How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

The following opportunities for stakeholder involvement in LCAP planning, review, and analysis were provided:

Gathering of input began on January 9, 2023 and is on-going.

Input gathered at School Site Council, Staff Meetings, Leadership Team Meetings, and via Parent, Student,
and Staff LCAP Surveys.

Input gathered during School Site Council meetings from teachers, other school personnel, parents and students on January 9, April 12, and May 10, 2021. Further input will be provided as necessary at later SSC meetings.

Input gathered during LCAP Stakeholders Meetings during the 2022-2023 school year on: August 24, November 3, 2022, and January 5, and April 13, 2023.

Information gathered from these consultations provides input and informs school goals and funding priorities. A variety of stakeholders including students, teachers, parents, and staff have the opportunity to share and discuss their ideas and perspectives and participate in the development of the school plan. Input from consultations has resulted in the implementation of a student Equity Council, grant application, as well as an additional GATE fieldtrip.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

In 2023 Joseph Kerr Middle School was identified as an Alternative Targeted Support and Improvement (ATSI) school because 1 of our subgroups, Students with Disabilities, need additional targeted support to meet growth goals. As a result of our needs assessment, additional resources have been allocated to support the increase in achievement for the identified subgroups.

- Counseling staff will provide academic counseling and support via collaboration with families, teachers and caseload managers.
- All staff will teach students clear expectations through PBIS kickoff and increasing positive supports.
- Teachers will collaborate with each other, via PLC work, to better serve our diverse student population. Staff will attend equity Professional Development as well as training on strategies for culturally and linguistically responsive teaching and learning.
- Intervention Counselor/Counselors will create, implement, and monitor groups for at-risk student populations.
- SPED teachers will attend professional learning to acquire, refine and implement latest research based strategies for students with disabilities.

**Justification of School-Wide Use of Funds**

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.
