when compared to the 2022-2023 school year.
3. Decrease the number of major discipline incidents by 25% when compared to the 2022-2023 school year.
4. Reduce the number of students who receive major discipline incidents by 25% when compared to the 2022-2023 school year.
5. Reduce the number of minor offenses by 25% when compared to the 2022-2023 school year.
6. Reduce the number of students who receive minor offenses by 25% when compared to the 2022-2023 school year.

   D. The school Administration will utilize Restorative Practices when working with students. (Year-long)
   E. Teachers will be encouraged to utilize Community Circles/Classroom Meetings each week. (Year-long)

2. The PBIS Tier II Team will monitor student academic, behavioral and socio-emotional progress through the use of data at bi-weekly PBIS Tier II Meetings and will report updates at staff meetings. (Year-long)

3. School Climate Surveys to parents, staff and students will be distributed by the Principal. (March-June)

4. PBIS Tiered Fidelity of Implementation for Tier I and II will be calculated by the administration of the TFI by the PBIS Teams. (March-April)

5. PBIS Tier 1 and 2 will continue to be implemented with fidelity: Schoolwide behavior expectations, signage, explicit teaching and re-teaching, review of discipline data, action planning, professional learning for staff, use of MTSS process, implementation of Tier 2 supports, and updated Family Handbook and website information. “Stop, Walk, and (maybe) Talk” will continue to be taught, reinforced, and reminded to ensure that students are self-
advocation, being “upstanders” instead of bystanders and developing empathy for others. Replace any wind signs that need to be replaced due to weathering and provide ink/paper for certificates of recognition in monthly Beep Beep Assemblies.

6. Provide time prior to students return to campus to meet as a PBIS Team to plan and prepare for the first day/week of school on campus and the reintroduction/reteaching of PBIS behavior expectations to be scheduled during the first week of August, 2023. (3 teachers x 4 hours x $50 = $600). Provide time for principal to work with yard supervisors beyond their regular hours to support and align expectations. (3 yard supervisors x 5 hours x $15 = $225)

7. Provide stipend for Golden CRES advisors and additional materials to support program.

8. Create a Parent Enrichment Series of activities including Literacy Night, Math Night, STEM night, and Family Maker's Faire Night. ($5000)

District Strategic Goal 4: District Needs and Metrics 4:
All students will benefit from programs and services designed to inform and involve family and community partners. Students need parent, family and community stakeholders as direct partners in their education as measured by:

- Attendance Rate
- Chronic Absentee Rate
- Family and Community Engagement
- Input in Decision Making
- Other (Site-based/local assessment)
- Partnerships for Student Outcome
- Relationships Between Staff and Families

**Site Goal 4.1  (SiteGoalID: 6201) (DTS: 02/10/23)**

All students need parent, family and community stakeholders to be engaged as direct partners in their education. Our focus at CRES will be to prioritize these three strategy areas that work together to help students and schools be successful: 1) creating a welcoming and engaging climate with strong relationships and communication between families and school staff, 2) partnering with families to support student achievement, and 3) investing families in school success. We will also be providing our community an opportunity for input on school improvement and inviting them as partners in school improvement.

One way to accomplish these goals is to increase attendance. Therefore, CRES will work to increase average daily attendance from 93.2% in the 2022-2023 school year to 95% or higher for the 2023-2024 school year. We will also decrease the number of students categorized as Chronically Absent by 10%

**Metric: Attendance Rate**

**Actions/Services 4.1.1  (SiteGoalID: 6201) (DTS: 02/10/23)**

**Targeted Student Group(s)**
- School-wide • Two or More

**What Specific Actions/Services will you Provide to this Student Group?**
- Actions and Services are a "micro strategic plan" within the Site LCAP to address root causes.
- Actions and Services should be step by step in a chronological order.
- Actions and Services should remove barriers and implement changes.

**How will you Progress Monitor the Implementation of Actions/Services?**
- What progress data will be collected and who will collect it?
- How often and when will it be collected?
- Who will it be shared with and when?

**Evaluation Cycles in 2023-2024**
- What is working?
- What is not working and why?
- What modifications do you need to make?

1. Implement attendance process with incentives.
   A. Communicate information to families regarding attendance policies and the importance of school attendance. (August)
   B. Letters sent from our office staff after 2 days of

   - SOAs to document communication in talking points (monthly)
   - Bi-Weekly attendance review meetings and monthly checks on Average Daily Attendance school-wide and for Two or More sub-group.
absences. Staff to use Talking Points to follow up with any unverified absences. (Year-Long)
C. Hold bi-weekly meetings with attendance officer to identify families that need more communication and feedback from school site or attendance officer. (Year-Long)
D. Follow school policy as laid out in the District Handbook for tracking and monitoring absences via the SARB process. (Year-Long)
E. Hold monthly PBIS/Intervention team meetings. (Year-Long)
F. Establish a CICO for chronically absent students. (August)
G. Create attendance incentive programs with rewards for students and monthly drawings for families with excellent or much improved attendance. ($1000)

- Monitor the attendance, early dismissal and tardy frequencies for Two or More students. Administrative team to analyze data to see if there is improvement in attendance
- Share attendance data with staff at staff meetings each trimester.

2-3. Effectiveness will be measured by observations and feedback with community partners and participation in school-governing bodies (SSC, CRES Equity Team, CRES PTA).

2. Continue to strengthen and increase community-based partnerships (Kiwanis, CRES PTA, Champions, Young Rembrandts, Mandarins, ETC) and charitable organizations (Elk Grove Food Bank, Toys for Tots, Toys for Troops Kids).

3. Our CRES Equity Plan will be revisited during a staff meeting in August, 2023 and updated as needed for the 2023-2024 school year.

4. Make connections with families who identify as "Two or More" ethnicities to enhance school to home connections and improve attendance.

1. CRES will continue to review the “FACE Welcoming Schools Checklist” and address/implement actions or services where we can improve:  
1) friendly, clear instructions and information (including surveys) for all families and visitors in English and Spanish,  
2) a “new student/family orientation after with email to all staff welcoming new student, campus tour, first day introductions to office staff, administration, and teachers, and  
3) a suggestion box for families to contribute ideas in a visible location in the office.

2. Due to the low number of EL students on our campus, we will recruit a parent of an EL student to join our School Site Council as we do not have a ELAC currently since we have so few EL students.

1. Effectiveness of the implementation of the actions and services to be measured by artifacts (translated documents, new student orientation process, and suggestion box).

1) Continue to provide parents with research regarding student success and its relationship to truancy; counsel and caution families regarding vacations during the instructional calendar; remind families to schedule appointments after the school day. Additionally, we will utilize the Attendance Improvement Office to address and support chronically truant families.

2) CRES to consistently look to refine attendance incentive plans that positively motivate students and families to attend school and increase attendance percentages.

3) Explore an incentive program for parents whose children show excellent or improving school on-time attendance.

Average Daily Attendance for the 2023-2024 school year will be collected and measured each period to track progress towards our goal. We will also include the California Dashboard data when it is available and current.

**Justification of School-Wide Use of Funds**

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in *Actions, Services, and Expenditures* above.

Cosumnes River Elementary School is a low density site in relation to specific subgroups, such as English Language Learners, socio-economically disadvantaged, students with disabilities and traditionally under-performing subgroups. Due to this fact, we will leverage our resources for the benefit of all students, utilizing our resources and expertise to ensure that all students are learning at grade level or higher.
