PreK-6 Education**

**Preschool Eligibility Determination**

Thank you for your interest in preschool. Please review the Family Income Guidelines below to determine if your family size and income meet the income eligibility requirements for one of the PreK programs in EGUSD. If so, please complete the Eligibility Determination below the income guidelines. **Please note that completing this form does NOT guarantee placement into the PreK program.** Placement is not based on a first come, first served basis and is not solely determined by income. The PreK programs in Elk Grove Unified School District are funded by Head Start, the state of California, and by Title I. Each of these funding sources has specific requirements that your family must meet in order to qualify. Staff will review the information you provide to determine if you qualify. After a determination is made, they will contact you to set up an appointment to register, or, if you do not qualify for one of these programs, refer you to other preschool programs within the school district.
