*Meets E.C. 64001 Requirements for a Single Plan for Student Achievement
IV. Goals, Actions and Services
Las Flores High School | Focused Work: 2023-2024

Goal Setting (Icapid: 578)

State Priorities

Conditions of Learning:
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness
- All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement
- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

- Title 1 Parent Night - 9/22/22
- School Site Council - 10/11/22, 11/15/22, 2/7/23, 4/20/23
- ELAC - 9/13/22, 11/15/22, 1/17/23, 2/14/23
- Staff Meetings - first and third Mondays (HS), first and third Wednesdays (Elementary)
Family, student and staff surveys

LCAP Metrics and Dashboard data was reviewed with all stakeholders including site data specific related to:

- Attendance Data
- CAASPP
- California Healthy Kids Survey
- EL Proficiency and Redesignation Data
- School Climate
- Site Surveys
- Family and Community Engagement
- Graduation Rate
- WASC Data

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

Stakeholders requested an increase in social emotional and mental health supports for students, a way to have virtual and in person field trips, an increase in professional development for staff, an increase in opportunities for in person extended learning activities, continued family engagement opportunities, and student incentives to help with attendance and motivation.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

As a virtual program, family engagement in person is difficult. The initial Las Flores site is in need of facilities upgrades (specifically the front office) and additional portables added to provide room for students to meet on campus in small groups for remediation or extension activities. The addition of a track for student physical fitness activities would be helpful to meet health needs.

Timesheets and materials needed to provide professional development, training and release days for teachers to utilize Illuminate as data collection and disaggregation tools (software helps to aggregate and disaggregate data at the question, student and class level) specifically with a focus on identified subgroups.

Teachers will utilize technologies to support and enhance learning in the classroom. Students will benefit from instruction utilizing interactive technologies. Provide access to supplemental data analysis tools such as including but not limited to: NoRedInk, PearDeck Pro, NearPod, Kahoot Premium, Turnitin, Quizzizz Super Account, GradeCam, etc for additional data analysis in PLCs and grade level teams to provide intervention/acceleration as a result of the data digs.

Timesheets and release time to attend conferences and professional development on how to utilize and analyze common assessments data (PLC conference, Equity conference, etc) specifically for identified subgroups. Funding to cover registration fees and associated travel costs.

Utilize the following information to monitor teacher use of assessment and how that assessment changes their practice and supports student achievement:

- Classroom walkthroughs to observe teachers use of assessments and interactive technologies.
- Number of teachers utilizing technology to analyze student performance.
- Observe changes in teacher use of formative assessment.
- Teacher data days to examine assessment data and discuss instructional practices, interventions, etc.
- Improvement of student achievement on CAASPP and site based interim assessments.

### Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.
