Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Franklin staff worked together to review and analyze last year's LCAP plan and its impact on students as it relates to EGUSD's Strategic Goals. The leadership team met throughout the year to discuss actions and services that would appropriately support students and teaching. Staff was provided a survey to seek input for goal setting for 2023-2024 school year. The PBIS Tier 1 Team met monthly and PBIS Tier 2 team met biweekly to track student discipline data and both teams completed the PBIS Fidelity Inventory to assess...
progress towards our goals.

During leadership, PBIS, School Site Council, and ELAC meetings, site data was shared and members' feedback was solicited. Data was also periodically shared through email and occasional staff meetings.

The following were opportunities for stakeholders to be a part of the planning process:

- Leadership meetings 08/03/22, 09/06/22, 10/03/22, 11/07/22, 01/03/23, 02/06/23, 03/06/23, 04/03/23, 05/01/23.
- School Site Council on 11/30/22, 01/25/23, 04/18/23, 05/02/23, 05/16/23.
- ELAC on 10/06/22, 11/17/22, 02/16/23, 04/20/23
- Staff survey in April 2023
- EGUSD parent, staff and student surveys in fall 2022 and spring 2023

## 2. Impact of LCAP and Annual Update

### How did these consultations affect the LCAP for the upcoming year?

Less resources will be devoted to Advocacy lessons in Goal 3. Staff did to want more of those. More resources will be allocated to professional development conferences and planning time for teachers. EL tutoring and support will be added.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

### Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.

Franklin High School has 36.1% of unduplicated students. Quality classrooms and schools evolve around powerful teaching and learning for ALL students. Examination of our school wide performance data, and our stakeholder survey data indicates that we need to minimize the achievement gap for our under performing subgroups, decrease the number of students who are suspended and increase the number of at risk populations meeting the "met" category in almost all sections of the dashboard. The services and programs requested in our Supplemental LCAP funding will help us to advance our practice and ensure that ALL students receive the tools and skills necessary to become successful, mentally and physically healthy, socially and emotionally competent, life-long learners.
