*Meets E.C. 64001 Requirements for a Single Plan for Student Achievement

Goal Setting

State Priorities

Conditions of Learning:

- Priority 1 - Compliance with Williams criteria - instructional materials, teacher assignments and credentials, facilities
- Priority 2 - Implementation of SBE adopted academic content standards, including programs and services for ELs to access the Common Core and ELD standards
- Priority 7 - Access, including for subgroups, to a broad course of study

Pupil Outcomes:

- Priority 4 - Pupil Achievement - statewide assessments, API, completion of A-G requirements, CTE sequences and AP courses, EL progress toward proficiency, college preparation (EAP)
- Priority 8 - Pupil outcomes in specified subject areas

Engagement:

- Priority 3 - Parental involvement
- Priority 5 - Pupil engagement - attendance, dropout and graduation rates
- Priority 6 - School climate - suspension and expulsion rates, etc.

Strategic Goals

Goal 1: High-Quality Classroom Instruction and Curriculum

- All students will have access to standards aligned curriculum and receive high quality instruction to promote college, career, and life readiness and eliminate the achievement gap.

Goal 2: Assessment, Data Analysis, & Action

- All students will benefit from instruction guided by assessment results (formative, interim and summative) and continuous programmatic evaluation.

Goal 3: Wellness

- All students will have an equitable opportunity to learn in a culturally responsive, physically/ and emotionally healthy and safe environment.

Goal 4: Family and Community Engagement

- All students will benefit from programs and services designed to inform and involve family and community partners.

Stakeholder Engagement

<p>Involvement Process for LCAP and Annual Update</p> <hr/> <p>How, when, and with whom did the school consult as part of the planning process for this LCAP/Annual Review and Analysis?</p> <hr/> <p>Our staff worked together to review and analyze last year's LCAP plan and its impact on students as it relates to the Eight State Priorities and EGUSD's four Strategic Goals. The Leadership Team met throughout the year to discuss actions and services that would appropriately support students and teaching. Staff was provided opportunities for input through staff meetings and leadership meetings for goal setting for 2020-21 school year. Our PBIS Tier 1 Team meets monthly to track student discipline and other PBIS data, while our PBIS Tier 2 Team meets biweekly to track Tier 2 student progress and assess new MTSS referrals. Both teams complete the PBIS Fidelity Inventory to assess our progress towards our goals.</p> <p>During Parent/Principal coffee chat meetings site data was shared and members' feedback was solicited. Our Principal meets periodically throughout the year with our English Language Learner Community, all targeted on how we can best serve our EL Students and seeking stakeholder input that drives the LCAP planning process. Our School Site Council reviewed our data related to EGUSD's four strategic goals and our progress toward our goals. The Council provides input and suggestions based on student need and data. This in conjunction with ongoing and continued conversations with all stakeholders has provided valuable input for creating this year's LCAP. The following were opportunities for stakeholders to be a part of the planning process for this LCAP/Annual Review and Analysis:</p> <ul style="list-style-type: none"> • Staff meetings - 11/4/2019, 12/2/19, 2/3/20 • Staff surveys- ongoing • Leadership meetings - 12/9/2019, 1/13/20, 2/24/20 • Monthly PTA meetings • ELAC Meetings - 10/2/19, 1/22/20 • SSC Meetings - 9/26/19, 11/14/19, 1/21/20 • Survey Monkey to all parents • Principal Coffee Chats - 1st Wed of each month • GATE Parent Night (2 per year)
<p>Impact of LCAP and Annual Update</p> <hr/> <p>How did these consultations affect the LCAP for the upcoming year?</p> <hr/> <p>The consultation of these groups allowed our school to develop a collaborative plan for moving forward with our school. These stakeholder consultations provide opportunities for input, clarification, and consensus regarding short and long term goal setting with measurable outcomes and ideas for consideration. One idea from stakeholders was to examine CAASPP data and compare the data same students as they matriculate through the grades. Stakeholder input helps to provide consensus and provide clear direction moving forward. Ideas from stakeholders are woven into the four goal areas. Day and times of specific meetings, such as PTA and Parent/Principal Coffee Chat, were modified based on input from stakeholders. At the request of stakeholders, we have added a beginning and intermediate band as well as a choir VAPA program.</p>
