Hours of Operation

School office hours are 8:00-3:30 pm. We are servicing our parents through our Attendance Windows during Distance Learning. The office staff can assist parents with registering, enrolling their children, and clearing absences.

School Highlights and Awards

- An IB World School with over 80% exam pass rate
- Three California Partnership Academies: Manufacturing Production Technology, Sports Careers, and Green Energy Technology
- An award winning Band Program
- Green Energy Academy winner of SMUD Solar Boat Regatta 2012, 2013, 2014, & 2019

Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website:
<http://www.egusd.net/academics/assessments/school-accountability-report-cards/>

A Message From the Principal

Laguna Creek High School, Making Great Things Possible!

It is with immense pride that I welcome you to the 2020-2021 School Year. I am excited to start my first year as a Cardinal and look forward to continuing to make great things possible for our students and community. I am excited to continue to work with you as your partner in education to ensure your child's success. Along with staff, I will work hard to keep the legacy of success established at Laguna Creek High School by building strong relationships with parents, students, faculty, and community partners.

Breakfast with Benson

To help facilitate community dialogue, I would like to invite you to "Breakfast with Benson" on the first Thursday of each month between 800-900am. During these meetings, I present information on important educational topics and provide time for parent feedback and conversation.

School Activities - Keep Informed

All of our major school events are posted regularly on our school's website, <http://lchs.egusd.net/>. Reading the monthly newsletters sent via email, school website, Facebook, and Synergy emails are the best way to stay up-to-date on all that is happening at Laguna Creek High School. I will send monthly newsletters via email to inform you about events and the great things Laguna Creek students are accomplishing and provide school updates. It is essential for you to provide us with a working email so that we can keep you informed. You can do that by logging into your Synergy ParentVUE portal and updating your information.

Thank you for the privilege of partnering with you in educating our children. I am looking forward to working with you this school year.

In Partnership,
Mark Benson
Principal LCHS

Parental Involvement

We welcome parents and guardians on our campus and encourage them to stay connected to what is happening at Laguna Creek High School through using the web-based ParentVUE Program.

We welcome parental involvement through the following active groups:

- PTSO that supports all student clubs and programs
- Concerned African American Parent (CAAP)
- IB/World Scholars Parent Organization (IBPO)
- LCHS Boosters
- Band Boosters
- School Site Council

For more information, please contact School Secretary, Penny Whalen, at 683-1339.

School Facility Conditions and Planned Improvement

Laguna Creek High School has 62 classrooms, 5 computer labs, a black box theatre, a weight room, a main gym, an auxiliary gym, a dance room, a multipurpose room, a library, a career center, a counseling center, and an administration building. The main campus was built in 1994. Five portable classrooms were added in 1997 for growth with 10 more being added in 2000. The campus has two baseball fields, two softball fields, a field house with athletic lockers, an all-weather turf field added in 2018, and a track paid for with Measure M money. CTEIG funds were used to expand the Sports Career Academy lab to include hydrotherapy in 2019. In 2020, construction will begin on the new Green Energy Technology Academy building using Prop 51 money and District Measure M and CTEIG funds.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

With the passing of Measure M, Laguna Creek High School will see modernization projects over the next several years. During the 2019-20 school year, we will be beginning the construction of a new 6,000 square foot Green Energy Technology Academy facility.

In the 2019-2020 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Good Repair Status

Date of facilities inspection : 9/29/2020

Items Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			No

California Assessment of Student Performance and Progress Results for All Students (School Year 2019 - 2020)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2018 - 2019	2019 - 2020	2018 - 2019	2019 - 2020	2018 - 2019	2019 - 2020
English Language Arts/Literacy (grades 3-8 and 11)	70%	N/A	56%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	38%	N/A	45%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs

Career Technical Education (CTE) provides opportunities for LCHS students to prepare for college, career and life through a Linked Learning approach that integrates rigorous academics, technical skills, relevant real-world experiences, work-based learning opportunities, and wrap-around student support to help students develop the 21st-century skills and habits of mind they will need to succeed after graduation. Guidance/career counselors and advisers offer additional support. In weekly Advocacy for example, classes at each grade level focus on achieving the outcomes described in the EGUSD Graduate Profile. Lessons include transcript review, college readiness, A-G completion, course selection, Academy applications, college admissions, and how to access resources within the school and surrounding community. LCHS is an authorized International Baccalaureate Middle Years and Diploma Program World School.

