Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Our staff worked together to review and analyze last year's LCAP plan and its impact on students as it relates to the Eight State Priorities and EGUSD's Strategic Goals. The Leadership Team met throughout the year to discuss actions and services that would appropriately support students and teaching. Staff was provided a survey to seek input for goal setting for 2023-2024 school year. Our PBIS Team met weekly to track student discipline data and both teams completed the PBIS Fidelity Inventory to assess our progress.
towards our goals.

Our English Learner Coordinator met periodically throughout the year with our English Language Learner Community - targeted on how we can best serve our EL Students and seeking stakeholder input that drives the LCAP planning process. Our School Site Council reviewed Elk Grove Elementary’s data related to EGUSD’s Strategic Goals and our progress toward these goals. The Council provided input and suggestions based on student need. This, in conjunction with ongoing and continued conversations with all stakeholders, has provided valuable input for creating this year's LCAP. The following were opportunities for stakeholders to be a part of the planning process for this LCAP/Annual Review and Analysis:

- Elk Grove Elementary Grade Level Leadership Team Meetings on 8/24/23, 9/21/23, 10/19/23, 11/30/23, 12/7/23, 1/11/24, 2/22/24, 3/29/24, 4/26/24, 5/24/24
- School Site Council on 10/6/23, 12/14/23, 1/11/24, 4/27/24, 5/20/24
- ELAC on 10/13/23, 12/08/23, 2/23/24, 5/18/24
- Staff meetings on 8/9/23, 9/7/23, 10/5/23, 11/2/23, 12/14/23, 1/25/24, 2/8/24, 3/8/24, 4/12/24, 5/10/24
- Staff Survey in April 2024
- EGUSD Parent, Staff and Student Surveys Fall 2023 Spring 2024
- Continual input sought through ongoing stakeholder and parent communication through: zoom meetings, parent nights, awards assemblies & school functions

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

The ongoing inclusion of our stakeholders allowed them to provide meaningful input which we were able to integrate into our LCAP. This process also allowed us to gather feedback from stakeholder groups that had not previously participated in the school plan development process.

The following items were discussed and considered for our 2023-2024 LCAP goals:

- During a discussion with the School Site Council on January 11, 2023 we discussed goal setting and how the projected increase in test scores was determined. The team decided to set high expectations of growth for all categories of students.
- During a Leadership Meeting teams discussed the appropriateness of using Illuminate data as pre and post markers for grade level SMART goals. After consulting with CPL the idea of using a different pre-assessment that would more closely align to the summative, trimester assessment data provided by the District.

English learners require high-quality instructional programs and services based on the outcome of ELPAC administration and analysis, formative assessments, and site-based and local summative assessments with a focus on Foster Youth, LE and EL students. Through the increased frequency and quality of research based ELD practices throughout the instructional day, EL students will continue to grow in English proficiency. ELPAC data, formative assessments, and site-based and local summative assessments will be used to drive ELD instruction in both designated and integrated ELD instruction. Teachers will provide designated ELD to EL students. We will also utilize our instructional coaches to help design and counsel our teachers on the most effective EL strategies. Student success will be measured by:

- EL student trimester interim assessments at each grade level will show progress toward meeting priority standards.
- ELPAC data comparison between data in 2023/2024 initial data and summative data from 2022/2023 will show student growth of a minimum of 1 level per year.

1. **August-May**- Decrease the disproportionality of our suspension rate by having ASSIST and R.E.C.E.S.S. Coaches work with students during recess and lunch times - keeping students focused and interacting in a positive manner with each other.

   District ESSER funds are helping to provide our school with 2 ASSIST coaches, 4 hours a day, 2 days a week. The intended purpose is to allow ASSIST to foster positive relationships with students, primarily during unstructured times (recesses and lunches), by facilitating fun activities and engaging students, especially those that tend to be disconnected or not positively engaged during this non-instructional time.

   ASSIST enhances the positive climate on campus with their character education/PBIS based curriculum that focuses on implementing inclusive games and activities. Active supervision combined with engaging activities leads to positive, long term influence.

2. **August-May**- Additional timesheet funding to support after hours training for yard supervisors on PBIS.

3. **August-May**- Teachers in all grade levels will utilize the Character Strong Social Emotional Learning program with fidelity. Monthly assemblies will be held to reinforce this program and awards based on the monthly effectiveness will be measured through the following:

   • Monitoring the suspension rate monthly with the staff; monitoring student progress through the use of data at bi-weekly PBIS Tier II Meetings. If we are successful in meeting our goals, we will have eliminated the disproportionality in our suspension data.
   
   • Student, staff and parent surveys
   
   • Review monthly RFAs and office referrals with specifically analyzing for disproportionality in student sub groups.
Focus will be awarded to students by their classmates/teachers.
