| 1. Involvement Process for LCAP and Annual Update |

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

The Miwok Village Elementary staff, School Site Council (SSC), and English Learner Advisory Committee (ELAC) reviewed and analyzed last year's LCAP plan and its impact on students to the Eight State Priorities and EGUSD's Strategic Goals. The Leadership team met monthly to discuss actions and services that would appropriately support students learning. Staff was provided a survey to seek input for goal setting and needs for the 2023-2024 school year. The MVES PBIS team met monthly to track student discipline data and the
Tier I and Tier II teams completed the PBIS Fidelity Inventory to assess our progress toward goals.

Site data was shared with members of the SSC and ELAC committees and feedback was solicited from all participants. During ELAC meetings, discussions focused on targeted supports to best serve EL students and to seek stakeholder input to drive the LCAP planning process. MVES SSC meetings reviewed data related to EGUSD Strategic Goals and progress toward goals. The Council provided input and suggestions based on student needs. The following were opportunities for stakeholders to be a part of the planning process for this LCAP/Annual Review and Analysis:

- School Site Council Meetings: 10/12/22, 11/30/22, 1/18/23, 3/21/23, 5/23
- English Learner Advisory Committee Meetings: 9/20/22, 12/14/2022, 2/22/2023, 5/23
- Back to School Night and Community Q&A Evenings: 7/07/2022, 8/10/2022, 9/29/2022, 11/03/2022, 12/08/2022, 1/05/2023, 2/02/2023, 4/06/2023, 5/04/2023, 6/01/2023

The following details were added and/or recommended to continue based on the feedback from stakeholder groups:

- Continue to recommend academic intervention support for 1st-6th and K/1.
- Family and Community Engagement - provide timesheet support to increase training and funding for home and bridge visits and family engagement nights to specifically support EL families.
- Professional learning opportunities, release time for observation/collaboration, and push-in support for teachers in their understanding and instruction of Social Emotional and Restorative Practices.
- Continue to support grade-level and cross-grade-level collaboration, data meetings, and release time for observation and collaboration to support targeted intervention support during the school day.

### Resource Inequities

### Site Goal 2.3 (SiteGoalID: 6392) (DTS: 02/10/23)

English Learners need high quality programs and services that are based on the outcome of ELPAC administration and data analysis. Miwok Village Elementary aims to increase the frequency and quality of the use of research proven ELD practices through the instructional day. We will use ELPAC data to drive ELD instruction in both designated and integrated ELD instruction. Teachers will provide designated ELD to EL students 30 minutes per day, 5 days per week.

According to data collected from regional elementary school, English Language Learners have been redesignated at the following rate: 24% for 2018-2019 and 26% for 2020-2021. **Our goal for the 2022-2023 school year will be 31%**.

The overall ELPAC scores will be maintained at a **HIGH** level. During the 2018-2019 school year, **63%** of EL students were making progress toward English language proficiency which equated to a **HIGH** rate of performance as determined by the California State Department of Education’s Dashboard. During 2020-2021, EL students increased this to **66%**. We aim to increase this to **71%**, maintaining the **HIGH level of performance**.

### Justification of School-Wide Use of Funds
For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in Actions, Services, and Expenditures above.
