Close the achievement gap by improving the percentage of EL students making progress towards English language proficiency as normally measured by the CA Dashboard from:

- 76.0%, which is above the desired outcome for EGUSD of 55%

to:

- 80%, which would place TJMS in the Very High progress level at the next Dashboard publication.

Teachers will work collaboratively through the PLC process to use, analyze and interpret common assessments (PLC, Illuminate, CAASPP) (closely aligned with Goal 2.2 and Action 2.2.1).

1. Working closely in collaboration with district coaches, departments will either develop a SMART goal for one essential skill or for ELA and Math an area of the CAASPP testing or Illuminate assessment that is low for the majority of students. This SMART goal will include a timeline, the common assessment, and the definition of success.

• Illuminate data will be reviewed by Admin and Departments with district coaches when available during Dept and PLC Meetings.

Site Goal 2.2  (SiteGoalID: 6586) (DTS: 02/10/23)

100% of professional learning communities will use in house common assessment data to improve instruction for all students, with targeted intervention and reteaching support provided for low-performing, EL, and students with IEPs. Specifically, PLCs will increase opportunities to demonstrate mastery on standards based common assessments by providing multiple tests or retests. PLC's in appropriate subject areas will use Illuminate assessment system and data to help with targeted intervention, progress monitoring, and reteaching to target subgroups.

Currently PLC's have administered Illuminate. The desired state is for PLC's to become comfortable using the Illuminate data and using that data to inform instruction and planning. That is in the beginning stages as teachers are now getting used to the Illuminate system. Illuminate common assessments will be administered at the end of each term and and reviewed at the beginning of the following term, resulting if 4 Illuminate common assessments per year in addition to the in house created assessments reviewed weekly.

Each of these PLCs will use two release days per year to continue their work and reach the goal of having a common, formative assessment tool created for each essential learning, common pacing guides, procedures for reviewing data and assessing program quality, and ultimately improving student outcomes.

Each PLC will collaborate on late start Wednesdays.

### Justification of School-Wide Use of Funds

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site's goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in Actions, Services, and Expenditures above.
