Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

The following opportunities for stakeholder involvement were provided:

- Gathering of input began in November of 2022 and is on-going
- Parents were involved in the revision of the LCAP through discussions and completion of the LCAP Needs Assessments at the following meetings:
Teachers, parents, students and administration were engaged in the LCAP survey on November 2nd. The LCAP was discussed at department meetings and at a faculty meeting as well. The Leadership team took part in a revision of the LCAP on April 25, 2023.

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

Various meetings throughout the course of the 2022-23 school year, allowed all stakeholders to assess the needs and services that were being provided. We continued to follow a specified timeline to ensure that stakeholders were engaged in a timely, efficient manner in the development of the LCAP. Throughout the 2022-23 school year, our site encouraged stakeholder participation to support their understanding of the LCAP/LCFF. We gave surveys soliciting input and held informational meetings that allowed stakeholders to engage in a dialogue to deepen their knowledge base, build collaboration, and gather input regarding LCAP/LCFF. The results showed that our plan should focus on the following initiatives:

a. Parent and family engagement, education and communication
b. Instructional support – CCSS, ELD, Special Education: materials, professional learning/coaching, technology, assessments
c. Extended learning: before/after/intersession/summer, includes tutoring and mentoring
d. EL support: student, staff and parent support
e. Behavioral support: counseling (individual & group), psych, MHT for all students and targeted subgroups (EL and FY particularly)
f. Safe, secure and well maintained facilities/learning environments: staff, buildings, equipment
g. College and career preparation: GATE/Honors/AP, course access, Linked Learning, AVID, field trips
h. Professional learning: certificated, classified and leadership
i. Technology and related training to support teaching and learning for students, staff and parents
j. Educational equity – focused efforts to reduce opportunity and achievement gaps
k. Enrichment opportunities through clubs, after school programs and intramural sports

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Alternative Targeted Support and Improvement (ATSI) identified Edward Harris, Jr. Middle School as a site that needed to support Students with Disabilities. This subgroup will need additional targeted support in the areas of Math, ELA, and chronic absenteeism.
