Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Our site team developed a timeline during the 22/23 school year to ensure that stakeholders were engaged in a timely and efficient manner in the development of the site LCAP. We have worked to provide information about the LCAP development process, site metrics, and programs and services provided by LCAP dollars. We have held informational meetings that have allowed stakeholders to collaborate with each other, build a knowledge base, and share ideas. Metrics that were reviewed include: CDE dashboard, LCAP metrics ppt,
2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

Each stakeholder group was given multiple opportunities to review our prior year's data and provide input to the LCAP. Our School Site Council and our ELAC parent groups identified three areas of concern as they reviewed our assessment and survey data. This same data was also shared with our Grade Level Leadership Team and our data. Both groups felt that we should target our CAASPP Math scores, our chronic absenteeism rate, and our suspension/referral data. The staff met to review and discuss the data. Each stakeholder group voted and approved the following:

1) Our new ESSER AIT math position will focus on supporting our 3rd-6th grade math students.
2) A school-wide attendance program will be created and implemented during the 2023/24 school year. Funding will be used to celebrate progress families and students have made over time. We will target our kindergarten students. We have seen the positive impact that consistent kindergarten school attendance has over time with our students.
3) School-wide implementation of a research-based SEL program, Second Step, will be implemented to enhance our PBIS program.
4) Because we have seen significant progress with our Newcomer/Reading Room students, the majority of our Title I funds will be used to fund our AITs and ASTs.
5) Our ASSIST program will continue to provide structured play services during recess.
6) We would like to provide English classes to our families with the support of our Adult School program.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

As of the Spring of 2023, our school had the following sub-groups enter into ATSI:

<table>
<thead>
<tr>
<th>Student Group</th>
<th>ELA</th>
<th>MATH</th>
<th>CHRONICALLY ABSENT</th>
</tr>
</thead>
<tbody>
<tr>
<td>African American</td>

<td>White</td>
<td>2</td>
<td>2</td>
<td>1</td>
</tr>
<tr>
<td>Two or More</td>
<td>2</td>

</tr>
</tbody>
</table>

Throughout our school LCAP, we have put goals and actions in place in order to address the inequities amongst student groups in both academics and attendance.

Teachers will complete 100% of their beginning of the year and trimester district required assessments. Students will also complete ELPAC assessments according to timelines and teachers will use this data to provide research based instruction in ELD.

1. **July/June**: Our ELPAC Coordinator is responsible for helping our team complete all of our EL testing prior to the May 31 deadline. We have over 400 EL Data to be reviewed:

   - ELPAC completion rates
   - Redesignated Fluent rates

Assessment data is reviewed during CAST meetings which are held near the end of the first and second trimester. Admin, CPL/EL coaches and teachers meet to discuss the next steps for students who are not meeting grade level standards. Assessment data may also be shared during weekly MTSS meetings when student
students and it is very difficult to test all of our students. Our ELPAC Coordinator recruits additional teachers to assess the students and monitors the progress of the ELPAC assessment roll out. Our ELPAC Coordinator also assists us with all of the documentation that is monitored for ELs.

Parent Meetings and Student Recognition Events
We will hold ELAC meetings every other month. This will allow parents to provide more feedback and share their ideas and/or concerns on a regular basis. We will also use these meetings to recognize our EL students who are making progress and meeting their personal goals.

During the 2021-2022 school year, 2.3% of our students were suspended for at least one day. To address disproportionality our goal is to decrease our total number of suspensions, resulting in in less than 2.3% by the end of the 23-24 school year. Increased focus on building and fostering a positive school climate will help increase in-class time, decreasing time out of class due to discipline issues.

**Metric:** Suspension Rate: Percent of Students Suspended