LCHS offers the following programs that promote leadership, develop job-related skills, offer work-based learning opportunities, and increase interest in school: California Partnership Academies (CPA), High Quality Career Pathways (HQCP), and Explore CTE Programs. CPAs feature cohort scheduling in CTE and academic core classes, integrated projects, and work-based learning opportunities. HQCPs provide a two-to-three year sequence of CTE courses within a career pathway. Pathway programs offer work-based learning opportunities and industry-recognized certification when available. Explore CTE programs allow students to complete an intensive training course in one year or less, take courses leading to industry certification, or experience internships. All CTE programs have an advisory committee that includes industry representatives for guidance and input. CTE programs at LCHS also allow students to meet graduation requirements and complete A-G requirements through courses that incorporate state-adopted academic standards. In 2019-20, LCHS offered three CPAs, Manufacturing Production Technology Academy, Sports Careers Academy, and Green Energy Technology Academy. HQCPs included Fashion and emerging Graphic Design and Digital Photo pathways. LCHS also offered Journalism Production. CTE programs at LCHS offer opportunities for student leadership development, including HOSA in the Sports Careers Academy and student leadership teams in both GETA and MPTA.

Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, such as National Association of Sports Medicine Personal Trainer Certification, OSHA 10 Certification, Woodwork Career Alliance Sawblade Safety, Red Cross First Aid and CPR, projects, and other means.

Career Technical Education Participation (School Year 2019 - 2020)

Measure	CTE Program Participation
Number of pupils participating in CTE	1354
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	51.30%
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	80.00%

Professional Development

For 2020-2021, our school continues to have a professional development emphasis in the use of professional learning communities and student engagement. Teachers attend weekly late start meetings in which students come to school one hour later. Teachers use this time to meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. Our school also receives LCFF funding that provides money for teacher release days where they focus on evaluating and developing curriculum. We continue to have four collaborative MYP minimum days to work with HEMS.

Teachers continue to be trained in IB methodology as we expand the number of staff trained to teach in the IB Diploma Programme and MYP Programme.

Finally, the district offers a variety of classes for support staff. Para-educators, school secretaries, office assistants, and custodians may take classes that relate to their work such as learning computer skills, learning to work more efficiently, and learning ergonomically correct processes.

School Safety Plan

In addition to 6 Campus Supervisors, LCHS employs a School Resource Officer in a partnership with the Elk Grove Police Department. Supervisors are staggered throughout the day to ensure supervision from 7:00 a.m. to 5:30 p.m. The Safety Plan was reviewed and modified in February, 2020. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, etc., is kept in the school office. "Emergency Flipcharts" are in every classroom and non-teaching space on campus. Emergency procedures are also included in substitute packets. Security staff monitors all after-school events, such as games and dances. The district's School Safety and Security Department works closely with our school site to provide a safe and secure environment for all students. Visitors are required to check in through the Admin office.

Specialized Programs

At our school, we have highly qualified staff to assist students with special learning needs. Our English Learners receive support in transitional classes, allowing them to access the core curriculum, and are placed in classes to learn English as needed. Gifted and Talented students participate in Honors courses, our International Baccalaureate Diploma Programme, and Advanced Placement courses. Students who need extra tutoring or homework help can receive departmental help from individual teachers or attend the volunteer staffed Tutoring Lounge. The school Library is open daily after school from 3:00 to 5:00 p.m. and the Career Center is open 3:00 to 4:00 p.m. Other special programs offered include: Manufacturing Production and Technology Academy, Business Careers Pathway, the Sports Sciences Career Academy, our Green Energy Technology Academy, and AVID. LCHS is authorized to teach the IB Middle Years Programme and the IB Diploma Programme.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
