Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Our staff collaborated together with our educational partners in the community to discuss, revise, revisit and analyze the impact of our LCAP as it relates to student needs and academic progress throughout the year. Meetings were held monthly involving Site Leadership teams, ELAC meetings, School Site Council, PTO, AVID teams, and our PBIS Tier I and Tier II teams, staff meetings, Parent Title 1 meetings.

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

From the feedback of educational partners, our work with our Academic Intervention Teachers (one 2 days per week funded through our Supplemental Funds focused on Early Literacy in K-2 and one Full-time 5 days/wk funded through our District ESSER funds focused on 4-6 Math and overlaps with Early Literacy 3rd grades) is highly recommended by all to continue into the foreseeable future.

Additionally, it was recommended by our PBIS team and parents to support our students with on-going Social Emotional Needs with more time with our MHT, School Psychologist, and Parent Nights focused on supporting the home/school connection.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

As of the Spring of 2023, our school had the following sub-groups enter into ATSI:
