IV. Goals, Actions and Services

Robert J. McGarvey Elementary | Focused Work: 2023-2024

Goal Setting (Icapid: 539)

State Priorities

Conditions of Learning:
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness
- All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement
- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Input for the review and analysis of the Robert J. McGarvey Elementary School 2023-24 LCAP involves many stakeholders. Gathering of input is an on-going process. The "back to normal" return from the pandemic continued to alter plans for assessment of students, including students who are low achieving, at risk of failing, and English Learner students. State assessments (grades 3-6) and district summative assessments (K-2) combined with district trimester assessments to provide a rounded
2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

These stakeholder input opportunities provided important input, clarification, and consensus around our school's short and long term planning goals, measurable outcomes, and suggestions for future activities/goals. Ideas for future consideration about student supports, staff professional development, and resources to meet the unique needs of our overall and targeted student populations, were collected and applied to the development of this 2023-2024 accountability plan. Three big examples are the addition of funding an Academic Intervention para to help the teacher service more students, creating more student groups on campus to allow for their voices to be heard by all stakeholders, and creating plan to have many more parent education events throughout the year.

Through surveys, sharing and collecting relevant metrics, and a cycle of inquiry, we determined our progress and mapped out future needs to the extent possible. As more information about the 2023-2024 school year comes available from state and district sources, our site will continue the process of refining our plan, including goals, actions, resource allocations, and progress indicators.

Provide professional development and/or release time for:

1. Training teachers in the use of Learning Targets and Success Criteria, including the use of interim assessments to drive improved student outcomes
2. Developing additional Tier 2 interventions and training staff in using high leverage Tier 1 differentiation and Tier 2 interventions
3. Grade level articulation (grades 3-6) for math and ELA (including Learning Center staff) to create plan/map of grade level specific ELA and math standards with clearly identified learning targets and success indicators

**Actions 1-6:**

Site administrative team review each grade level's plan/map and collect/analyze results from success indicators as they are administered (grade levels to complete Google Form provided by admin).

Teachers will utilize Illuminate data during PLC meetings to analyze student mastery of standards and develop SMARTIE goals. Grade level data will be presented to administration each trimester.

*(SiteGoalID: 6368) (DTS: 02/10/23)*

Reduce the achievement gaps (AA, EL, and Foster Youth learners specifically) by exposing all levels, TK-6, to culturally responsive curriculum and instruction.

- 70% White students meeting or exceeding standards in Math in 2022 CAASPP
  - AA - The goal was to increase to 46% in 2022, but they scored at 32% meeting or exceeding standards in Math. For 2023 the goal is 35%.
  - EL - The goal was to increase to 53%, but they scored at 31% meeting or exceeding standards in Math. For 2023 the goal is 56%.
  - Foster Youth - the goal was to increase to 100% in 2022 and they met that goal of 100% exceeding standards in Math. For 2023 the goal is 100%.

- 71% White students meeting or exceeding standards on ELA in 2021 CAASPP
  - AA - decreased from 65% (2019) to 47% (2021). Increase to pre-COVID percentage of 65% (2022). For 2023 the goal is 50%.
  - EL - Increased from 12% (2019) to 36% (2021). Increase to 38% (2022). For 2023 the goal is 41%.
  - Foster Youth - Maintain 100% from 2021. For 2023 the goal is 100% again.

*Provide Culturally Responsive Classroom and Professional Learning Community (PLC) support through formal training as well as site based professional learning, such as through a book reading or professional learning opportunities during faculty meetings:*  

1. Fund a para professional to our Academic Intervention

**Actions 1, 3, 4:**  
Administrators will observe Responsive Classroom techniques, specifically Morning Meetings, in every classroom, as evidenced by random walk-throughs between 8:45-9:15. Administrators will observe closing circles in Level 2 teachers’ classrooms, as evidenced by random walk-throughs between 3:00-3:15 each day.
2. Purchase support resources such as the Morning Meeting book for teachers who do not already have that resource.
3. Purchase PLC support resources to support our ongoing PLC professional practices.
4. Provide stipend for leaders of professional reading "book clubs" on topics related to Culturally Responsive Instruction, PLCs, and Equity in Grading Practices.
5. Provide monthly professional development, including pre-service training, in PLC foundations using Learning By Doing (DuFour, DuFour, and Eaker).

- measure frequency of Morning Meetings for Level 1 trained teachers
- measure frequency of content-related Morning Meetings (specifically Social Science, Science, Math, and Language Arts) for Level 1 and 2 trained teachers
- assess the depth of Morning Meetings implemented by Level 2 trained teachers by measuring the frequencies of the four sequential components of Morning Meetings Greeting, Sharing, Group Activity, and Morning Message
- measure frequency of Closing Circles for Level 2 trained teachers.

Administration will track the number of participants in site books clubs in order to measure effectiveness and engagement amongst staff. Book clubs will be considered implemented successfully when 4 educators participate in the 23/24 school year.

**Actions 2, 4:** Administrators will attend PLC meetings regularly and collect/review/respond to meeting minutes from each PLC grade level team weekly.

Teachers will utilize Illuminate data during PLC meetings to analyze student mastery of standards and develop SMARTIE goals. Grade level data will be presented to administration each trimester.

Provide all students 1-6 grade with access to online supplemental resources to support literacy, reading practice, and intervention.

