IV. Goals, Actions and Services
Stone Lake Elementary | Focused Work: 2023-2024

Goal Setting (lcapid: 550)

State Priorities

Conditions of Learning:
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness
- All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement
- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

We provide multiple opportunities for stakeholder feedback:
- Staff Meetings: March 1st and April 5th
- Leadership Meeting: March 29th and April 26
- Staff LCAP Survey: Week of April 3rd
- Parent Feedback: Coffee Klatches March 7th and April 3rd
2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

Consultations with stakeholders confirms that two of our largest allocations of money are supported strongly by stakeholder groups. First, the continuation of supplemental technology programs that connect school to home (e.g., Lexia, and IXL) are beneficial and supported by teachers and parents based on survey data.

Next, the recess support program from Assist continues to be supported by staff and parents alike.

Lastly, AVID strategies that have been shared via our 6th grade team during 22-23 staff meetings have prepped other grade levels for the expansion of AVID at their grade levels (4th and 5th grades). 4th and 5th grade teams will be AVID trained over the summer, and we will begin to implement AVID strategies in both grade levels.

Grade level teams explicitly requested Scholastic News for their kids. This is an extremely high interest magazine both print and digital that supplements our school's passion for reading.

One topic that was brought up by parents in surveys was the condition of books in our library. This feedback prompted a larger allocation to purchase additional library books, with a continued idea that the books will meet the diverse needs of our school site.

Stone Lake had a state identified additional targeted support and improvement (ATSI) designation this year. Due to the COVID Pandemic, ATSI eligibility determinations in 2022–23 were based on only one year of Dashboard results (i.e., the 2022 Dashboard). Stone Lake's African American population met ATSI in chronic absenteeism. Since numerous groups and the overall amount of students at Stone Lake the met chronic absenteeism reached the 25% threshold, this plan identifies some specific steps we will take to try and reduce these numbers.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

A monitoring of our 22-23 LCAP and a plan evaluation did not identify any resource inequities.

**ACTION 1:**

Each week, provide teachers with opportunities to collaborate through PLC's focusing on the four PLC questions and utilize

1. We will measure the overall effectiveness of our actions in this area based on the California Dashboard presented to the public.
Illuminate as one way to monitor the process of progress monitoring.

- Continue the focus on the use of Learning Targets, Success Criteria, Student Talk, Active Participation, and Formative Assessment. High quality instruction comes with lifelong learners, we will allocate money to help offset the costs of teacher PD $1424 Certificated-Timesheets (7101/0000)
- Start vertical articulation during Early Out Wed. to create 1-6 alignment of expectations around learning targets and success indicators from one grade level to the next.

**ACTION 2:**
RTI focus on supporting an intervening with students that are struggling with grade level concepts. Provide teachers the opportunity to report via a Co-Op process struggling students and progress being made. Round one starts in Aug-Oct and round two starts in Jan-Feb. Our instructional coach is always part of this process.

- 2 Sessions of 4 Track Co-ops x 1 roving substitute for each Co-Op=$210x8=$1,680 Certificated-Timesheets (7101/0000)
- K-1 Push-In Support plan was submitted, if approved, there will be a focus on students that are entering 1st grade identified below grade level in reading.

**ACTION 3:**
Our 4th&5th grade teams will be AVID trained and begin implementing AVID strategies in their classrooms. 6th grade will continue the implementation of AVID in their classrooms. In order for AVID to be implemented, trainings, PD, and supplies are needed.

- We will monitor 3rd-6th grade level teams via Illuminate data.
- SMART Goals turned in from each grade level as way to strengthen PLC work. In addition, calendaring specific dates for vertical articulation throughout the year.
- Admin becoming more consistent utilizing FONT to measure FHQI. We will have a combined 100 visits memorialized via FONT.

2. We will measure the effectiveness of the Co-Op process based on the meetings indeed happening during the first six weeks of school for each track and teachers bringing all assessment data.

3. Fidelity of implementation of AVID in 4th-6th grade for the 23-24 school year based on classroom visitations, and district/AVID created fidelity measurement tools.
Site Goal 1.2  (SiteGoalID: 6487) (DTS: 02/10/23)

100% of our 1st grade students will be reading at grade level by the end of 1st grade based on minimum standards in the areas of fluency and accuracy as measured by Illuminate data (students in Green).

