How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Baker staff worked to review and analyze the prior years LCAP. we looked at the impact that it had made on our school created priorities. Data was reviewed and decisions were made based on current data. Title I meetings also played a role in our decision making. Decision were made to impact all sub groups and all students on our campus.

Our school site council in addition to our PBIS team reviewed our sites data in relation to our 5 strategic goals
and our progress towards each of them. Our ELAC committee was also included and their suggestions and ideas, strategies are reflected in this plan as well. All of the above joined with ongoing conversations with all stakeholders has given us valuable insight to this years LCAP plan.

- Back to School Night - 8/10/22
- School Site Council Meetings - 9/12/22, 10/17/22, 2/7/23, 3/7/23, 4/17/23, 4/20/23
- ELAC meeting - 10/17/22, 1/25/23, 2/7/23
- PBIS meetings - 8/31/22, 10/5/22, 10/19/22, 11/7/22, 1/9/23, 2/6/23, 3/15/23, 4/13/23

### 2. Impact of LCAP and Annual Update

**How did these consultations affect the LCAP for the upcoming year?**

All committee members contributed equally with suggestions, modifications and new ideas to continue to support all students on our campus. Stakeholder groups continue to support and strategize targeted student groups with continued interventions and services both during the school day and after, continued professional development for staff, and a continued focus on parent involvement for the 23/24 school year. Interventions in place are continuing to support growth and includes professional development for teachers, release time for collaboration, data meetings and targeted strategies to increase parent involvement.

1. At Back to School Night provide parents with information/opportunities to sign up for Parent Vue.
2. Through regular communication, provide parents/caregivers with resources that will support them in assisting their children at home, such as Think Central, U:S learning Blocks, and other curricular resources. Provide information on how to access the school's social media sites on Facebook.
3. Ensure that all parents are aware of information available through Parent Vue, school emails and on school web site.
4. Send regular email to parents on topics that increase knowledge of school culture and events as well as information that will support parents in addressing their student's academic needs.
5. Reach out to parent and respond to questions/needs. Particular attention will be given to the needs of parents whose students are members of target groups.

Teachers will monitor parent use of Parent Vue/Talking Points at the start of the year to identify parents that have not signed up for Parent Vue, and will communicate with them so that the site may provide assistance as needed. The school office will monitor parent emails to ensure that pertinent communications are sent on a weekly basis. School office will provide administrator with update on a monthly basis.

Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in Actions, Services, and Expenditures above.