DBQ, Reading Counts, SIPPS, or similar supplemental reading resource will be acquired to leverage our independent reading program into a measurable and highly motivating literacy resource. Reading Counts is a Lexile-based independent reading program that allows us to track students’ comprehension and reading Lexile growth on the books they read, in and out of school. Note: Scholastic, publisher of Reading Counts, has announced that it is eliminating this service in the coming year.

Teachers and administration will monitor student progress in the following areas of reading:

- Lexile (for text complexity)
- Appropriateness of text (for student age/maturity)
- Comprehension
- Areas of text interest (to inform allocation of library resources)

Provide release time and funds to support on-going literacy work around reading and language acquisition. Specifically, we will focus on:

1. Solution Tree (PLC)  
2. Project Glad.  
3. Center for Culturally Responsive Classrooms.  
4. AVID  
5. Social Emotional Curriculum (Character Strong)

Each will provide professional development opportunities for cadres of teachers who will support the rest of the staff through a Training of Trainers model.

Solution Tree will provide supplemental materials as well as online professional learning for a team of teachers and

administrators to build and sustain a strong, collaborative PLC culture in our grade level teams and across the entire school.

Project GLAD (Guided Language Acquisition Design) We will continue provide online GLAD training to cadre of dedicated teachers who will support their colleagues through a Training of Trainers model. Founded in cultural proficiency principles, the model supports lesson design for both integrated and designated English Language Development, utilizing language development standards to guide instruction to increase language proficiency, reclassification, access to grade level content and comprehension while building social skills. ($13000 to train an additional two grade levels)

Culturally Responsive Classrooms: Level 1 and 2 trainees will implement morning meetings and closing circles. This will require online and in-person training.

A core group of staff (teachers and admin) will attend AVID training this summer. That group of teachers will act as trainer of trainers to bring AVID to RJMES. Funds will be set aside to provide the team opportunities to plan training for the site. Training will occur during monthly staff meetings. (4 teachers x 8 hrs x $40 = $1280)

RJMES chose Character Strong as our SEL. A group of teachers will partner with Student Support and Health Services to provide professional development around that curriculum. RJMES will fund 3 teachers to work with SSHS to create training for the school. (3 teachers x 16 hrs x $40 = $1920).

Teachers will also be compensated for time outside of evidenced by random walk-throughs between 8:45-9:00. Administrators will observe closing circles in Level 2 teachers’ classrooms, as evidenced by random walk-throughs between 3:00-3:15 each day.

Action 4: Administration will engage in the summer AVID training and will also support the regular AVID trainings that will occur in the 22/23 school year.

Action 5: Administrators will observe the use of SEL curriculum and techniques in every classroom. Administration will also monitor the implementation of grade level SEL SMART goals administrative walkthroughs.
contract to engage in more intensive studies of these curriculums and programs. Support for these intensive studies may come from instructional coaches, site administrators, or colleagues. Teachers will share their learnings in their PLCs and during vertical articulation. They will integrate the new knowledge into their SMART goals (36 teachers x 15 hrs x $40 = $21600)

Provide stipend for GATE Coordinator for up to $1250 (based on time log submission @ $40/hr x 25 hrs). Coordinator will:

1. Assess all 3rd grade students using NNAT (fall)
2. Assess 4-6 grade students who are new to the school using NNAT (spring)
3. Attend district GATE Coordinator meetings
4. Provide staff professional learning around 1) the unique instructional needs of gifted students and 2) the portfolio process of identification in the areas of leadership, creativity, and visual/performing arts (using exemplars) with the expectation that each grade 3-6 prepares at least one portfolio
5. Provide 2 Parent Nights to share GATE identification process with families.

**Actions 1-3:** Administrators will monitor NNAT performance data to ensure students of color do not remain underrepresented in gifted programs and services as a result of testing bias. Observations will be shared at district GATE coordinator meetings.

**Action 4:** Administrators will review:

- the 2 completed GATE portfolio submissions
- the newly identified GATE student lists
- attend both Parent Nights
Compensate for a small team from RJMES to create a year-long plan to restart and grow the RJMES GATE program post-pandemic. (25 hrs x $40/hr = $1000)

Contract with outside vendors and/or teachers to provide accelerated afterschool classes for the RJMES GATE program. (Up to $5000)

District Strategic Goal 3:

All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

District Needs and Metrics 3:

Students need a safe and engaging academic, social-emotional, and physical school environment as measured by:

- Cohort Graduation
- Expulsion
- HS Dropout
- MS Dropout
- Other (Site-based/local assessment)
- School Climate
- Social Emotional Learning
- Suspension

Site Goal 3.1 (SiteGoalID: 6366) (DTS: 02/10/23)
Increase the percentage of students participating in Tier 2 interventions from 7% to over 10% of our population, with particular attention to Foster Youth, Low Income, Latinx students. African American/Black, SPED, and Homeless students.

In the 22-23 school year, RJMES recorded 15 suspensions (as of 4/28/23). Of those 15 suspension, 5 were African American students. In the 23-24 school year, RJMES will decrease the number of suspension incidents to 12 as measured by the Suspension Incident End of Year Report and will reduce African American suspension to be proportionate to school demographic percentage.

**Justification of School-Wide Use of Funds**

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a
description and justification for the use of any funds in a school-wide manner as described in *Actions, Services, and Expenditures* above.
