Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

During Title 1 meeting at the beginning of the school year On August 9, 2022, goals and allocations were shared with the community and input was solicited. During the preservice meeting on January 3, 2023, goals were shared and input was solicited from the staff. The ELAC committee met on February 16, 2023 and provided input to LCAP goals. During Leadership meeting on March 1, 2023 input for spending and LCAP priorities was gathered. On April 14, 2023, a staff survey was sent to prioritize actions and spending, and the
SSC discussed and conducted the annual review on April 18, 2023 and provided input as to actions and goals. On May 17, 2023, the SSC voted to approve the 23/24 LCAP.

2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

Based on staff and School Site Council input, allocations will be used to purchase and renew online subscriptions and programs.

It was also determined to continue to support grade level release days and professional development opportunities focused on AVID and High Quality Instruction.

Providing support for educational field trips was a high priority for our staff, so allocations have increased to support all grade levels.

On April 18, 2023 SCC gave input to provide allocations to support Multicultural events.

Both SSC and staff agreed to continue with ASSIST coaches our data showed that referrals decreased, it was decided to continue the amount of days that ASSIST coaches are able to be on site.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

As of the Spring of 2023, our school had the following sub-groups enter into ATSI:

<table>
<thead>
<tr>
<th>Student Group</th>
<th>Suspension rates</th>
<th>CHRONICALLY ABSENT</th>
</tr>
</thead>
<tbody>
<tr>
<td>African American</td>
<td>1</td>
<td>1</td>
</tr>
<tr>
<td>Students with Disabilities</td>
<td>1</td>
<td>1</td>
</tr>
</tbody>
</table>

Throughout our school LCAP, we have have put goals and actions in place in order to address the inequities amongst student groups in both academics and attendance.

The majority of suspensions involved students that were are part of our self contained classrooms and many days the classrooms were not fully staffed with para educators to help support with behaviors.

**Justification of School-Wide Use of Funds**

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.
