Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Our staff worked together to review and analyze last year's LCAP plan and its impact on students as it relates to the Eight State Priorities and EGUSD's Strategic Goals. The Leadership Team met throughout the year to
discuss actions and services that would appropriately support students and teaching. Staff was provided a survey to seek input for goal setting for the 2023-2024 school year. Our PBIS Team met monthly to track student discipline data and our Tier 2 met to review MTSS/RFA and discuss the next steps. Both teams completed the PBIS Fidelity Inventory to assess our progress towards our goals.

During John Ehrhardt Title I meetings, site data was shared and members’ feedback was solicited. Our Principal, Vice Principal, and EL Coordinator met periodically throughout the year with our English Language Learner Community - targeting how we can best serve our EL Students and seeking stakeholder input that drives the LCAP planning process. Our School Site Council reviewed Ehrhardt’s data related to EGUSD’s Strategic Goals and our progress toward these goals. The School Site Council provided input and suggestions based on student needs. This, in conjunction with ongoing and continued conversations with all stakeholders, has provided valuable input for creating this year’s LCAP. The following were opportunities for stakeholders to be a part of the planning process for this LCAP/Annual Review and Analysis:

- JEE AVID Leadership Team Meetings on 9/14/22, 10/22/22, 12/14/22, 1/11/23, 2/8/23, 4/12/23, & 5/10/23
- ELAC on 2/21/23, 4/12/23, & 5/10/23
- Back to School Night and Title One Meeting on & 8/10/22
-EGUSD Parent, Staff, and Student Surveys Fall 2022 Spring 2023
- Continual input sought through ongoing stakeholder and parent communication through Zoom Parent meetings, Parent Nights, Eagle Awards assemblies & other school events

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

The ongoing inclusion of our stakeholders allowed them to provide meaningful input which we were able to integrate into our LCAP. This process also allowed us to gather feedback from stakeholder groups that had not previously participated in the school plan development process.

The following budget items were added:

- It is recommended that Targeted Tutoring be provided after school next year and funding for additional K/1 Push In Subs & AITs paid on timesheets for K-6.
- Additional interventions in place will continue to support student growth, especially with our African American students, EL, and Students with Disabilities. These include professional development for teachers, release time for observation and collaboration, data meetings, and professional development.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

John Ehrhardt Elementary is considered an ATSI school because at least one student group was at the lowest status level ("very low") in all, or all but one, of the California Dashboard indicators.

As of the Spring of 2023, based on the 2022 State Indicators, our school had the following sub-groups enter into ATSI:

<table>
<thead>
<tr>
<th>Student Group</th>
<th>ELA</th>
<th>Math</th>
<th>Chron</th>
</tr>
</thead>
<tbody>
<tr>
<td>African American</td>
<td>1</td>
<td>1</td>
<td>1</td>
</tr>
</tbody>
</table>
Throughout our school LCAP, we have put goals and actions in place in order to address the inequities amongst student groups in academics, behavior, and attendance.
