1. Involvement Process for LCAP and Annual Update

How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?

Review of student data by ZR teachers and parents in the areas of ELA, Math, and ELPAC were provided in many opportunities. ZR education partners were provided updates of previous data, evaluated data, and provided recommendations to the site LCAP for the upcoming school year. Input for site LCAP were aligned with the eight state priorities and EGUSD's four strategic goals. ZR regularly assessed learning needs of
students by analyzing curriculum assessments and data during staff and grade level PLC meetings. PLC grade level and track collaboration meetings took place monthly. Climate and Culture and Tier 2 met monthly to determine site needs around SEL and mental health support. PBIS team completed fidelity inventory to assess progress towards goals and next steps. All ZR staff had an opportunity to provide feedback via a survey.

Family leadership council met monthly, and held general meetings monthly that were open to ZR teachers and community members. Feedback was regularly gathered at meetings from all education partners present. ELAC meetings were held guided by administration to seek input. Education partners had the following opportunities to review site data results and provide input to site LCAP.

1. ZR Team Meetings: Held 1st Tuesday of each month
2. PLC Facilitator’s Meeting: Held every 2nd Tuesday of each month
3. PLC Grade Level Meetings: Held every Early Out Wednesday