100% of our 2nd grade students will be reading at grade level by the end of 2nd grade based on minimum standards in the areas of fluency and accuracy as measured by Illuminate data (students in Green).

100% of our 3rd grade students will be reading at grade level by the end of 3rd grade based on minimum standards in the areas of fluency and accuracy as measured by Illuminate data (students in Green).

ACTION 1:
Stakeholder input clearly continued to show the value and need of IXL for site-based support in math. In addition, staff feedback shared that extending the support of IXL to include ELA and Science was needed.

1, 2, and 3. Illuminate fluency assessments will measure the effectiveness of our actions.

• We will monitor usage rates for IXL and Lexia and also monitor impact on 3rd-6th grade students in the area of math on the CAASPP. We
Site license for IXL is $14,250
Contracts/Services/Subscriptions (7101/0000)

**ACTION 2:**
We will timesheet our library tech an additional hour each day she works (3 days) to provide additional time for the library to be open for students before and after school. Mrs. Bush will be allocated money to add new titles and culturally relevant books to the library to further expand student access to books.

- $20/hr x 4.75 hours= $95 per week x 46 weeks = $4,370
- Classified Timesheet (7101/0000).
- Increase the amount of district approved library books in our school with an emphasis on purchasing library books that increase the equity, diversity and inclusion of our school library.
- $4500 Supplies Equipment (7101/0000).

**ACTION 3:**
Grade level teams (TK-6) will be allocated $500 to purchase grade level novels or books to bolster their classroom libraries to assist in making sure that every child is reading at grade level. Any books that are ordered must include culturally inclusive titles. Book orders must be approved by admin.

- $4000 for all grade levels.
- Materials Supplies Equipment (7101/0000)

1st, 2nd, 3rd, and 5th grades have requested Scholastic News to supplement their reading and the focus of having kids reading at grade level.

- Four grade level subscriptions plus adding Science Spin is

will continue to celebrate top Lexia classes during assemblies and share usage information with families via the Hawker's Herald.

- All students that have been identified as reading below grade level heading into 1st grade will meet identified usage rates in IXL and Lexia. This will be monitored by our computer lab teacher, VP, and classroom teacher.

2. We will monitor the number of books checked out from the library at the end of 2023 and set a goal to increase the number of books checked out for the 23-24 school year by 10%.

3. We will continue to celebrate and hand out medals to our students, and we could possibly look to do a school-wide point challenge with an already identified 16,000 point goal.
Reading Counts has been a staple at Stone Lake, and it provides an incentive for our kids to read more words each year.

### ACTION 1:
**July-June**
We will continue to utilize our PBIS and HAWKS Honor to identify and celebrate the accomplishments of Stone Lake students, and continue to help make them feel connected to their school. We identify students all year and each week.

- $1,000 for school-related supplies (e.g., pencils, pens, binders, folders, etc.) that students will earn based on the HAWKS tickets that they earn each week. As well as updated signage around our school. PTO will supplement this with their budget allocation. Materials-Supplies-Equipment (7440/0000)

### ACTION 2:
**Aug-June**
Starting in August, we will utilize an RTI model with our Tiered Support Team leading the way in supporting students that might need additional support and rise to Tier 2 and 3 support.

### ACTION 3:
**July-June**
Throughout the year the VP and principal will monitor subgroups and look at alternatives to suspension for every subgroup. We will continue to utilize Restorative Practices and techniques with students and look for alternatives to suspensions.

1. The number of HAWKS tickets that we collect each week. TFI will also be used to monitor PBIS, referral and suspension data will also be used.
2. TST effectiveness will be measured based on site data on referrals for all students and specifically our African American subgroup. This behavior data as well as academic data will be monitored twice a month in PBIS meetings as well as during our RTI meetings.
3. The Ca. Dashboard data will be used to monitor effectiveness of suspension data. Our SIS will be used to measure referrals.
4. School connectedness data via Culture Climate student survey, referrals on the playground, and student feedback via surveys on Assist being on the playground will be conducted this year and delivered to students via their Chromebooks. 10% reduction in playground referrals.
**ACTION 4:**
July-June
Based on feedback from staff and parents, we will continue to utilize recess support on the playground as a way to help supervise students and reduce playground disagreements. The district is allocating $30,000 for Assist, and we will basically match that amount to provide Assist services 3 days a week.
