*Meets E.C. 64001 Requirements for a Single Plan for Student Achievement
IV. Goals, Actions and Services

Valley High School | Focused Work: 2023-2024

Goal Setting (Icapid: 573)

State Priorities

Conditions of Learning:
- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:
- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:
- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum
- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action
- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness
- All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement
- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Valley High school communicated with classified staff, certificated staff, and parents through Synergy email, Outlook email and phone calls to invite interested parties to an open process of evaluation and planning of the LCAP. The discussions began in March, and the plan was finalized in May which included four separate meetings held to discuss, evaluate, and plan for the best possible student outcomes and experiences. Members of the School Site Council English Learner Council approved the plan in May.
2. Impact of LCAP and Annual Update

How did these consultations affect the LCAP for the upcoming year?

Creating an open process to include input and ideas from staff, students, and parents affected the LCAP in that it is representative of a well rounded, equitable perspective. The desire for an inclusive process to ensure that these consultations happen, also lengthens the process to finalize the LCAP.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

This process revealed a need for an additional administrator to assist with academic intervention and family engagement. The inequity in this area is created by allocating the number of administrators to a school site based on student enrollment and not on student and staff need. Although Valley high school does not student enrollment numbers to represent a need for an additional administrator, the needs of the student demographics at Valley High school certainly justify the need. Additionally, adding another administrator would allow more frequent visits to classrooms, as well as more opportunities for coaching and supporting teachers in an effort to provide the best possible student outcomes.

This process also revealed a need for clarity about how funds can be utilized specifically, and what actions and services are allowable when accessing funds. Unfortunately, there remains confusion which causes frustration in the process.

Goals, Actions, and Progress Indicators

District Strategic Goal 1:
All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

District Needs and Metrics 1:
Students need high quality classroom instruction and curriculum as measured by:

.3 FTE of a Counselor to coordinate with other counselors to develop and create a system to monitor ALL Valley scholars in their academic progress by creating a four year plans for each scholar with an aim to be on an A-G and/or College Career Ready pathway. This will be accomplished by:

1. Coordinating with our Freshman Academy Counselor to ensure the development & implementation of a four year plan for the 9th grade class.
2. Creating a plan of intervention and support for each scholar in her/his case load to increase a-g completion focusing primarily on targeted scholars.
3. Coordinate a-g completion and college and career options (including registration for assessments and college applications assistance)

- The my10year plan data, the CCGI data, A-G progress and completion data, and progress monitoring goals in student IEPs will be used to collect data for this action and service.  
- The data will be collected at progress report, quarter end, and semester end.  
- Case managers, counselors, and Data Task force members will collect the data.  
- The data will be shared with staff and parents.
4. Collaborate with site programs such as ASSET's and SEAL Team to coordinate support plans for each scholar that is at-risk of not meeting A-G.

Provide .5 FTE for an Intervention Program Coordinator to create and oversee interventions programs and opportunities for all students at-risk of failing core courses.

The Intervention Coordinator will:

Develop and collaborate with existing programs to offer academic and social-emotional support to targeted student (African-American, Asian EL, Hispanic and Student with Disabilities) during, after school.

Will work with students enrolled in AP/Honors, CTE/Pathways, and Freshman Voyage on Saturdays.

Create and sustain support services for scholars in Honors/ AP classes,

1. Core academic areas,
2. CTE courses to increase academic achievement,

The Intervention Program Coordinator along with counselors and teachers will use Synergy reports to generate a **list of students needing support**, similar to the SEAL Team list of students needing SEL supports.

• The student list will be generated **quarterly**.

• The Intervention Program Coordinator will work with teachers and counselors to provide academic interventions.

• The data will be shared with teachers, parents, counselors, and students.
3. Foster perseverance in AP/Honors coursework and persistence towards graduation and post-secondary success.
4. Improve Your Tomorrow (IYT)
5. Teachers will calibrate with IPC during department meeting to create intervention student list of students needing afterschool support
6. Freshman Voyage

**Justification of School-Wide Use of Funds**

For sites below 40 percent of enrollment of unduplicated pupils, when using supplemental and concentration (LCAP) funds in a school-wide manner, the site must additionally describe how the services provided are the most effective use of funds to meet the site’s goals for unduplicated pupils in the state priority areas. Include a description and justification for the use of any funds in a school-wide manner as described in **Actions, Services, and Expenditures** above.
